Suggestion received from Parents Members

1. Teaching should be focussed on analytical and problem solving skills.
2. Few extra tasks other than curriculum must be given to students for developing their logical mind and problem solving ability
3. Parents give suggestion regarding time deduction for college

 Principal
 Aarihant Institute of Nursing
 Bhoyan Rathod, Gandhinagar.

Suggested action:

1. Plan some extracurricular activities for overall development of students.
2. Discussion in Inter-Department meeting on giving some more hours for skill development activities.
3. Will discuss with management for the timing of college
