PARENTS FEEBACK ANALYSIS

Observations based on the Parent Feedback Questionnaire response

1. Parents agree that Methods of evaluation are effective and transparent (Internal and University exam grading system)
2. Parents agree that curriculum facilitates the overall holistic development of the student.
3. Parents opine that they Do not have adequate information about the curriculum/ syllabus of the program where you ward is enrolled.
4. Parents disagree to the Relevance of the courses in inculcating lifelong learning and human ethics/values.

Suggestions received from parents

1. Hospital postings should be given to the students from the beginning.
2. Expert lectures should be arranged for more information on the topic.
3. Continuous evaluation must be carried out.
4. Examination results should be shared in the Parents group.
5. Attention should be given to each student.
6. Syllabus must be shared with Parents.

Suggested action:

1. Dissection and physiology practical will be done by each student to be suggested in BOS 2019-20.
2. Continuous evaluation will be carried out on each subject on monthly basis to be suggested in BOS 2019-20.
3. Evaluation results will be shared on regular basis in parents Whats App group.
4. Hospital posting shall be made according to the syllabus.
5. Expert lectures will be arranged on certain topics.
6. Syllabus will be shared in parents Whats App group.
