To,

The Provost,
Swarrnim Startup and Innovation University,
Gandhinagar- 322420

Subject: Commencement of Soft Skills and Training Classes

As the Director of the Training and Placement Department, I am writing to propose an initiative that will significantly enhance our student's employability and overall professional development.

In today's competitive job market, technical skills alone are not sufficient. Employers increasingly seek candidates with strong skills—such as communication, teamwork, adaptability, and problem-solving abilities. To address this need, I recommend the introduction of Soft Skills training classes across all departments.

I kindly request your support in implementing this initiative. Let us work together to prepare our students for success beyond academia.

Thank you for your attention to this matter.

Sincerely,

Mr. Vijayant Kumar

SOFT SKILLS REPORTS YEAR 2022-23

Name of Workshop: Resume Making
Date of Workshop: October 5, 2022
Organized by: Training and Placement Department, SSIU
Event Coordinator: Mr.Nimesh Dave

Objective: To provide participants with the skills and knowledge to understand resume making.

Report: This workshop was organized keeping in mind the need of the students to know the right way of making resumes. While the TYs were ready to present themselves before recruiters the FYs and SYs are often in a state of confusion about the universally accepted pattern of designing a resume. Therefore, the workshop conducted by The Red Pen discussed and cleared doubts on every little detail about a resume.

Program Outcome: For this, the team had brought handouts of sample resumes and students were asked to rate the resumes (assuming they were recruiters), make corrections and note down the essentials. This activity provided practical guidance on how a resume should be made and therefore, the workshop was not a mere lecture. Further, students were also given the opportunity to discuss the drawbacks/corrections (if any) in their own resumes personal) with the resource team.

Swarrnim Startup and Innovation University Gandhinagar, Gujarat 322420
Training and Placement Department

Date: 19/08/2021

To,

The Provost,
Swarrnim Startup and Innovation University,
Gandhinagar- 322420

Subject: Commencement of Soft Skills and Training Classes

As the Director of the Training and Placement Department, I am writing to propose an initiative that will significantly enhance our students' employability and overall professional development.

In today's competitive job market, technical skills alone are not sufficient. Employers increasingly seek candidates with strong skills—such as communication, teamwork, adaptability, and problem-solving abilities. To address this need, I recommend the introduction of Softskills/Quant/Verbal- training classes across all departments.

I kindly request your support in implementing this initiative. Let us work together to prepare our students for success beyond academia.

Thank you for your attention to this matter.

To,

The Provost,
Swarrnim Startup and Innovation University,
Gandhinagar- 322420

Subject: Commencement of Soft Skills and Training Classes

As the Manager of the Training and Placement Department, I am writing to propose an initiative that will significantly enhance our student's employability and overall professional development.

In today's competitive job market, technical skills alone are not sufficient. Employers increasingly seek candidates with strong skills—such as communication, teamwork, adaptability, and problem-solving abilities. To address this need, I recommend the introduction of Soft Skills training classes across all departments.

I kindly request your support in implementing this initiative. Let us work together to prepare our students for success beyond academia.

Thank you for your attention to this matter.

Sincerely,

Mr. Vijayant Kumar
Director,

To,

The Provost,
Swarrnim Startup and Innovation University,
Gandhinagar- 322420

Subject: Commencement of Soft Skills and Training Classes

As the Manager of the Training and Placement Department, I am writing to propose an initiative that will significantly enhance our student's employability and overall professional development.

In today's competitive job market, technical skills alone are not sufficient. Employers increasingly seek candidates with strong skills—such as communication, teamwork, adaptability, and problem-solving abilities. To address this need, I recommend the introduction of Soft Skills training classes across all departments.

I kindly request your support in implementing this initiative. Let us work together to prepare our students for success beyond academia.

Thank you for your attention to this matter.

Sincerely,

Mr. Vijayant Kumar

To,

The Provost,

Swarrnim Startup and Innovation University,
Gandhinagar- 322420

Subject: Commencement of Soft Skills and Training Classes

As the Manager of the Training and Placement Department, I am writing to propose an initiative that will significantly enhance our students' employability and overall professional development.

In today's competitive job market, technical skills alone are not sufficient. Employers increasingly seek candidates with strong skills—such as communication, teamwork, adaptability, and problem-solving abilities. To address this need, I recommend the introduction of Softskills/Quant/Verbal- training classes across all departments.

I kindly request your support in implementing this initiative. Let us work together to prepare our students for success beyond academia.

Thank you for your attention to this matter.

Date of Event: 21/11/2018

Organized by: Training and Placement cell

Event Coordinator: Mr.Nimesh Dave

Objective: To inculcate the habit of taking initiative and participate in challenging activities through creative and innovative ideas.

Report: The 2 hrs session was conducted for the final year students from the **School of Management & Commerce** to teach the students on how the can build leadership qualities in them. Through various corporate case studies and the failure stories of billionaires, a clear picture was shown to them on how the qualities of a great team leader can lead them to achieve success at their present work as well as in their future endeavours. The sole aim was to make each student ready to take initiatives and walk on those challenging path on which none have gone.

Program Outcome:. At the end of the session students were quite excited as they found a new energy within them leading a team which was a fobia for the students was now an opportunity for them.
