## Action Taken Report on Alumni Feedback 2023-24

### ➤ Observations Based on the Alumni Feedback Questionnaire responses

#### 1. Q.8 Lowest - The courses taught enhances your entrepreneurship skills

-Alumni disagree that The courses offered some basic insights, but they didn't significantly enhance my entrepreneurship skills.

#### 2. Q.4 highest- (Q.4) Syllabus Effectiveness of curriculum in developing analytical and problem-solving skills

Alumni agree that overall Syllabus is useful and effective in developing analytical and problem-solving skills

### Suggestion received from Alumni Members

1. Access to mentors who are successful entrepreneurs would greatly enhance our learning and provide valuable insights into building a business.
2. Organizing networking events with industry professionals and entrepreneurs would help students build connections that are crucial for launching their ventures.
3. Focused Curriculum on Business Skills.
4. Providing information on available resources, grants, and funding options for start-up would be beneficial for aspiring entrepreneurs.
5. Innovation and Creativity Training

### ➤ Suggested action:

1. Create a mentorship program that connects students with successful entrepreneurs for guidance and practical insights into building and managing a business.
2. Host Networking Events.
3. Develop a Business Skills Curriculum.
4. Offer workshops or seminars that provide information on available resources, grants, and funding opportunities for students interested in starting their own businesses.
5. Offer workshops or seminars that provide information on available resources, grants, and funding opportunities for students interested in starting their own businesses.
6. Introduce courses or workshops dedicated to fostering innovation and creativity, encouraging students to develop and pitch unique business ideas.
