PARENTS FEEBACK ANALYSIS

Observations based on the parent Feedback Questionnaire response

1. Parents agree that the subjects studied are relevant to the course.
2. Parents agree that Curriculum facilitates the overall holistic development of the student
3. Parents disagree that they have adequate information about the curriculum/ syllabus of the program where their ward is enrolled.
4. Parents disagree that the curriculum is effective in developing analytical and problem-solving skills in their ward.

Suggestions received from Parents

1. Hands-on training should be imparted to students to make them skilled.
2. Analytical and problem-solving thinking of students must be enhanced.
3. Syllabus should be shared with parents.
4. Preparation of drugs should be taught to students to enhance entrepreneurial skills.
5. More number of books should be available in Library for reference.
6. Use of digital Library must be increased.
7. Steps should be taken for the improvement of slow learning students.

Suggested action:

1. Preparation of Ayurvedic drugs with special focus on standardization will be made Suggested in BOS 2020-21.
2. Remedial sessions will be conducted for slow learners suggested in BOS 2020-21.
3. Applied aspect of dravyaguna will be taken suggested in BOS 2020-21.
4. Syllabus will be shared on Parents whats app group.
5. Result of continuous evaluation will be shared in Whats App group.
6. Analytical thinking of students to be enhanced by taking case based study.
