

# Academic Year 2020-2021

Date: 03/08/2020

To,

The Provost, Swarrnim Startup and Innovation University, Gandhinagar- 322420

**Subject: Commencement of Soft Skills and Training Classes** 

As the Manager of the Training and Placement Department, I am writing to propose an initiative that will significantly enhance our student's employability and overall professional development.

In today's competitive job market, technical skills alone are not sufficient. Employers increasingly seek candidates with strong skills—such as communication, teamwork, adaptability, and problem-solving abilities. To address this need, I recommend the introduction of Soft Skills training classes across all departments.

I kindly request your support in implementing this initiative. Let us work together to prepare our students for success beyond academia.

Thank you for your attention to this matter.

Sincerely,

Mr. Vijayant Kumar Director, Training and Placement Department Swarrnim Startup and Innovation University
