Objective of the event:

World Tuberculosis Day, observed on 24 March each year, is designed to build public awareness about the global epidemic of tuberculosis (TB) and efforts to eliminate the disease. In 2018, 10 million people fell ill with TB, and 1.5 million died from the disease, mostly in low and middle-income countries. This also makes it the leading cause of death from an infectious disease. On occasion of World Tuberculosis Day, Department of Kayachikitsa, AAMCRI had organised screening camp and awareness programme at Dhamasana.

Flow of the event:

Camp was started at 10:00am by Dr.Binal Gondalia and Dr.Tushar Punse. Students of 4th year have done survey of the TB case. They had given informative & knowledgeable speech on Programmes & Policies of Tuberculosis.

Significance/Outcome:

55 plus patients had taken benefit of this camp.

Name and Type of Event/Activity	Camp at Bileshvarpura, Chhatral
Organized by:	Swarnim Start Up & Innovation University
Department	Venus Institute of Physiotherapy
No of Attender	02
No. Of Days	01 day

Brief outline addressed in the event:

The health care sector of Swarnnim start-up and innovation university had organised the free camp of health care at the village named Bileshwarpura near Chhatral on 28th December, 2022. The camp gave the benefit of all departments of health care sector that included Physiotherapy, Homoeopathy and Ayurveda.

The camp held at the gram-panchayat bhavan of Bileshwarpura village. All selected faculties went there in the college van along with some needed things on 10:30 AM. The announcements about the camp were made to allow all the needy people to come and get the needful treatment they wanted. The small awareness program were also conducted by various faculties to make the villagers aware about the treatment they are about to be received, general age related problems and their preventive measures. Dr. Chinmayi Gohel and Ajay Khant (Intern) went there to represent the Venus institute of physiotherapy. Patients with various conditions like Osteoarthritis of knee, Bell's palsy, Hemiplegia, Ulnar nerve radiculopathy, Cervical spondylosis, Lumbar spondylosis, sciatica etc. were treated there. The incidence of pathology in weight bearing joints were more in that village because there were more geriatric population than younger one. Incidence of trauma and optical problems were also more prominent there.

More than 50 patients were treated there for various conditions by physiotherapy department. The camp was ended on 12:30 PM on a great note. Many patients wanted to visit the Healthcare sector held in Bhoyan to get further treatment. Faculties of various department of healthcare sector had a great experience and learnt a lot by the camp and it was a great chance for student of getting exposed to this kind of various conditions to gain practical knowledge.

Name and Type of Event/Activity	Community awareness survey
Organized by:	Swarnim Start Up & Innovation University
Department	Venus institute of Physiotherapy
No of Attender	55
No. Of Days	01 day

Brief outline addressed in the event:

The physiotherapy department of healthcare sector of Swarnim start-up and innovation university had organised the Community awareness survey at the village named Moti Adaraj on 20th January, 2023. The Awareness camp was intended to spread the information about physiotherapy field.

All students prepared the paper charts on regards of awareness of physiotherapy. The day of survey was started at morning 9:30 A.M at the campus of Venus institute of physiotherapy, where displaying of all charts were done. The work of survey was divided among students. They all were guided by Dr. Nehansi Chauhan, Dr. Kosha Gor and Dr. Honey Panchal. Students of 1st and 2nd year were intended to spread awareness about physiotherapy and ergonomically correct treatments and students of 3rd year were suppose to do survey of what kind of pain and difficulties the villagers are facing. The proforma was filled out by the students based on the complains of villagers that included demographic details and pain assessment via body chart along with Numerical Pain Rating Scale (NPRS). Provisional diagnosis was done based on the brief assessment of patients. Approximate 100 numbers of proformas were filled up during the survey and huge amount of awareness were spread during the day. All villagers got an ergonomically correct advice and home-based exercise program.

At the end of the survey, we were being concluded that villagers were facing more occupation-based problems and pain in weight bearing joints as compare to others. Students enjoyed the survey and day ended on great note.

A large group of students, mostly in white uniforms, are seated on wide, red-painted stone steps outdoors. They are arranged in many rows, filling the frame. In the foreground, a man in a green polo shirt and dark trousers stands with his back to the camera, facing the students. The background is filled with lush green trees. The scene appears to be a school assembly or a group photo. In the bottom left corner, there is a small logo and text: 'OPPO A53s 5G', 'Dr. S. P. | Ahmedabad, Gujarat | 2022.07.06 13:22'.
