# CORPORATE FEEDBACK ANALYSIS

## Observations based on the Corporate Feedback Questionnaire response

1. Corporate agree that the Relevance of the courses in inculcating lifelong learning and human ethics/values
2. Corporate agree that the Curriculum has good mix of fundamental topics and latest technology relevant to that topic
3. Corporate agree that the Performance of Value-added courses and Domain specific electives is excellent.
4. Corporate disagree that the Curriculum facilitates the overall holistic development of the student.

## Suggestions received from corporate

1. Course should incorporate Soft skills and English as a part of curriculum.
2. More exposure with patients should be given to students.
3. Holistic development should be the main aim of the Institute.
4. Co-curricular activities should be made more interactive to enhance communicative skills.
5. Innovation skills of the students must be worked up.

## Suggested action:

1. Innovation and entrepreneurship will be taught 3 lectures per week to enhance the innovative and entrepreneurial skills, BOS 2022-23.
2. Curricular and extracurricular activities will be carried out throughout the year, BOS 2023-24.
3. Soft skills training will be imparted to the students.
4. It is instructed to the debarments to focus on all round development of students and incorporate value added courses for the same.
