GENDER SENSITIZATION ACTION PLAN

INTERNAL COMPLAINTS COMMITTEE

SWARNNIM STARTUP AND INNOVATION UNIVERSITY

BHOYAN RATHOD, GANDHINAGAR, GUJARAT

We at Swarnnim Startup and Innovation University believe in women's empowerment and gender equality. Issues related to women are given the utmost priority. We believe in giving healthy environment at our university without any gender biasness and discrimination and have a zero-tolerance policy against gender discrimination and sexual harassment.

Every year, the Internal Complaints Committee of Swarnnim Startup and Innovation University, Gandhinagar organizes various events and workshops promoting sensitization of gender equality concerns. The workshop like these help students in understanding their personal attitudes and questioning the realities of all sexes. It helps in exploring the various gender related assumptions which are stereotyped since years. Need of gender sensitization is to create awareness among the youngsters about the importance of gender sensitivity. It also promotes behaviour modification and fosters empathy by increasing awareness of gender equality issues and encouraging us to reflect on our own and others' gender perspectives.
