Action Taken Report on Alumni Feedback 2020-21

➤ Observations Based on the Alumni Feedback Questionnaire responses

1. **Q.7 Lowest - Soft skills training prepares you for placements** -Alumni disagree that the While soft skills training might be helpful, it didn't significantly impact for their placement process.

2. **Q.2 highest- (Q.2) Syllabus The course has good balance between theory and application-** Alumni agree that overall syllabus content is suitable and course has good balance between theory and application.

➤ Suggestion received from Alumni Members

1. More emphasis on real-life case studies, mock interviews, and role-playing would have provided a clearer understanding of how to apply soft skills in a professional environment.
2. Enhanced Communication Skills.
3. While the training was beneficial, some alumni felt that the skills taught were too generic and not directly aligned with the specific demands of certain industries.
4. Including sessions on networking and professional relationship-building would have been valuable, as this is often key to securing placements.
5. Added more value added courses

➤ Suggested action:

1. Add real-life case studies, mock interviews, and role-playing to improve the practical application of soft skills.
2. Customize soft skills training to meet the specific needs of various industries.
3. Provide focused sessions on verbal and non-verbal communication to enhance interview performance.
4. Introduce sessions on networking and relationship-building to help students secure placements.
5. Offer additional certifications in areas like emotional intelligence, leadership, and time management to boost overall readiness.
