

PARENT MEETING REPORT (2022-23)

Name of event	PARENTS TEACHER MEETING
Date of event	23 SEPTEMBER, 2022
Coordinator	Ms SONAL PANCHAL
Organised by	Swarnnim Science College
Time	2:00PM to 4:00PM
Venue	Swarnnim Start-up and Innovation University, Bhoyan Rathod, Kalol
Reporter's name	Ms. Sonal Panchal, Ms. Khushi Singh

1. Introduction

The parent meeting commenced with an official welcome by the Principal, Dr. Hemant Chaube, who expressed appreciation for the parents' presence and their commitment to supporting their children's educational journey. Dr. Chaube highlighted the importance of collaboration between the parents and the college to ensure the academic success and overall well-being of the students.

2. Principal's Address - Dr. Hemant Chaube

Dr. Chaube addressed the gathering by congratulating the students and parents for choosing the college. He emphasized the college's longstanding tradition of providing quality education and fostering a conducive learning environment.

Key points from Dr. Chaube's address:

- **Commitment to Excellence:** The college aims for academic excellence while nurturing skills that go beyond the classroom. This approach helps students in both their career development and personal growth.
- **Infrastructure and Facilities:** Dr. Chaube outlined the college's modern facilities, including well-equipped classrooms, advanced laboratories, a spacious library, and recreational areas to support student engagement and learning.
- **Focus on Personal Development:** In addition to academics, the college encourages students to develop their leadership, communication, and social skills through extracurricular activities, workshops, and internships.
- **Open Communication:** He invited parents to remain engaged in their children's progress, highlighting the open-door policy for both academic and emotional support.

3. Department Overview - HOD Mr. Prem Prajapati

Mr. Prem Prajapati, the Head of the Department, took the stage to provide a comprehensive overview of the academic programs and what students can expect in their first year.

Key takeaways from Mr. Prajapati's presentation:

- **Curriculum & Assessments:** The first-year curriculum combines theoretical knowledge with practical experience. He detailed the assessment process, which includes assignments, class participation, and semester exams.
 - **Faculty Support:** Faculty members are available for one-on-one sessions, and students are encouraged to seek help if they face any academic challenges.
 - **Co-curricular Activities:** Mr. Prajapati emphasized the importance of engaging in extracurricular activities. Participation in clubs, cultural events, and workshops enhances the overall learning experience and personal development.
 - **Student-Teacher Interaction:** The department believes in an interactive and student-centric approach, with regular feedback and guidance available to students throughout the academic year.
-

4. College Expectations and Student Engagement

The Principal and HOD jointly outlined the key expectations from students:

- **Regular Attendance:** Both emphasized the importance of consistent attendance, as it is crucial for academic success.
 - **Time Management:** Dr. Chaube advised students to manage their time effectively, balancing their academic responsibilities with co-curricular activities.
 - **Active Participation:** Students are encouraged to actively participate in college events, workshops, and seminars to maximize their learning opportunities.
-

5. Parents' Role in Student Success

Dr. Chaube and Mr. Prajapati shared insights on the critical role that parents play in their children's college experience:

- **Monitoring Academic Progress:** Parents should stay informed about their child's academic progress, attend parent-teacher meetings, and maintain regular communication with faculty members.
- **Supporting Emotional Well-being:** Transitioning to college can be a challenging experience. Parents were encouraged to stay in touch with their children and offer support as they adjust to the new environment.

- **Encouraging Independence:** While parents' support is crucial, they were also reminded to encourage their children to take responsibility for their academic performance and personal decisions.

6. Q&A Session

The meeting proceeded with a question-and-answer session, where parents raised concerns and queries regarding their children's academic journey. Some common questions included:

- How can parents track their child's academic progress?
- What measures are in place to ensure student safety on campus?
- Are there opportunities for students to gain practical experience through internships during the first year?

Both Dr. Chaube and Mr. Prajapati assured parents that the college has systems in place to address these concerns, such as regular progress reports, a secure campus environment, and internship programs available to students.

7. Conclusion

The meeting concluded with a heartfelt thanks from Dr. Chaube to the parents for their active participation. He reiterated the college's commitment to providing a supportive environment where students can grow academically and personally. He urged parents to stay engaged with the college throughout the year and reach out whenever necessary.

Handwritten signature in blue ink, appearing to read "A. Chaube".
