UNIT- I INTRODUCTION AND MEANING OF WOMEN EMPOWERMENT

- Empowerment refers to the increasing the spiritual, political, social or economic strength of individuals and communities.
- As a general definition, Empowerment is a multidimensional process that helps people gain control over their own lives.
- Women Empowerment is the process and the outcome of the process by which women challenge gender based discrimination in every institution and structures of the society
- Women empowerment means freedom of women from the vicious grips of social, economical, political, caste and gender-based discrimination.
- It means granting women the freedom to make life choices.
- Women Empowerment itself elaborates that Social Rights, Political Rights, Economic stability, judicial strength and all other rights should be also equal to women.
- Swami Vivekananda, quoted that, "There is no chance for the welfare of the world unless the condition of women is improved.

UNIT - II STATUS OF WOMEN IN INDIAN SOCIETY

- "In order to awaken people, it is the people who have to be awakened, once she moves, the country moves and thus we build the Indian of tomorrow." Said by Pt. Jawaharlal Nehru.
- India is now in transition age - present century is the "Knowledge Century Era".
- A knowledge driven generation will be an asset for the progress and development of the nation.
- To achieve and sustain the high growth rates, access in education should be open for entire population without any discrimination
