

CO-PO Attainment of BAMS AY 2022-23

1. Course Outcomes (COs) and Program Outcomes (POs)

1.1 Establish the correlation between the courses and the Program Outcomes & Program

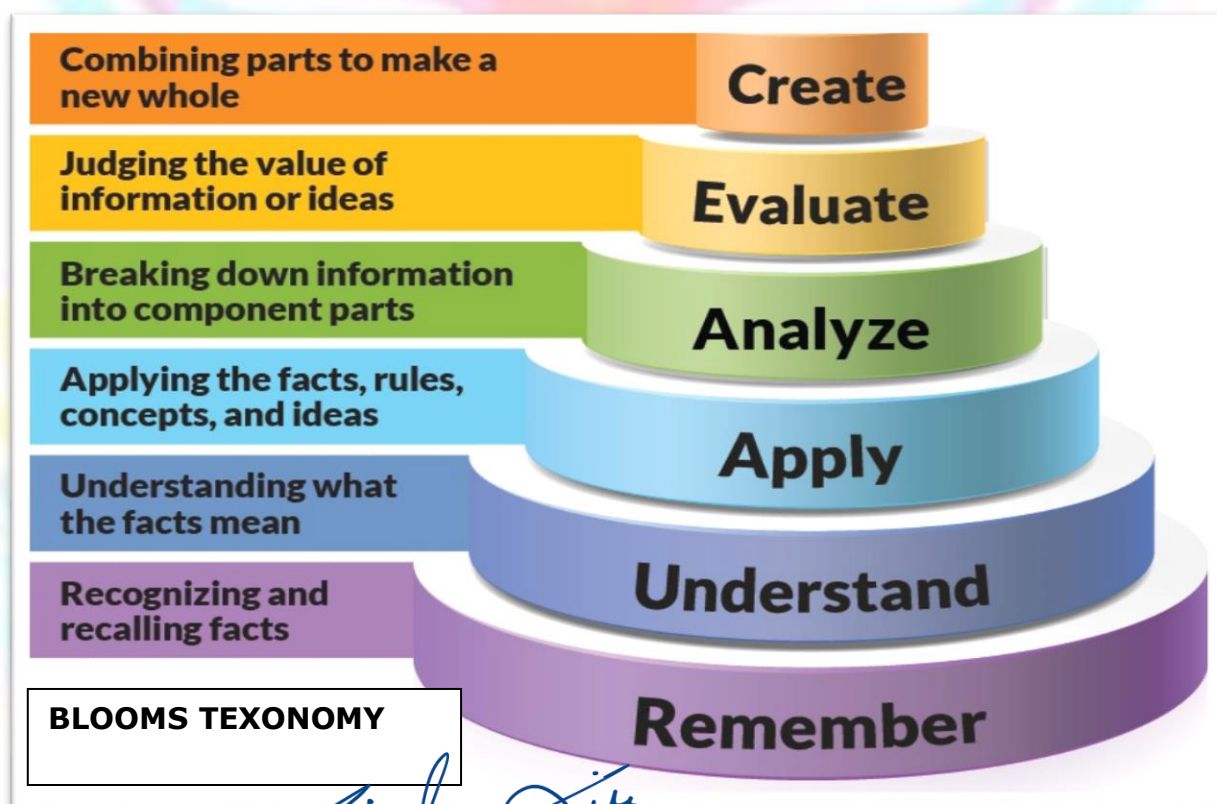

1.1.1 Course Outcomes (COs) (05)

Course outcomes (COs) are the statements indicating what a student can do after the successful completion of a course. Every Course leads to some Course Outcomes. The CO statements are defined by considering the course content covered in each module of a course. For every course there may be 4 to 10 Course Outcomes. The keywords used to define Course Outcomes are based on Bloom's Taxonomy. The Course Outcomes are defined in accordance with National Council of Indian System of Medicine norms.

Course coding system:

Example: AYUG-PV, AYUG-SK, AYUG-SAN

As per blooms texnomy following things are in consideration while framing CO

Programme learning outcomes (PO)

At the end of the BAMS programme, the students will be able to:

- PO1** Demonstrate comprehensive knowledge and application of the Trisutra concept to explore root causes, identify clinical manifestations of disease to treat ailments and maintain healthy status.
- PO2** Demonstrate knowledge and skills in Ayurveda, acquired through integration of multidisciplinary perspectives and keen observation of clinical and practical experiences.
- PO3** Demonstrate proficiency in holistic, unique assessment of an individual for rational approach and decision-making in management of disease and maintenance of health.
- PO4** Perform procedures and therapeutic maneuvers with skill and dexterity in a variety of situations.
- PO5** Demonstrate knowledge, skills and attitudes to provide holistic quality care and preparedness to practice.
- PO6** Demonstrate agility, virtuous and ethical behaviour and compassion to improve the well-being of individuals and society.
- PO7** Demonstrate self-directedness in pursuit of knowledge and skills, which is required for advancing health care and wellbeing of society.
- PO8** Demonstrate the ability to effectively communicate with patients, families, community and peers
- PO9** Demonstrate an understanding of qualities and required skills as a practitioner, researcher and academican and an aspirations to become one.

CO-PO matrices Methodology

- Students need to develop certain qualities to effectively contribute to industry, academia, and society. These qualities are defined as Program Outcomes (POs), and the curriculum is structured to foster them.
- Based on how well the course content supports achieving each PO (e.g., PO1, PO2, PO3, etc.), courses are rated as substantial (3), moderate (2), or slight (1) in their contribution.
- The correlation between COs and POs are given by National Council of Indian System of Medicine Delhi.

• **Criteria 3 Member:** set target level for CO attainment and Consolidated CO attainment of respective year.

• **Criteria 3 member:** Consolidated PO attainment through direct assessment and indirect assesment.

• **Criteria 3 member:** Drawn conclusion/ observation and suggested for any action to be taken for fullflmlent of CO and PO attainment

1.2. Attainment of Course Outcomes

1.2.1 Describe the assessment components and processes used to gather the data upon which the evaluation of Course Outcome is based

The various assessment components and processes used to gather the data for the evaluation of Course Outcome are described as follows. The maximum marks and the weightage of each assessment component in the final grade are also summarized in the

Table 2. Below table shows the list of assessment processes:

Table 2: List of assessment processes

ACADEMIC YEAR	SUBJECTS	INTERNAL		EXTERNAL			
		INTERNAL (9 PERIODIC+2 TT) AVERAGE	UNIVERSITY THEORY	UNIVERSITY PRACTICAL	UNIVERSITY VIVA	ELECTIVE	TOTAL
2022-23	PADARTH VIGYANAM	30	200	100	60	10	400
	SANSKRIT EVUM AYURVED ITIHAS	15	200	NA	75	10	300
	KRIYA SHARIR	30	200	100	70	NA	400
	RACHANA SHARIRA	30	200	100	70	NA	400
	SAMHITA ADHYAYAN 1	15	100	NA	70	10	200
2023-24	RASASHASTRA EVAM BHAISHAJYAKAL PANA	30	200	100	70	NA	400
	AGAD TANTRA EVAM VIDHI VAIDYAKA	30	100	100	60	10	300
	SAMHITA ADHYAYAN-2	15	100	NA	75	10	200
	DRAVYAGUNA VIGYAN	30	200	100	70	NA	400
	ROGA NIDAN EVAM VIKRITI VIGYAN	30	200	100	70	NA	400
	SWASTHAVRITTA EVAM YOGA	30	200	100	60	10	400

Table 3: Assessment components and processes used for the evaluation of Course Outcome

Assessment components	Marks	Weightage	Quality/Relevance of assessment process
Internal assessment (IA)	15 OR 30	5 TO 10 % AS PER NCISM NORMS	<p>The overall evaluation of students' performance consists of two main components:</p> <p>Internal Assessment: 5 TO 10 % of the total marks depending on syllabus and distribution marks</p> <p>Internal Assessment (5 to 10 %) is designed to evaluate students continuously throughout the NINE (9) periodic test and (2) TWO term test , promoting regular study habits and engagement. It is further divided into three components:</p>
External assessment (EA)			<p>University Examination: At the end one and half year university examination will be for 80 to 90 % of the total marks depending on the subject.</p> <p>This split ensures both continuous assessment and final examination performance are fairly considered.</p> <p>University examination</p> <p>Theory Examination – Which consist of single or double paper covering entire syllabus</p> <p>Practical Exam- Which consist of various practical examination depending on subject.</p> <p>Practical Viva- Viva will be on whole syllabus carried out by the both internal and external expert.</p> <p>Electives – 10 marks will be allotted for the completion of specific module which are allotted by the NCISM council.</p>

Criteria for Pass: As per the general passing criteria, students must secure a minimum of 50% marks separately in both Internal Assessment and University Examination for each course. This rule applies individually to all theory and practical courses, which are treated as separate subjects. Internal assessment includes components like nine periodic tests, and two term test, while the university exam is conducted at the end of the one and half year. Passing one component does not compensate for failing the other. Students must meet the minimum

in both to be considered as having passed the subject. This ensures consistent performance throughout the course in both internal and external evaluations.

1.2.2 Record the attainment of Course Outcomes of all courses with respect to set attainment levels

Following Procedure is followed for the assessment of attainment of COs through Internal Assessment marks and end semester marks:

Setting of attainment levels:

Step 1: Course Outcome attainment levels: The CO attainment levels are set for each course in the final examination as target. Accordingly, the target levels for CO attainment are set.

Step 2: Criteria for setting and improvement of the target levels: For every course the target level for an assessment year is set on the basis of the target achieved in the previous year. For any course, achieving the maximum attainment level of 3 during the assessment year, the attainment level for the subsequent year shall be redefined by increasing the target marks. Table presents the target levels for CO attainment.

Step 3: Weightage and CO attainment achieved: As per the NCISM, the total marks for the theory courses is from 100 to 200 accordingly the weightage adopted for BAMS:

- 80-90% weightage for University examination and
- 5 to 10% weightage for internal assessment.
- 10 marks for Electives assessment.

Target level for academic year 2022-23 & 2023-24 is shown below:

Academic year	For internal assessment		For University examination	
	Target Level	Internal Marks	Target Level	External Marks
2022-23	1	≤ 10 or ≤ 20	1	50 or 100 marks depend on subject
	2	≤ 12 or ≤ 23	0	-
	3	≥ 13 or ≥ 24		

The Course outcomes attained through university examinations and Internal Assessment are calculated and same is presented in Table 4

Table 4: Target Marks and levels (2022-23)

Course Code	Marks		Level		20% Internal	80% External	Target
	IA	Final	T_IA	T_Final			
I Professional							
PADARTH VIGYNAM	99	85	1	1	0.2	0.8	1
SANSKRIT EVUM AYURVED ITIHAS	99	92	1	1	0.15	0.85	1
KRIYA SHARIR	99	85	1	1	0.2	0.8	1
RACHANA SHARIRA	99	68	1	1	0.2	0.8	1
SAMHITA ADHYAYAN 1	99	85	1	1	0.22	0.78	1

Attainment of Cos:

The attainment of COs is taken as the average of attainment of all the CO's for the course and expressed as CO-IA (5% to 10% weightage of CO attainment through IA tests). However, the institution is not accessible to the distribution of marks to corresponding COs from University results, with that as constraint CO-FE (CO attainment through semester examination) is computed as 80 to 90% of final examination. Together is expressed as the attainment of CO for the particular course.

Target Set:	Percentage
Level 1	55-64
Level 2	65-74
Level 3	≥75

The course level attainment for the academic year 2022-23 is presented in TABLE 5

Course Outcomes Attainment level and Course Attainment level for all the courses is compiled.

Table 5 : Course Outcome Attainment for 2022-23

		Target Set					
		Level 1	55-64				
		Level 2	65-74				
		Level 3	≥75				
Course Code	Exam	No. of Students appeared	No. of Students scoring more than 8/ 50 or 100 marks (in subjects)	% students	Attainment level	Weighted Score	Course Outcome attainment
PADARTH VIGYNAM	INT	99	99	100	3	0.2	3
	EXT	99	85	85.85	3	2.8	
SANSKRIT EVUM AYURVED ITIHAS	INT	99	99	100	3	0.15	3
	EXT	99	92	92.92	3	2.85	
KRIYA SHARIR	INT	99	99	100	3	0.2	3
	EXT	99	85	85.85	3	2.8	
RACHANA SHARIRA	INT	99	99	100	3	0.2	2
	EXT	99	68	68.68	2	1.8	
SAMHITA ADHYAYAN 1	INT	99	99	100	3	0.22	3
	EXT	99	85	85.85	3	2.78	

Below table shows verification of CO attainment:

Table 6: Verification of CO attainment 2022-23

2022-2024			
Course Code	Target Level	Course Outcomes Attainment	Verification/ Remarks
PADARTH VIGYNAM	1	3	-
SANSKRIT EVUM AYURVED ITIHAS	1	3	-
KRIYA SHARIR	1	3	-
RACHANA SHARIRA	1	2	-
SAMHITA ADHYAYAN 1	1	3	-

1.3. Attainment of Program Outcomes

1.3.1. Describe assessment tools and processes used for assessing the attainment of each PO.

The tools, process and frequency of assessment adopted for evaluating the attainment of the POs are detailed in Table 7

Table 7: Scheme for Internal assessment and End Year examination as well as the feedback analysis.

Assessment Method	Assessment tool	Aim	Assessment Frequency	Percentage Contribution	
Direct	Internal assessment	Assessing the understanding of the fundamental concepts and expression of the practical skills and knowledge gained	9 periodic and 2 term test	5 to 10%	80%
	University examination		Once after each one and half year	90% to 95%	
Indirect	Exit survey	To assess the contribution of the Program in the overall development of the graduates	Once in a year after graduation (Will start after completion of batch)	20%	100%
	Employer survey	To get the feedback from employers for the programme and overall performance of the students in the industrial working environment	Once in a year after placement/ after graduation (Will start after completion of batch)		
	Alumni survey	To assess the effectiveness of program for the career development and placement of the graduates	Once in a year from alumni (Will start after completion of batch)
