To,

The Provost,

Swarrnim Startup and Innovation University,

Gandhinagar- 322420

Subject: Commencement of Soft Skills and Training Classes

As the Diretor of the Training and Placement Department, I am writing to propose an initiative that will significantly enhance our students' employability and overall professional development. In today's competitive job market, technical skills alone are not sufficient. Employers increasingly seek candidates with strong skills—such as communication, teamwork, adaptability, and problem-solving abilities. To address this need, I recommend the introduction of Soft skills/ Quant/Verbal-training classes across all departments.

I kindly request your support in implementing this initiative. Let us work together to prepare our

Students' for success beyond academia.

Thank you for your attention to this matter.

Sincerely,

Mr. Vijayant Kumar

To,

The Provost,

Swarrnim Startup and Innovation University,

Gandhinagar- 322420

Subject: Commencement of Soft Skills and Training Classes

As the Manager of the Training and Placement Department, I am writing to propose an initiative that will significantly enhance our students' employability and overall professional development. In today's competitive job market, technical skills alone are not sufficient. Employers increasingly seek candidates with strong skills—such as communication, teamwork, adaptability, and problem-solving abilities. To address this need, I recommend the introduction of Soft skills/ Quant/Verbal-training classes across all departments.

I kindly request your support in implementing this initiative. Let us work together to prepare our

Students' for success beyond academia.

Thank you for your attention to this matter.

Sincerely,

Mr.Nimesh Dave

2.4 Workshop/Seminar

1. Name of Event: Seminar on "Blank Canvas: Mastering Cloze Tests".

Date of Event: 07/09/2021
Organized by: Training and Placement cell, Swarrnim Startup and Innovation University
Event Coordinator: Mr. Nimesh Dave
Objective: to make students aware about Improved Comprehension: Regular practice with Cloze Tests enhances reading comprehension by approximately 15%

Report:
The topic was introduced by the co-ordinator, also known as the cloze deletion test, is a valuable tool for assessing language comprehension. In this exercise, certain words are removed from a passage, and students must restore the missing words based on context and vocabulary.
How It Works

1. Cloze Text: The teacher provides a passage with gaps where words have been removed.
2. Student Task: Students fill in the blanks with appropriate words.
3. context Matters: Understanding context and analyzing the surrounding words are crucial for accurate completion.

How to Administer and Score

1. Administration:
    - Omit every 5th word, replacing it with a blank space.
    - Instruct students to write only one word in each blank.
    - Encourage guessing; misspellings are acceptable.
2. Scoring:
    - Students must restore the exact word in most cases.
    - Misspellings count as correct if the meaning is accurate.

Program Outcome: Through this seminar awareness Spread among students about Mastering the Cloze Test involves understanding context, recognizing grammatical clues, and practicing regularly. By honing these skills, students can excel in language comprehension

To,

The Provost,

Swarrnim Startup and Innovation University,

Gandhinagar- 322420

Subject: Commencement of Soft Skills and Training Classes

As the Manager of the Training and Placement Department, I am writing to propose an initiative that will significantly enhance our students' employability and overall professional development. In today's competitive job market, technical skills alone are not sufficient. Employers increasingly seek candidates with strong skills—such as communication, teamwork, adaptability, and problem-solving abilities. To address this need, I recommend the introduction of Soft skills/ Quant/Verbal-training classes across all departments.

I kindly request your support in implementing this initiative. Let us work together to prepare our

Students' for success beyond academia.

Thank you for your attention to this matter.

Sincerely,

Mr.Nimesh Dave

2.4 Workshop/Seminar/Webinar

1. **Name of Event: webinar report on "Adventures in Grammar: The Power of Stories" for management students.**

Date of Event: 07/08/2020

Organized by: Training and Placement cell, Swarrnim Startup and Innovation University

Event Coordinator: Mr.Nimish Dave

Topic Overview: In this webinar, we explore the dynamic relationship between grammar instruction and storytelling. By integrating narratives into language teaching, educators can enhance students' understanding and retention of grammatical concepts.

Key Points:

1. **Contextual Learning:** Stories provide context for grammar rules. When students encounter grammar within a narrative, they grasp its practical application more effectively.
2. **Memorable Examples:** Engaging stories create memorable examples of grammar in action. Participants learn through relatable scenarios rather than abstract rules.
3. **Motivation and Engagement:** Storytelling captures learners' interest. Grammar becomes an adventure, encouraging active participation and curiosity.
4. **Creative Exercises:** Use stories to design grammar exercises. For instance, analyze character dialogues, identify verb tenses, or rewrite sentences inspired by plot twists.
5. **Cultural Insights:** Stories offer cultural insights, exposing learners to diverse language patterns. Explore idiomatic expressions, regional variations, and historical context.

Outcome: "Adventures in Grammar" invites students to harness the power of stories, making grammar an exciting journey rather than a dry set of rules.

To,

The Provost,

Swarrnim Startup and Innovation University,

Gandhinagar- 322420

Subject: Commencement of Soft Skills and Training Classes

As the Manager of the Training and Placement Department, I am writing to propose an initiative that will significantly enhance our students' employability and overall professional development. In today's competitive job market, technical skills alone are not sufficient. Employers increasingly seek candidates with strong skills—such as communication, teamwork, adaptability, and problem-solving abilities. To address this need, I recommend the introduction of Soft skills/ Quant/Verbal-training classes across all departments.

I kindly request your support in implementing this initiative. Let us work together to prepare our

Students' for success beyond academia.

Thank you for your attention to this matter.

Sincerely,

Mr.Nimesh Dave

3. **Name of Event: Seminar on "Blank Canvas: Mastering Cloze Tests".**
   Date of Event: 07/11/2019
   Organized by: Training and Placement cell, Swarrnim Startup and Innovation University
   Event Coordinator: Mr.Nimish Dave
   Objective: to make students aware about Improved Comprehension: Regular practice with Cloze Tests enhances reading comprehension by approximately 15%

   Report:
   The topic was introduced by the co-ordinator, also known as the cloze deletion test, is a valuable tool for assessing language comprehension. In this exercise, certain words are removed from a passage, and students must restore the missing words based on context and vocabulary.
   How It Works

1. Cloze Text: The teacher provides a passage with gaps where words have been removed.
2. Student Task: Students fill in the blanks with appropriate words.
3. context Matters: Understanding context and analyzing the surrounding words are crucial for accurate completion.

How to Administer and Score

1. Administration:
   - Omit every 5th word, replacing it with a blank space.
   - Instruct students to write only one word in each blank.
   - Encourage guessing; misspellings are acceptable.
2. Scoring:
   - Students must restore the exact word in most cases.
   - Misspellings count as correct if the meaning is accurate.

Program Outcome: Through this seminar awareness Spread among students about Mastering the Cloze Test involves understanding context, recognizing grammatical clues, and practicing regularly. By honing these skills, students can excel in language comprehension

To,

The Provost,

Swarrnim Startup and Innovation University,

Gandhinagar- 322420

Subject: Commencement of Soft Skills and Training Classes

As the Manager of the Training and Placement Department, I am writing to propose an initiative that will significantly enhance our students' employability and overall professional development. In today's competitive job market, technical skills alone are not sufficient. Employers increasingly seek candidates with strong skills—such as communication, teamwork, adaptability, and problem-solving abilities. To address this need, I recommend the introduction of Soft skills/ Quant/Verbal-training classes across all departments.

I kindly request your support in implementing this initiative. Let us work together to prepare our students for success beyond academia.

Thank you for your attention to this matter.

Sincerely,

Mr.Nimesh Dave

2.4 Workshop/Seminar

1. **Name of Event: Workshop Report: Connecting Grammar to Real-World Contexts**

Date of Event: 07/09/2018
Organized by: Training and Placement cell, Swarrnim Startup and Innovation University
Event Coordinator: Mr.Nimish Dave
Objective:

1. Contextual Learning**:**

- Understand the importance of context in grammar instruction.
- Explore how real-world scenarios enhance students' grasp of grammar concepts.

2. Authentic Materials:

- Discuss using authentic texts (news articles, advertisements, social media posts) to teach grammar.
- Analyze how context-rich materials engage learners and promote deeper understanding.

3. Task-Based Activities**:**

- Design communicative tasks that integrate grammar.
- Participants collaborated on creating activities related to travel, shopping, job interviews, and more.

Workshop Highlights

1. Contextual Grammar Lessons

- Participants examined grammar rules within specific contexts (e.g., ordering food at a restaurant, writing emails).
- Examples included verb tenses in travel narratives and prepositions in directions.

2. Real-Life Scenarios

- Authentic dialogues and role-playing exercises allowed participants to apply grammar rules.
- Participants practiced negotiating prices, making recommendations, and expressing opinions.

3. Technology Integration

- Explore digital tools (language apps, podcasts, online news) that provide real-world language input.
- Discuss how learners can engage with these resources to reinforce grammar skills.

4. Error Analysis

- Participants analyzed authentic texts for common errors.
- Emphasis on identifying patterns and discussing why certain structures are used.

Conclusion

The workshop highlighted the symbiotic relationship between grammar and context. By connecting grammar to real-world situations, educators empower learners to use language authentically. As we bridge theory and practice, grammar becomes a dynamic and purposeful aspect of language learning.

2. **Name of Event: Workshop "Connecting Grammar to Real-World Contexts"**

Date of Event: 14/10/2018
Organized by: Training and Placement cell, Swarrnim Startup and Innovation University
Event Coordinator: Mr. Nimish Dave

The workshop, organized by the Training and Placement Cell at Swarrnim Startup and Innovation University, focused on the symbiotic relationship between grammar instruction and real-world contexts. Key highlights included:

1. **Contextual Grammar Lessons:**
    - Participants explored grammar rules within specific contexts (e.g., ordering food at a restaurant, writing emails).
    - Examples covered verb tenses in travel narratives and prepositions in directions.
2. **Real-Life Scenarios:**
    - Authentic dialogues and role-playing exercises allowed participants to apply grammar rules.
    - Topics included negotiating prices, making recommendations, and expressing opinions.
3. **Technology Integration:**
    - Participants discussed digital tools (language apps, podcasts, online news) for real-world language input.
    - Emphasis was on reinforcing grammar skills through these resources.
4. **Error Analysis:**
    - Authentic texts were analyzed for common errors, focusing on patterns and usage.

Outcome: The program outcomes highlighted meaningful learning, learner engagement, and teacher adaptability. Grammar, beyond rules, became a dynamic tool for effective communication.

3. **Name of Event: a seminar on "Navigating Voice: A Comparative Study of Active and Passive Voice"**

   Date of Event: 09/11/2018
   Organized by: Training and Placement cell, Swarrnim Startup and Innovation University
   Event Coordinator: Mr.Nimish Dave

Active Voice

In active voice, the subject of the sentence **performs** the action expressed by the verb. For example:

- **Active Voice:** Jerry knocked over the lamp.

Passive Voice

In passive voice, the subject **receives** the action. It's often formed with a linking verb (e.g., "was," "had been") followed by the past participle of the verb. For example:

- **Passive Voice:** The lamp was knocked over by Jerry.

Usefulness of Passive Voice

- **Emphasizing Action:** Passive voice emphasizes the fact that an action has taken place, rather than focusing on who performed it.
- **Unknown Agent:** It's helpful when the doer of an action (the agent) is unknown.
  - Example: "The kitchen has been cleaned."
- **News Coverage:** In news headlines, passive voice succinctly conveys known information.
  - Example: "Man Attacked on Elm Street."
