13	1	6	10	193	49
14	0	20	57	169	13

Observations Based on the Students Feedback Questionnaire responses

1. Students believe that the allocation of credit and teaching hours for the course is excellent.
2. Students believe that the mixture of fundamental topics and the latest technology relevant to that topic in the curriculum was okay.
3. Students believe that the case study presented is totally applicable to the curriculum.
4. Students believe that the curriculum developed their analytical and problem solving skills very efficiently

Suggestion received from Students Members

1. Curriculum must be updated from time to time including current scenario topics.

2. Teaching methods should be updated using the latest technological developments.

Principal
Aarihant Institute of Nursing
Bhoyan Rathod, Gandhinagar.

Suggested action:

1. Will discuss in the BOS 2023-2024 meeting for necessary updates in curriculum.
2. Will try to install the latest up to date software's and equipment which will provide better understanding to students.
