To,

The Provost,

Swarrnim Startup and Innovation University,

Gandhinagar- 322420

Subject: Commencement of Soft Skills and Training Classes

As the Manager of the Training and Placement Department, I am writing to propose an initiative that will significantly enhance our students' employability and overall professional development. In today's competitive job market, technical skills alone are not sufficient. Employers increasingly seek candidates with strong skills—such as communication, teamwork, adaptability, and problem-solving abilities. To address this need, I recommend the introduction of Soft skills/ Quant/Verbal-training classes across all departments.

I kindly request your support in implementing this initiative. Let us work together to prepare our

Students' for success beyond academia.

Thank you for your attention to this matter.

Sincerely,

Mr.Nimesh Dave

Manager,

Training and Placement Department

2.4 Workshop/Seminar/Webinar

1. **Name of Event: webinar report on "Adventures in Grammar: The Power of Stories" for management students.**

Date of Event: 07/08/2020
Organized by: Training and Placement cell, Swarrnim Startup and Innovation University
Event Coordinator: Mr.Nimish Dave
Topic Overview: In this webinar, we explore the dynamic relationship between grammar instruction and storytelling. By integrating narratives into language teaching, educators can enhance students' understanding and retention of grammatical concepts.
Key Points:

1. **Contextual Learning:** Stories provide context for grammar rules. When students encounter grammar within a narrative, they grasp its practical application more effectively.
2. **Memorable Examples:** Engaging stories create memorable examples of grammar in action. Participants learn through relatable scenarios rather than abstract rules.
3. **Motivation and Engagement:** Storytelling captures learners' interest. Grammar becomes an adventure, encouraging active participation and curiosity.
4. **Creative Exercises:** Use stories to design grammar exercises. For instance, analyze character dialogues, identify verb tenses, or rewrite sentences inspired by plot twists.
5. **Cultural Insights:** Stories offer cultural insights, exposing learners to diverse language patterns. Explore idiomatic expressions, regional variations, and historical context.

Outcome: "Adventures in Grammar" invites students to harness the power of stories, making grammar an exciting journey rather than a dry set of rules.
