# Village Adoption Program for Rural empowerment

#### **OBJECTIVE**

- Promote Health and Hygiene: To improve overall health standards in adopted rural communities by providing access to basic healthcare services, promoting hygiene practices, and raising health awareness.
- Enhance Nutrition and Sanitation: To combat malnutrition and improve sanitation facilities, thereby reducing the incidence of preventable diseases and enhancing the quality of life in rural areas.
- Bridge the Rural-Urban Gap: To reduce disparities between rural and urban populations by ensuring equitable access to healthcare and development opportunities.
- Foster Sustainable Development: To empower rural communities through long-term, sustainable initiatives aligned with the Alma Ata Declaration, focusing on community participation and self-reliance.

# PROCESS OF BEST PRACTICE

Adoption of Villages

 Adoption the villages aims to improve resources, foster awareness, and enhance living standards

Activity/
Program In
Villages

 Doing Various Program like Health Camps, Education and Hygiene Programs, Crisis Response, Community Engagement

Outcome Assessment

 Enhanced health metrics and documented camp data reflect the program's impact, fostering rural selfsufficiency

# **Objective of the event:**

• Recognition of Tribal Contributions: To acknowledge and celebrate the invaluable contributions of tribal communities to the country's development, culture, and history.

- Empowering Tribals: To promote the welfare of tribal people by ensuring their rights and socio-economic upliftment, particularly in areas such as education, health, and employment.
- Preservation of Tribal Culture: To raise awareness about the rich cultural diversity of tribal communities, including their languages, customs, traditions, and art forms, and to safeguard them from erosion in the face of modernization.
- Highlighting Struggles and Rights: To bring attention to the historical and contemporary struggles faced by tribal communities, particularly in relation to land rights, displacement, and access to justice.
- Honoring Tribal Leaders: To honor key tribal leaders, such as Birsa Munda, who played a
  pivotal role in the tribal rights movement, and whose legacy continues to inspire tribal
  communities across India.
- Promoting Inclusivity: To create a sense of inclusivity and unity, fostering the integration of tribal communities into the mainstream without losing their distinct cultural identities.

#### FLOW OF EVENT:

- 1. Gathered for event at 11:30 PM
- 2. Rally done till 1 PM

#### SIGNIFICANCE-

By celebrating Janjatiya Diwas, the Indian government and society aim to foster respect for tribal communities and their diverse cultures while addressing issues that impact their social and economic progress.

#### **CONCLUSION-**

It was great experience for everyone to celebrate and explain the contribution of great freedom fighter. Explained people regarding PM-JANMAN Mission.

### **Objective of the event:**

World Breastfeeding Week Awareness Campaign objective is to promote and support breastfeeding practices. Objective of awareness campaign at Uvarsad was to-

- 1. To create awarenes about this year theme Closing the gap: Breastfeeding support for all.
- 2. **Increase Awareness**: Educate the public about the benefits of breastfeeding for both infants and mothers. This includes emphasizing its role in improving health outcomes and supporting maternal well-being.
- 3. **Advocating for Supportive Environments**: Educating family members to provide healthy environment in support of breastfeeding.
- 4. **Promoting Breastfeeding Education**: Enhance knowledge about breastfeeding techniques, the importance of early initiation, and the value of exclusive breastfeeding for the first six months.
- 5. **Addressing Barriers**: Identify and address common challenges and barriers to breastfeeding, including social, economic, and healthcare-related obstacles.
- 6. **Celebrating Success Stories**: Highlight and share positive breastfeeding stories and practices from different communities to inspire and encourage others.

### **Flow of Event:**

- At 10 am departed from college.
- At 10:15 am started our door to door awareness campaign at Uvarsad Village.
- At 12 pm departed from village.

#### **Significance/Outcome:**

- Personalized Engagement: Direct interaction allows for personalized conversations which
  helps to address specific concerns or questions individuals may have about breastfeeding,
  making the advice more relevant and impactful.
- Overcoming Barriers: Many people face barriers to accessing information, such as lack of transportation, work commitments, or geographic isolation. Door-to-door outreach can reach those who might not otherwise receive breastfeeding education and support.
- **Encouraging Action**: Personal visits has prompt immediate action and provide practical assistance, such as connecting families.
- Gathering Feedback: Direct interactions provide an opportunity to collect feedback from the community about their needs and challenges related to breastfeeding. This feedback can help tailor future initiatives and support services.

Overall, door-to-door awareness efforts can effectively bridge gaps in knowledge ultimately contributing to better breastfeeding practices and improved health outcomothers and infants.

### **Quote / Comment**

#### Conclusion

The door-to-door awareness campaign during World Breastfeeding Week 1<sup>st</sup> – 7<sup>th</sup> August organized on 5<sup>th</sup> august at Uvarsad Village proved essential for fostering a supportive environment for breastfeeding. By delivering personalized information and addressing specific community needs, this approach effectively overcomes barriers to accessing vital breastfeeding support. It build up trust, promoted immediate action, and encourages the local support networks. Additionally, it provides valuable feedback to refine future initiatives. Ultimately, such grassroots efforts empower families with knowledge and resources, significantly enhancing breastfeeding practices and health outcomes for mothers and infants alike.

## **SWARRNIM STARTUP & INNOVATION UNIVERSITY ACTIVITY REPORT 2024**

Institute and Department	AARIHANT HOMOEOPATHIC MEDICAL COLLEGE AND RESEARCH INSTITUTE	
Activity Name / Event Name	Aids Prevention & Awareness Rally On The Occasion Of World's Aids Day 2024 at Uvarsad Village.	
Date of the event	02/12/2024	
Duration	10 AM TO 1 PM	
Semester	1 <sup>ST</sup> to 4 <sup>TH</sup> BHMS STUDENTS and Interns	
Full Name of Mentor/Principal with designation	Prof. Dr. Amita V. Peter Principal	
Faculty Coordinator Details (Name, Designation, Contact Details)	Dr. Rakesh Sharma Prof. & HOD Dept of Community Medicine  Dr. Jaya Srivastava Asst. Prof. Dept of Community Medicine	
Number of Participants	150 Students and 10 faculties from Aarihant Homoeopathic Medical College and RI participated	

#### **Objective of the event:**

- 1) World AIDS Day, designated on 1 December every year since 1988, is an international day dedicated to raising awareness of the AIDS pandemic caused by the spread of HIV infection and mourning those who have died of the disease. The acquired immunodeficiency syndrome (AIDS) is a life-threatening condition caused by the human immunodeficiency virus (HIV). The HIV virus attacks the immune system of the patient and reduces its resistance to other 'diseases'. Government and health officials, non-governmental organizations, and individuals around the world observe the day, often with education on AIDS prevention and control. World AIDS Day is one of the eleven official global public health campaigns marked by the World Health Organization (WHO). So as a part of medical education many students were aware about this pandemic disease thus they can spreads awareness regarding prevention of AIDS amongst the society. Basic Aim of this event to spread awareness about AIDS disease amongst Village people.
- 2) To spread awareness regarding this year theme- Take the rights path: My health, my right!", WHO is calling on global leaders and citizens to champion the right to health by addressing the inequalities that hinder progress in ending AIDS..
- 3) This event was organized to encourage students to participate in such activity so their communication skill would develop and in future they will become good Health Workers to serve better in Mankind.

#### Flow of the event: mention the flow / schedule of the event in detail

- 1) At 9:30 all students and faculties gathered at college and started our awareness campaign from college people .
- 2) We reached at Uvarsad village at 10:30 am and started our rally along with PHC Staff.
- 3) At 12.00 pm rally completed.
- 4) Till 12:30 pm Mr Paresh bhai staff of PHC spread light on various government programs related to AIDS.
- 5) At 1 pm all student and faculties returned to college.

#### Significance/Outcome:

Students become active member of our health delivery system and participant of noble work. They understand the field work done by a doctor related to promotion, awareness, prevention apart from treatment.. Student's communication skills and confidence developed due to such event.

#### **Conclusion:**

ON 02/12/2024 on the occasion of World AIDS day AARIHANT HOMOEOPATHIC MEDICAL GOLLEGE AND RESEARCH INSTITUTE organized AIDS Awareness Rally at Uvarsad Village. Basic Aim of this event to spread awareness about AIDS disease amongst Village people and also this year theme- 'Take the rights path: My health, my right!", WHO is calling on global leaders and citizens to champion the right to health

by addressing the inequalities that hinder progress in ending AIDS. . . It also encourage students to participate in such activity so their communication skill would develop and in future they will become good Health Workers to serve better in Mankind. 130 students and 10 faculties were participated in this Awareness Program.

# Swarrnim Startup & Innovation University Activity Report 2024

Institute / Department	Swarrnim Startup & Innovation University		
Activity / Event Name	Awareness Campaign on Chandipura Virus		
Date of the event	22/07/2024		
Duration	2 hrs		
Location	Tintoda Village		
Participant's Branch/Institutes	Homoeopathy		
Total Number of Participants	58		
Full Name of Mentor/Principal with designation	Prof. Dr. Amita V. Peter Principal		
Faculty Coordinator Details (Name, Designation, Contact Details)	Dr Jaya Srivastava Assistant Prof. Department of Community Medicine  Dr. Vishal Shukla Assistant Professor Department of Practice Of Medicine  Dr. Kajal Joshi Associate Prof. Dept. of Organon Of Medicine.		

## **Objective of the event:**

The objective of an awareness rally on Chandipura Virus would be to educate the public about the virus, its transmission, symptoms, and prevention measures. The rally aims to:

- **1.** Raise Awareness: Inform the community about the Chandipura Virus, including its health impacts and risk factors.
- 2. Promote Prevention: Encourage practices and strategies to avoid infection, such as avoiding Sand fly bites and maintaining sanitation.
- **3.** Disseminate Information: Provide clear, actionable information through pamphlets, posters, and talks.
- **4.** Engage the Community: Involve local people support network for disease prevention.
- **5.** Highlight Treatment Options: Educate about available medical treatments and where to seek help if symptoms appear.

#### Flow of Event:

- At 10 am we departed from college and reach there at 10:10 am.
- At 10:10 AM to 12 PM we explained locals and school students about chandipura virus outbreak

## **Significance/Outcome:**

Awareness campaign for the Chandipura Virus holds significant importance for several reasons. 200 students & locals were educated regarding the same.

- Prevention and Control: Educating the public about the virus's transmission routes and
  preventive measures helps reduce the spread of the disease. Awareness can lead to
  behaviors that minimize Sand Fly bites and improve environmental sanitation, which are
  crucial for controlling outbreaks.
- 2. Early Detection: Awareness campaigns can inform people about the symptoms of Chandipura Virus, encouraging timely medical consultation and diagnosis. Factor of Remode Chandipura Virus, encouraging timely medical consultation and diagnosis.

- Public Health Preparedness: Such campaigns can improve community preparedness
  and response to outbreaks. By understanding the virus and its impact, communities can
  better cooperate with health authorities and follow recommended practices during an
  outbreak.
- 4. **Reducing Stigma**: Awareness helps to dispel myths and reduce stigma associated with the virus, which can otherwise hinder public health efforts and discourage individuals from seeking help.
- 5. **Empowering Communities**: Providing accurate information empowers individuals and communities to take charge of their health, contribute to public health efforts, and support preventive measures.

## **Conclusion**

The awareness rally on Chandipura Virus successfully educated the community on prevention, symptoms, and treatment. By disseminating crucial information and engaging local people, it empowered individuals to take proactive measures, enhancing public health readiness and fostering a united effort to combat the virus effectively

# Prominent stakeholders and students unite to explore digital integration, evidencebased practice, and innovation in Homoeopathy

Gandhinagar, December 03, 2024: The Aarihant Homoeopathic Medical College & Research Institute, constituent college of Swarrnim Startup & Innovation University, co-hosted the

Swarnim Startup & Innovation University, co-hosted the Gujarat HomoeoElite 2024 recently. The event CME saw the active participation of many doctors and students which includes 20 faculty members & 10 students from our homoeopathic medical college and was graced by Shri Rushikeshbhai Patel, Minister of Health and Family Welfare, Government of Gujarat, as the Chief Guest.

Dr. Anil Khurana, Chairman, National Commission for Homoeopathy (NCH), encouraged practitioners and PG Students to adopt evidence-based homoeopathy and document their findings for publication in reputed journals. The event aimed to create awareness of the Ayushman Bharat Digital Mission (ABDM) and its enrolment processes and highlighting the importance of the Clinical Establishment Act and its regulations. Shri Rushikesh Patel delivered an inspiring inaugural speech, emphasising the significant role of Homoeopathy in improving the quality of life as well as for treatment.

Dr. Pinakin Trivedi, President, Board of Ethics and Registration for Homeopathy (BERH), NCH, motivated stakeholders to register themselves in the Central Register of NCH. Dr Tarkeshwar Jain, Chairman, Medical and Education Board, spoke at length about the current scenario of Homoeopathic practice in Gujarat.
