ALIGNMENTOFMISSION&VISIONOFTHEUNIVERSITYWITH INSTITUTE

Title	SwarnnimStartup&InnovationUniversity	AHMC&RI	Keyword Alignment	ExplainHowInstitute Supports & Reflects University's Mission & Vision
MISSION	To create budding Entrepreneurs who can compete globally by grooming their innovative and startup skills.	AHMC&RI Mission is to provide intellectual, competent , compassionate, dedicated and quality Health Care professionals to the Society. We are committed to enhance the quality of life through improved health and nurture healthy communities through discovery and translation of the best science into clinical practice and education to deliver the highest quality patient care and prepare the next generation of distinguished healthcare professionals. We also strive to drive up the spirit of entrepreneurship amongst students and help them tap into their creative minds to curate businessmen and businesswomen through our certification in Innovation & Entrepreneurship program.	• Innovation • Entrepreneurship • Competent Health-care professionals	• Integration of the Innovation and Entrepreneurship program into the BHMS curriculum from the First to the Fourth Professional year. • Delivering quality education through classroom instruction, field workshops, and seminars.

VISION	To be globally competent institution imparting education based upon the foundation of innovation and Entrepreneurship. "	To create an exceptional learning experience for our students to promote their development into competent and caring professionals. To achieve our vision of exceptional learning, we value: • Relationships built on trust and mutual respect • To provide high-quality patient care through Homoeopathic science. • To make a disease-free world through a scientific approach to Homoeopathic. • Responsibility of each member of the community to one another • Accountability towards professional standards, attitudes, and behavior • To be amongst the top most preferred Homoeopathic institutions in India	• Competent institution • Scientific Approach	• Through the integration of the Innovation and Entrepreneurship program, students develop a scientific approach to becoming skilled entrepreneurs." • Internship and IE Research projects.
