Prior to free health check up the college arranged a physiotherapy awareness rally in various village, where they were taught and made aware of the uses and benefit of Physiotherapy. The people in the village were quite happy and excited and on the day they came in a huge number for the treatment. The camp was led by the expert Dr. Heenabanu shekh where she pro-actively worked with all the volunteered students and treated more than 112 patients in a day. The free health check up camp was inaugurated by the academic director Dr. Hiren Kadikar and the principal of Venus institute of Physiotherapy Dr. Arvind Chauhan.

On the day Dr. Arvind Chauhan was very happy by the influx of patient and addressed the student that "People were very happy with the physiotherapy treatment and they promised to send more people to the college clinic." He added further "we still need to make people aware about the Physiotherapy treatment as still there is a huge number of people in a village they don't know much about the treatment. As this camp was successful we will organise more camp like this to make people aware and treat."

The feedbacks were taken by the patients and they were all happy and some has also blessed the students and the college management as well for this noble cause.
