Institute Vision, Mission and Quality Policy

Pledge: Using resources wisely, building trust, Dignity & Respect. Creating an inclusive and compassionate environment for all people.

Tolerance: Demonstrating excellence to all we do.

Our Quality Policy: We intend to continuously enhance performance of our Institute through: Functioning in a structured, organized & coordinated manner. Being conscious about our responsibilities and authorities at formal & informal levels. Taking every possible initiative step in the role assigned.

Our Values: We value:
• Each member of our faculty and staff as a trustworthy and capable learning leader, able to take evidence-based initiatives to achieve our goal of learning for competence at all times, in all things, and in all places.
• Each student by promoting their personal success, high academic standards, a love of learning, and social responsibility.
• The ongoing professional development of each member of our college community.
• The potential of each person to learn.
• Planning skills that enable faculty and students to achieve personal, career, and educational goals.
• Demonstrating respect, and supportively collegial culture.
• Having professional relationships between all faculty and staff.
• A respect for diversity and the learning support.
• To do research in collaboration with various institutions.
• The purposeful use of technology and other resources.
• Academic, professional, and personal integrity.
