### Action Taken Report on Faculty Feedback 2023-24

➤ **Observations Based on the Faculty Feedback Questionnaire responses**

1. Q.3 Lowest - The course has good balance between theory and application -Faculty disagree about balance between theory and application.

2. Q.2 highest-Course content is followed by corresponding reference books/materials- Faculty agree that Course content is followed by corresponding reference books/materials.

➤ **Suggestion received from Faculty Members**

1. Course content should be more precisely.
2. Add elective subjects based on chemistry
3. Green chemistry should be teaching
4. Change the content and it should be more specific to Title of the subject
5. Start value added courses based on Biotechnology.

➤ **Suggested action:**

1. We added Green chemistry as a common subject.
2. We changed name of the subjects based on the content.
3. We start value added courses based on biotechnology.
