Objective of the event:

The International Day of Yoga has been celebrated annually on 21 June since 2015; following its inception in the United Nations General Assembly in 2014. Yoga is a physical, mental and spiritual practice which originated in India. The Indian Prime Minister, Narendra Modi, in his UN address in 2014, had suggested the date of 21st June, as it is the longest day of the year in the Northern Hemisphere and shares a special significance in many parts of the world.

Yoga is an invaluable gift of India's ancient tradition. It embodies unity of mind and body; thought and action; restraint and fulfillment; harmony between man and nature; a holistic approach to health and well-being. It is not about exercise but to discover the sense of oneness with yourse lf, the world and the nature. By changing our lifestyle and creating consciousness, it can help in well-being. Let us work towards adopting an International Yoga Day.

^{9th} International Day of Yoga celebration was organized by Department of Swasthavritta & Yoga, Aarihant Ayurvedic Medical College & Research Institute, which is constitute of Swarrnim Startup and Innovation University.

Objective of the event:

Organ donation is the process when a person allows an organ of their own to be removed and transplanted to another person, legally, either by consent while the donor is alive or dead with the assent of the next of kin. Donation may be for research or, more commonly, healthy transplantable organs and tissues may be donated to be transplanted into another person. To increase the number of organ donors, especially among underrepresented populations, current approaches include the use of optimized social network interventions, exposing tailored educational content about organ donation to target social media users. Every year August 13 is observed as **World Organ Donation Day** to raising awareness about the importance of organ donation. So, for the awareness, seminar and rally were organized by Aarihant Ayurvedic Medical College & Research Institute, Swarrnim Startup and Innovation University.
