Subject: Request for Grant for Infrastructural Development of Swarnnim Startup and Innovation University.

Dear President/Director,

We are pleased to submit this proposal for a grant to support the infrastructural development of Swarnnim Startup and Innovation University (SSIU), an esteemed institution dedicated to fostering entrepreneurship, innovation, and research excellence.

About Swarnnim Startup and Innovation University (SSIU)

Swarnnim Startup and Innovation University established in 2017, is a unique institution aimed at creating an ecosystem that nurtures entrepreneurship and supports the development of transformative ideas. SSIU is managed by the G.P. Jain Charitable Trust, which has been at the forefront of fostering academic excellence and community-driven initiatives.

The vision of SSIU is to be globally competent institution imparting education based upon the foundation of innovation and entrepreneurship. With a strong emphasis on startup culture, the university focuses on providing both technical and business education, supported by a rich network of mentors, industry experts, and resources.

Objectives and Need for Infrastructural Development

The need for infrastructural development at SSIU is driven by the following objectives:

1. **Enhanced Learning Environment:** To provide our students with state-of-the-art facilities and a conducive environment for academic learning, creative thinking, and innovation.
2. **Startup Incubation Centers:** To expand our innovation labs and incubation centers that can accommodate a larger number of startup teams and foster collaboration with industry professionals.
3. **Research and Development Facilities:** To strengthen our research facilities with cutting-edge technology and equipment to encourage and support innovative research initiatives.
4. **Sustainability and Green Building Initiatives:** To create an eco-friendly campus with sustainable infrastructure that reflects the values of innovation and environmental responsibility.
5. **Student Amenities:** To enhance existing amenities, including classrooms, auditoriums, recreational spaces, and hostels, ensuring a holistic development for our students.

Grant Utilization

The requested grant will be utilized for the following infrastructural developments:

- **Expansion of Campus Infrastructure**
- **Building and equipping Innovation and Research Labs**
- **Establishment of a Startup Incubation Hub**
- **Sustainability and Green Building Projects**
- **Upgrading Classroom and Hostel Facilities**
- **Improvement of Student Amenities (sports facilities, recreation, etc.)**

Why This Grant is Important for SSIU's Growth

The infrastructural development will play a pivotal role in fulfilling the university's vision of becoming a leader in entrepreneurial education. By expanding our physical and academic infrastructure, we can provide more opportunities for innovation, allow for better access to resources for students, and foster a richer environment for startups to thrive. Moreover, we are confident that this growth will contribute significantly to the region's economy by creating more job opportunities, promoting research and development, and nurturing future business leaders.

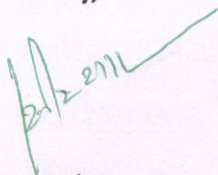

We believe that this grant will not only support the vision of Swarnnim Startup and Innovation University but will also contribute to the overall growth of the entrepreneurial ecosystem in India.

We kindly request your esteemed support in providing the necessary funding for these infrastructural improvements. The grant will directly contribute to building a solid foundation for the next generation of innovators, entrepreneurs, and leaders.

We look forward to discussing this proposal further and exploring how we can collaborate to build a brighter future for our students, the community, and the nation.

Thank you

Sincerely,

Provost/Vice chancellor

Subject: Sanction of Grant for Infrastructure Development of Swarnnim Startup and
Innovation University

Dear Sir/Madam,

I am pleased to inform you that the **VIVASVANNA EXPORT PVT LTD** has approved the grant for the infrastructure development of **Swarnnim Startup and Innovation University**. The details of the sanctioned grant are as follows:

1. Purpose of the Grant:

The grant is allocated for the development of infrastructure at University administrative Building within the university. This will include construction of new buildings, expansion of facilities, modernizing existing infrastructure, etc.

2. Total Sanctioned Amount:

The total grant amount approved is **Thirty Five Lacs Only (₹35000000)**.

3. Utilization of the Grant:

The grant amount must be used exclusively for the approved purpose. Any deviation from the proposed project requires prior approval from Funding Authority. The University must ensure proper utilization and documentation of the funds, and all expenditures must adhere to the Funding Authority's/University's financial regulations.

4. Monitoring and Evaluation:

The progress of the infrastructure development project will be periodically reviewed by the monitoring team from Funding Authority. You are requested to cooperate fully with the evaluators during this period.

We trust that the grant will contribute significantly to the enhancement of the infrastructure of **Swarnnim Startup and Innovation University**, furthering its educational goals.

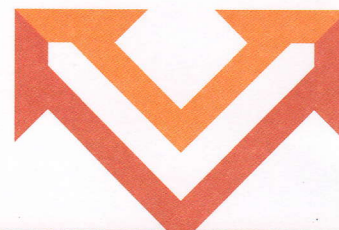

Yours faithfully,
