Vocational and skill oriented subjects needs to be introduced  
More internships and field trips to be planned for enhancing field based knowledge.  
Internal marking pattern to be modified.

Vocational and skill oriented subjects needs to be introduced

Appropriate reference books and research articles to be suggested for apt information and should be made.

Extra learning hours to be scheduled for mentoring slow learners.

Value based courses and programs to be included in the curriculum for overall development.

Students should be encouraged to do more research work.

Modify and incorporate new topics in the syllabus which are more relevant in today's world in Technology and innovation to be made part of the curriculum as per the need of the hour.
