**Subject:** Sanction of Research Project Proposal - A Study on the Applications of Graph Theory in Network Optimization

Dear Sir/Mam,

I am pleased to inform you that your research project proposal has been reviewed and approved by our organization at your University. We are excited to show financial support for these initiatives and continuous support throughout the implementation of the project.

**Project Details:**

- **Title of the project:** A Study on the Applications of Graph Theory in Network Optimization
- **Principal Investigator:** Dr. Mohit Bhadala
- **Co-Investigators:** Prof. Kalpesh Patel, Prof. Bhavesh Berani, Prof. Krishn Limbachiya, Prof. Sofat Smriti
- **Duration of the Project:** 24 months
- **Total Sanctioned Amount:** 1200000

**Conditions of the Sanction:**

25. The funds must be utilized for the purposes specified in the project proposal.
26. Regular progress reports must be submitted to the company.
27. Any changes in the project scope or budget must be approved in advance.
28. A final report must be submitted upon project completion.

Please acknowledge the receipt of this letter and confirm your acceptance of the terms and conditions. Should you have any questions, feel free to reach out to us. Additional allowance can be considerable as per T&C.

We look forward to your contributions to advancing research.

Best regards,

Subject: Sanction Letter of Research Project

Dear Researcher,

I am pleased to inform you that the scrutiny committee has approved your research. The details of the Research Proposal and Sanctioned grant is as under.

Title of Research Proposal	Dielectric and Electrical Properties of Binary Mixtures of 1-Butyl-3-Methylimidazolium Chloride and Water in the Frequency Range 20 Hz to 2 MHz
Name of Principal investigator	Dr. Visha Rathod
Name of Co-investigators	Khushi Singh, Niraj Thummar, Jinal Sharma, Toral Solanki, Komal Goswami
Duration in months	42
Sanctioned Grant for Research Work	1200000

It is further hereby informed that you will abide to follow all the guidelines/norms, terms, and conditions mentioned in the Research Scheme of company. The principal investigator may contact for any further assistance. All the best for great research work ahead.
