STUDENT FEEDBACK ANALYSIS

Observations bases on the Student Feedback Questionnaire response

1. Students agree with Performance of Value-added courses and Domain specific electives
2. Students agree that the curriculum has a comprehensive methodology for evaluation (like quiz, assignment, presentation, projects, case studies etc.)
3. Students agree to the Relevancy/Sufficiency of the courses being taught
4. Students disagree to the allocation of credit and teaching hours for the course
5. Students disagree that the curriculum facilitates the overall holistic development of the student.

Suggestions received from students

1. Balance should be there in practical and theory.
2. Credit allocation and teaching hours should be matched it is disproportionate.
3. Internal examinations should be reduced in number.
4. Value added course must be added on Kriya kalpa, skin disorders, ECG, Beauty care in Ayurveda.
5. Orientation on how to conduct Research work must be included.
6. Practicals related to the Methods of drug standardization must be included.
7. Extra curricular activities related to the course must be carried out.
8. Faculties must be encouraged to lower the pace, as we are not able to catch up.

Suggested action:

1. Value added course unscheduled must be added on Kriya Kalpa in Eye Disorders, Panchkarma in Skin disorders, EGG, Beauty care in Ayurveda, and Pain management in Ayurveda in the year 2023-24.
2. Research is included as a subject in final year.
3. Ayurvedic drugs standardization will be taught, BOS 2023-24.
4. Specific activities pertaining to analytical thinking will be included and carried out, BOS 2023-24.
5. Syllabus and examination schedule must be sent on Students Whats App group.
6. Upcoming Seminars and Workshops should be notified on Students Whats App Group.
7. Faculties must be instructed to go at a medium pace so that everyone understands the topics.
8. Faculties are instructed to complete the syllabus on stipulated time, mentioned in the academic calender.
