## **FACULTY FEEDBACK ANALYSIS**

### **Observation Based on the faculty Feedback Questionnaire responses**

10. Faculty agrees that the Syllabus is suitable to the course
11. Faculty agrees that the course/syllabus of this course increased their knowledge and perspective in the subject area.
12. Faculty agrees that they are able to achieve the minimum required course outcome attainment level for my class.
13. Faculty disagrees that there are Sufficient number of relevant reading materials and digital resources are available in the Library.
14. Faculty disagrees that the course has good balance between theory and application.

### **Suggestion received from Faculty Members**

1. Research activities for the students must be made mandatory for the completion of the course.
2. More focus should be made on clinical and applied part of syllabus.
3. Library must be upgraded with more number of Pubmed and Scopus Journals.
4. More number of Digital journals must be subscribed by the Institute.
5. Number of camps must be increased.
6. Innovation and Entrepreneurship must be added to enhance entrepreneurial skills.

### **Suggested action**

1. Hospital postings must be made and number of camps must be increased to be added in BOS 2021-22.
2. Residential camps must be planned in BOS 2021-22.
3. Innovation and Entrepreneurship must be added as a subject in BOS 2021-22.
4. Subscription to peer reviewed journals.
5. Research activities should be incorporated in the syllabus.
6. Application based teaching methods to be incorporated in BOS 2021-22.
