10	0	0	9	20	24

Observations based on the Parent's Feedback Questionnaire responses:

1. Parents agree that Curriculum has good mix of fundamental topics and latest technology relevant to that topic
2. Parents agree that Methods of evaluation are effective and transparent (Internal and University exam grading system)
3. Parents disagree that Curriculum facilitates the overall holistic development of the student

Suggestions received from Parents:

1. Need Continuous Evaluation & Feedback
2. Arrange soft skills like communication, teamwork, and leadership through workshops
3. Arrange extra classes for weak students
4. Request for more partnerships with companies and industries for live projects
5. Real-world problem-solving experiences that can bridge the gap between theoretical knowledge and practical application
6. Add Problem-Solving & Critical Thinking
7. Give some more assignment
8. Students have problem in online teaching
9. Problem solving session

Suggested Action:

1. Will give Project work to advance learners of Problem-Solving & Critical Thinking
2. More focus to slow learner students
3. Will organize more guest lecture/seminar/workshops to all students.
4. Compulsory students have project in last semester
5. Give live project of industry to Final year students
6. Will do MOU with industry so that Real-world problem-solving experiences that can bridge the gap between theoretical knowledge and practical application
7. Share some more teaching video in details according to syllabus topics
8. Arrange workshop for soft skills like communication, teamwork, and leadership
9. Arrange slow learner classes from Monday to Friday 4:00 pm to 5:00pm and Saturday from 9:00am to 5:00pm
