➤ **Suggestion received from Corporates Members**

1. More of Pharmacy knowledge is required
2. Include Subject having basic knowledge about medicines
3. Pay attention to environmental issue and add it
4. Design the Practicals as per the need of industries.
5. Add Practical Skills/Soft Skills.
6. Add new software of C-Language.

➤ **Suggested action:**

1. We will add Pharmaceuticals Content and medicinal content in course.
2. We will value added course for C-language programming for mathematical students.
3. We will try to add more practical content.
4. We will aware students about environment by arrange activities and awareness programs.
5. We will give more focus on development of practical and soft skills in every student so they can ready to serve the industries more impactfully.
