### **Objective of the event: (why this event has organized, Brief about Importance of the event)**

Eyes are the most precious gift we have. It is windows of the body. The objective of the event was spread awareness on eye disorder and detection of refractive errors of village people. For that, Aarihant ayurveda hospital which is a part of Swarnim Startup and Innovation University organized this free “Netra Roga Nidan Camp” at Pansar.

### **Flow of the event: mention the flow / schedule of the event in detail**

The camp was started around 12:00 pm with Dhanvantari Poojan by Dr.Bhumi Bariya After that Camp started. A large number of patients from all age groups came in this Camp to take benefits through Ayurveda. In this camp, different types of patients with diseases like myopia, hypermetropia, glaucoma, Cataract pterygium etc. were came from nearer villages. Proper examination like screening of visual defects, IOP checking, refraction etc. done. And proper treatment given to the patients by our expert. Spectacles were given to needy people at nominal charges. Also, special advice given about how to improve eye sight & how to prevent eye from eye disorders.

### **Significance/Outcome:**

A good number of patients had taken benefits at Camp. Also by this camp people get awareness about eye health by ayurveda.
