Subject: Commencement of Soft Skills and Training Classes

As the Director of the Training and Placement Department, I am writing to propose an initiative that will significantly enhance our students' employability and overall professional development.

In today's competitive job market, technical skills alone are not sufficient. Employers increasingly seek candidates with strong skills—such as communication, teamwork, adaptability, and problem-solving abilities. To address this need, I recommend the introduction of Soft skills/Quant/Verbal- training classes across all departments.

I kindly request your support in implementing this initiative. Let us work together to prepare our students for success beyond academia.

Thank you for your attention to this matter.

Sincerely,

Training and Placement Cell

To,
The Provost
Swarrnim Startup and Innovation University,

Subject: Commencement of Soft Skills and Training Classes

As the Manager of the Training and Placement Department, I am writing to propose an initiative that will significantly enhance our students' employability and overall professional development.

In today's competitive job market, technical skills alone are not sufficient. Employers increasingly seek candidates with strong skills—such as communication, teamwork, adaptability, and problem-solving abilities. To address this need, I recommend the introduction of Soft skills/Quant/Verbal- training classes across all departments.

I kindly request your support in implementing this initiative. Let us work together to prepare our students for success beyond academia.

Thank you for your attention to this matter.

Sincerely,
Training and Placement Cell

Subject: Commencement of Soft Skills and Training Classes

As the Manager of the Training and Placement Department, I am writing to propose an initiative that will significantly enhance our students' employability and overall professional development.

In today's competitive job market, technical skills alone are not sufficient. Employers increasingly seek candidates with strong skills—such as communication, teamwork, adaptability, and problem-solving abilities. To address this need, I recommend the introduction of Soft skills/Quant/Verbal- training classes across all departments.

I kindly request your support in implementing this initiative. Let us work together to prepare our students for success beyond academia.

Thank you for your attention to this matter.

Sincerely,

Mr.Nimesh Dave

Subject: Commencement of Soft Skills and Training Classes
As the Manager of the Training and Placement Department, I am writing to propose an initiative that will significantly enhance our students' employability and overall professional development.
In today's competitive job market, technical skills alone are not sufficient. Employers increasingly seek candidates with strong skills—such as communication, teamwork, adaptability, and problem-solving abilities. To address this need, I recommend the introduction of Soft skills/Quant/Verbal- training classes across all departments.
I kindly request your support in implementing this initiative. Let us work together to prepare our students for success beyond academia.

Thank you for your attention to this matter.

Sincerely,

Mr.Nimesh Dave

To,
The Provost,
Swarrnim Startup and Innovation University,
Gandhinagar- 322420

Subject: Commencement of Soft Skills and Training Classes
As the Manager of the Training and Placement Department, I am writing to propose an initiative that will significantly enhance our students' employability and overall professional development.
In today's competitive job market, technical skills alone are not sufficient. Employers increasingly seek candidates with strong skills—such as communication, teamwork, adaptability, and problem-solving abilities. To address this need, I recommend the introduction of Soft skills/Quant/Verbal- training classes across all departments.
I kindly request your support in implementing this initiative. Let us work together to prepare our students for success beyond academia.

Thank you for your attention to this matter.

Sincerely,
Training and Placement Cell
