Sub : Registration for Rooftop Solar PV (RTPV) system under Gujarat Renewable Energy Policy – 2023, G.R. No. REN/e-file/20/2023/0476/B1 dated 4th October 2023 and amendments thereof, if any (the "Policy")

Ref : 1. Application No. GUJ/RT/HT /10152430 dated 31.08.2024

2. DisCom Consumer No. 65137 and Sanctioned Load/ Contract Demand 135 kW

3. Solar PV Capacity (AC) to be Installed 50 (kW) ; Plant DC Capacity to be Installed 63 (kW)

Dear Sir,

Thank you for your online application for setting up of a rooftop solar PV system. Your application is registered with GEDA and the Registration Number is UG/HT /10152430. This Registration Number with the name of the applicant and the name of the Installer that you have selected must always be quoted for any communication with GEDA in this regards.

Your application is registered for installation of the rooftop solar system of 50 kW AC, 63 kW DC Capacity (the "Capacity") under Industrial/commercial sector. .

This Registration Letter is copied to the Installer selected by you, the Chief Electrical Inspector, CEA, (if applicable), and to the DISCOM in whose service area the rooftop system is to be located, for their further process. The registration of your project shall be governed by the following terms and conditions:

1. This Registration is neither transferable to other applicant nor is transferable to any other Solar PV Installer, (the "Installers"). This Registration shall be governed by the provisions of Gujarat Renewable Energy Policy – 2023 & GERC Net Metering Regulations from time to time and its amendments thereof, if any.
2. In the event if you have to change your selected Installer after the Registration, you need to cancel this Registration and apply under a fresh application.
3. You have registered the solar PV plant under the Clause no. 9.2 of Gujarat Renewable Energy Policy-2023.

Date: 12-Sep-2024

Page 1 of 3

4. You shall ensure that the location proposed for installation of the system is shadow free during the entire day and also keep the system clean and dust free for optimum output.
5. You shall sign the connectivity agreement with the DISCOM upon its ascertaining the technical feasibility of the system installation.
6. You shall allow access to your premises by representatives of GEDA/ DISCOM/ CEI for installation of respective meter as per provision of Gujarat Renewable Energy Policy – 2023 and its amendments thereof, if any / inspection/ verification of the system.
7. The respective meter shall be installed in accordance to the technical specifications defined by the DISCOM.
8. The technical specifications of the Solar PV system and all its allied components, shall be mutually agreed between YOU and the INSTALLER selected by you.
9. It is YOUR sole responsibility to ensure and check all the components properly with the selected INSTALLER. In no case, GEDA shall responsible for the delay in installation, sub-standard material, low generation or any issue related to performance and quality. However, it is advisable to always install solar PV system in the shadow free area and with proper sizing and structures for maximum generation. Further, the Applicant shall check the requisite documents and reports from the suitable simulation tools on its own or through the Installer to ascertain the above mentioned points.
10. This Application has been submitted under **Industrial/commercial** Category.
11. The Provision of "Approved List of Models and Manufacturers" (ALMM) & its amendment issued by MNRE from time to time shall be applicable.
12. The Provision & amendment issued by GERC/ EPD from time to time shall be applicable.
13. This project shall be governed by the Gujarat Renewable Energy Policy-2023 and the GERC regulations issued from time to time. The Renewable Energy Generator shall be bound by all the provisions as decided by the GERC.
14. The Applicant, SHREE GYAPRASAD JAIN CHERITABLE TRUST, has given following signed undertaking in the application form for installation of the solar roof top system under this registration.

UNDERTAKING: I hereby agree that:

1. This Project is registered under the Capital Expenditure (CAPEX) mode, where the solar PV system is owned by me and electricity generated is used by ME.
2. I have on my OWN selected the Installer upon due diligence and have mutually agreed with the terms and conditions amongst ourselves.
3. I am aware that GEDA has no role whatsoever in the selection of the Installer/Vendor and thus GEDA is not responsible for INSTALLER's technical and financial capabilities, quality and integrity, any kind of delay; financial or technical loss, quality and standards of the system and its components; theft, financial transaction done or any criminal assault occurred because of the selection of the Installer.
4. I am fully responsible for the Solar PV system that will be installed under this application.
5. I am aware that the Gujarat Renewable Energy Policy – 2023 and its amendments thereof under which this project is registered does not have any provision of subsidy or financial assistance.
6. I agree to abide by the provisions of the Gujarat Renewable Energy Policy – 2023 and GERC Net Metering Regulations from time to time of with all amendments thereof.

Yours faithfully

For Gujarat Energy Development Agency

deposit exceeds Rs.25 lacs, Security deposit can be paid by Bank Guarantee. If you opt for Bank Guarantee, then you have to submit Bank Guarantee of total amount i.e. (Exi. SD+SD for addl load). The existing SD will be adjusted towards the ensuing monthly energy bill(s). On occasion of revision in contract demand or on annual/time to time review of the Security Deposit, You shall have to provide fresh Bank Guarantee of Incremental amount. The payment by cheque will not be accepted.

5. If the payment of this Firm quotation along with S.D. is not received within **thirty days** from the date of issue of this letter, the Firm quotation will be treated as cancelled and your application will be filed. No interest is payable by the UGVCL on deposit collected towards service line charges.
6. This is only an approximate Firm quotation and the final bill shall be prepared on the basis of the actual work carried out plus labour and supervision charges. The work of laying service line will be taken on hand after you pay the above Firm quotation d amount and execute the final stamped agreement at the UGVCL Division Office, **GANDHINAGAR U**
7. Please pay Rs. 320.00 is to be paid at the office of The Executive Engineer (O&M), UGVCL, **GANDHINAGAR U** by cash, stating that this amount is towards preparation of two copies of stamped agreements.
8. You shall enter into a firm agreement with the UGVCL for supply of power. A draft copy of the same is sent herewith. Please return the same after filling in the blanks relating to contract demand/purpose for which power is required, the full name and address of the applicant, signatory portion indicating the names and designations of the person(s) authorized to sign at marked X in pencil.
9. You are requested to send fresh resolution of the Authorized signatory, authorizing Authorized person to execute an agreement with UGVCL along with duly attested specimen signature of Authorized signatory, and list of the Directors along with their Temporary / Permanent Residential addresses on Rs. 300/- Stamp paper duly notarized.
10. If you fail to execute an agreement within 15 days from the date of payment of Firm quotation, your applications will be liable for cancellation.
11. You shall produce fresh No Objection Certificate from the Gujarat Pollution Control Board (GPCB), Gandhinagar to the effect that the norms laid down by GPCB have been complied by you. Please note that site clearance certificate issued by GPCB will not be considered for release of supply.
12. The service line, notwithstanding that the portion of it would have been paid by you shall remain the property of the UGVCL by whom it is to be maintained. Therefore, the UGVCL has the right to tap the service line for giving power to any other consumer.
13. You can utilize the power received from the UGVCL only within the compact area of the factory premises not intervened by any public road or a private land belonging to a third party.
14. If you want to avail HT power supply for a temporary period only then a tariff applicable will be HTP-3. The consumer taking temporary HT supply need not to enter in to 2 years (minimum period) agreement. You may therefore inform us accordingly.
15. The UGVCL gives the benefit of HT seasonal tariff for seasonal consumers such as ice factory, Ice Candy Machines, Ginning and Pressing Factory, Oil Mill, Rice Mill, Hullers, Salt Industries, Tapioca Industries manufacturing Starch, Sugar factory, Khandsari, Cold storage plant (including such plants in fishery Industries). If you want to avail this benefit then you may contact the office of our concern EE (O&M) before release of connection.
16. LT power supply, if any, in the premises prior to release of HT power will be disconnected on the date of release of HT power.

Uttar Gujarat Vij Company Limited

CIN - U40102GJ2003SG0042906
(A subsidiary of Gujarat Urja Vikas Nigam Limited)

same name of your existing LT connection in the same premises otherwise your connection can not be considered as LT to HT conversion.

18. Before release of power supply you shall provide a separate circuit for lighting meter at your cost to record energy consumed by non-industrial load.
19. Since your contract demand is less than 500 KVA. Hence you have to lay single core 4 nos. of LT cable from transformer section to main distribution panel/junction box and also r,y,b & Neutral PT terminal shall be brought out on cable box of transformer to measure LT side power consumption by LT accucheck.

Work involvement

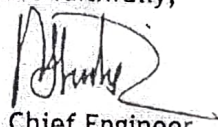

-UG:0.015 KM+HTMC BY APPLICANT: ONLY APPROVED BRAND HTMC IS TO BE INSTALLED..

Note

- Before release of connection you have to Submit on Rs.300/- notarized consent for not claimmining regarding revenue loss occurred due to interruption of 11 Krushnanagar JGY Feeder & in future the connection is transferred from JGY to Ind. feeder, then you have to make payment for the line charge.
- Before payment of an estimate clear all pending dues as per norm.
- You have to construct complete compound wall surrounding your approved area & To provide the gate near point of supply.

Sub: Release of 150 KVA HT Power supply for your unit at: BHOYANRATHOD, Ta-GANDHINAGAR.
(11 KV System)

Ref: Estimate No. UGVCL/ACE/Tech-1/HT/7569 Dt. 26-07-2022
Estimate Paid on dtd-22-09-2022

Dear Sir,

It is agreed to release 150 KVA power supply during day and night hours. The above load is released on contingent basis i.e. withdrawable at any time without giving any notice if the power position so warrants. This is subject to power cut in force from time to time.

You may please contact our EE, UGVCL, GANDHINAGAR U who will arrange for physical release of supply, for which you have to submit: 1) The Test Report of Electric Wiring of your premises with fees of Rs.20.00, 2) Charging approval of Electrical Inspector for Transformer, VCB etc., 3) VCB approval of UGVCL for contract demand equal or more than 500 KVA.

From the date of release or deemed date of release of power supply, you will be billed on the basis of contract demand of 150 KVA on tariff HTP-I (One).

Before release of this load, you shall provide separate metering arrangement at your cost so as to record energy consumed for non-industrial load.

You shall be responsible for obtaining and maintaining all applicable statutory approvals including Consent to Establish, Consolidated Consent and Authorization from Gujarat Pollution Control Board. Your Electrical connection is liable to be disconnected on directives from any of such Statutory Authorities for non-compliance of the required Approvals.

As per Supply Code provision, if you failed to avail this power supply within Sixty Days from the date of issue of this letter, you will be billed on the basis of contract demand of 150 KVA for monthly minimum charges after expiry of Sixty Days from the date of issue of this letter as per provision of tariff as imposed from time to time.

NOTE:

- Before release of connection you have to Submit on Rs.300/- notarized consent for not claimming regarding revenue loss occurred due to interruption of 11 Krushnagar JGY Feeder & in future the connection is transferred from JGY to Ind. feeder, then you have to make payment for the line charge.
- Before release of connection clear all pending dues as per norm.
- You have to construct complete compound wall surrounding your approved area & To provide the gate near point of supply.

Thanking You,

Yours faithfully,
