Training and Placement Department

Date: 16/7/2018

To,

The Provost,

Swarnnim Startup and Innovation University,
Gandhinagar- 322420

Subject: Commencement of Soft Skills and Training Classes

As the Manager of the Training and Placement Department, I am writing to propose an initiative that will significantly enhance our students' employability and overall professional development.

In today's competitive job market, technical skills alone are not sufficient. Employers increasingly seek candidates with strong skills—such as communication, teamwork, adaptability, and problem-solving abilities. To address this need, I recommend the introduction of Softskills/Quant/Verbal- training classes across all departments.

I kindly request your support in implementing this initiative. Let us work together to prepare our students for success beyond academia.

Thank you for your attention to this matter.

“A workshop on Leadership and Team Building.”

Date of Event: 21/11/2018

Organized by: Training and Placement cell

Event Coordinator: Mr.Nimesh Dave

Objective: To inculcate the habit of taking initiative and participate in challenging activities through creative and innovative ideas.

Report: The 2 hrs session was conducted for the final year students from the **School of Management & Commerce** to teach the students on how they can build leadership qualities in them. Through various corporate case studies and the failure stories of billionaires, a clear picture was shown to them on how the qualities of a great team leader can lead them to achieve success at their present work as well as in their future endeavours. The sole aim was to make each student ready to take initiatives and walk on those challenging path on which none have gone.

Program Outcome:. At the end of the session students were quite excited as they found a new energy within them leading a team which was a fobia for the students was now an opportunity for them. Students participated in various group activities and proved their teamwork and leadership qualities. This workshop acted as a mile stone for the final year students. They seem to be very confident to take up any challenging role in the corporate.
