

VALUE ADDED COURSE

COURSE NAME	RESPECTFUL MATERNITYCARE
COURSE CODE	NA
DURATION	30

Course Description

This course is designed to bring awareness raising, information sharing and motivation-building for respectful maternity care (RMC).

Participants will begin to change and develop RMC attitudes in themselves, and learn how to facilitate the implementation of RMC in their workplaces and among colleagues who also provide care to women and their newborns. This course is offered to the final year UG students and staff nurses.

Objectives

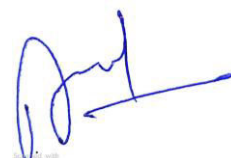

- To raise awareness of common abusive and disrespectful practices and attitudes in the care of mother and newborns
- To understand the categories of RMC
- To explain about abuse and disrespect of mothers and newborns
- To promote the need for RMC
- To establish the rights of women in child bearing women.

Time Allotted:

Theory : 25 hours

Practical : 05 hours

Total Hours : 30 hours
