Study program report for architecture students exploring Mandu, Madhya Pradesh, delves into the rich historical and architectural heritage of this ancient city. Mandu's captivating monuments, such as the Jahaz Mahal, Hoshang Shah's Tomb, and Rani Roopmati's Tomb, showcase a blend of Afghan and Hindu architectural styles. Students analyze the city's urban planning, fortifications, and water management systems, offering insights into medieval Indian architecture. They examine the intricate carvings, geometric patterns, and structural innovations that define Mandu's edifices. This study program provides a comprehensive understanding of Mandu's cultural significance and its influence on architectural evolution in India.

## STARTUP & INNOVATION UNIVERSITY

### Institute of Design and Planning

#### Workshop – Design and It Education

**Coordinator:** Chirdeep Vibhakar  
**Faculty Assistant:** Prof. Jatin Patel  
**Moderated by:** Prof. Jatin Patel  
**Date:** 17/10/2023  
**Time:** 11:00 AM  
**Total Number of Students:** 46

#### Details of the Workshop

Design education in IT merges creativity with technology, fostering innovation and problem-solving. It equips students with skills in UI/UX, graphic design, and digital media, essential for modern tech landscapes. This blend enhances user experiences and drives technological advancements, preparing graduates for dynamic, interdisciplinary roles.

#### Objective

The objective of the Design and IT Education Workshop is to equip participants with foundational skills in integrating design principles with IT applications. Attendees will learn to create user-centered designs, understand UI/UX concepts, and apply digital tools effectively, fostering innovation and enhancing their ability to solve real-world technological challenges.

#### Significance

The significance of the Design and IT Education Workshop lies in its ability to bridge the gap between creativity and technology. By combining design principles with IT skills, participants gain a holistic understanding of user experience and digital innovation. This integration is crucial for developing solutions that are both functional and aesthetically pleasing, driving advancements in technology and improving user interactions.

## About the Event

The faculties of Swarnnim Institute of Designs, SSIU were invited to present the academic work and academic partnership and collaboration which was shared between Mill Owners Building and semester 5 students/Architecture, Swarnnim Institute of Designs. The presentation was made to Mr. Chandler McCoy, Senior Project Specialist, The Getty Conservation Institute, Los Angeles, USA which is a world renowned organization.

It was a great privilege for us to be able to participate and present on a platform provided by Mill Owners Building, ATMA. The presentation was regarding the role of academia and its role in

forming a constituency of Stakeholders to be responsible and sensitive towards Modern Heritage Buildings of Ahmedabad.

The initiative of semester -5/Architecture conducted by Prof. Akshay Anand and Prof. Mahek Kotecha, Swarnim Institute of Design was to take architectural education outside the campus and identify modern heritage buildings in Ahmedabad and formulate design studio problems and project around it, taking in consideration the present issues of the building which is faced as a result of constantly changing context (historical, economic and physical).

### **About the Collaboration:**

The institutional collaboration between Swarnim Institute of Design and Mill Owners Building (MoB) provided an academic platform to semester-V (Institutional Design) architectural students to understand and study the building throughout the semester honoring the prescribed protocols of Mill Owner's Building. During the collaboration, MoB hosted our students, provide platform for forums, discussions and jury with other eminent academia from other schools as well giving valuable exposure to students as well to Swarnim School of Design. To formally initiate the programme, Shri. Abhinava Shukla, General Secretary, Mill Owners Building, was invited to our campus and Swarnim Institute of Designs to enlighten other students as well in

his personal journey towards preserving modern architectural heritage and the role of architectural schools as important stakeholders.

## ‘Adhigam 18’

'Adhigam ' which means **art of acquiring Knowledge** is an event organised and hosted by School of Design,SSIU every year during winter session from last two years as an initiative focusing on the workshops as

an extra curricular activities which motivates and enhances the practical knowledge of the students.

This year with the workshop it includes **Exhibition** and **Cultural Evening**, displaying the work of the school.

### **Exhibition:**

The exhibitions is important as an educational tool for both voluntary visitors and students.

**Exhibition** exhibits the Journey of School of Design which includes projects, RSP and products which students have learned, usually as a way of demonstrating in the design education. They have achieved expected learning standards and learning objectives .

### **Cultural Evening:**

In the field of Design, along with theoretical knowledge practical knowledge plays a vital role. Hence, as a part of extra curriculum activities for the student's development every year workshops shall be organised where students get an exposure to practical knowledge. The colleges delivering and maintaining high educational standards they normally follow such practices for the students, along with this **College Cultural Fest** create a significant moment in every student's life. festival is an endeavour to provide a platform to all individuals to showcase their skills and develop their potential via arts, sports, music, dance, drama, debate or fashion.
