SWARNNIM FUN DAYS

SOP of program:

A "Fun days" in Swarnnim Start-up and innovation University is typically an organized week-long event that includes a range of entertaining activities, games, competitions, and performances. The following is a standard operating procedure (SOP) for organizing a "Fun Days" in college:

Define the Purpose and Objectives: The first step is to define the purpose and objectives of the "Fun Week" event. These could include promoting campus spirit, fostering student engagement, and creating a fun and entertaining atmosphere for students.

Form a committee: A council is formed to organize the event. The committee includes students, faculty, and staff members who are passionate about creating a memorable experience for everyone.

Plan the Activities: The committee should brainstorm and plan a variety of activities and events for the week. These could include outdoor games, sports tournaments, music and dance performances, talent shows, cultural events, and more.

Advertise the Event: The committee should promote the "Fun Week" event to students and staff members through posters and social medias.

Organize Volunteers: Volunteers should be recruited to help with the event. They can help with setting up and cleaning up, coordinating the activities, and ensuring the safety of participants.

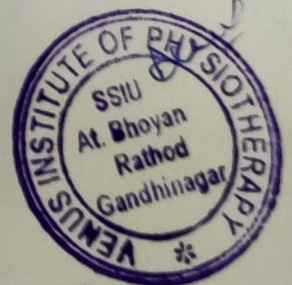

Evaluate the Event: After the "Fun Week" event, the committee should evaluate the event's success and gather feedback from participants. This feedback can be used to improve future events and ensure that the next "Fun Week" is even more entertaining and enjoyable.

Janmashtami is a popular Hindu festival celebrated in India and around the world to commemorate the birth of Lord Krishna, who is considered the eighth avatar of Lord Vishnu. This festival typically falls in the month of August or September, depending on the Hindu lunar calendar.

Swarnnim university celebrated this festival on 6th September at college central plaza. On this day everyone was wearing traditional clothes. Event started at 2.00 pm onwards which lasted till 4.00pm

We organized pooja, singing, dancing and drama performances of Radhe Krishna. Then we broke Matki by creating a big pyramid. And our faculty members also broke Matki by stick which was so much fun to do. Then we successfully ended the event by giving Prasad to all the participants and guests.
