REPORT

School of Computing & IT

SSIU/SSCIT/2023-2024/Report Slow Learner

Date: 15/12/2023

Report on remedial classes for slow learner students

The Remedial classes for slow learner were taken during session July- December. All listed students under the slow learner category attended the classes.

Objective:-

The objective of program was help to slow learner students to improve their subject knowledge and capabilities, to fulfil the requirements for future career growth.

Programme Activities:

The classes were arranged as per the time table. The classes were taken up regularly by faculty concern as per their time table schedule.

Outcome:

Approx. 50% of listed students of slow learner category could clear the University Examination. Regular classes help to build the knowledge and confidence in slow learner students.
