12	0	0	81	67	184
13	0	111	67	37	117
14	0	48	73	167	44

Observations based on the Student Feedback Questionnaire responses:

1. Students agree Performance of Value-added courses and Domain specific electives
2. Students disagree for Soft skills training prepares you for placements

Suggestions received from Students:

1. More exposure to museums and art gallery
2. 1 to 2 RSP per semester
3. Sports/yoga session required
4. Some fun activities with faculties

Suggested Action:

1. More MOU will do so that students have benefits of real-world problem
2. Will update Curriculum so that the syllabus has been revised to include cutting-edge technologies like AI, software's etc. Regular industry input is now part of the curriculum development process.
