

Swarnim Startup & Innovation University Activity Report 2023-2024

Activity Report

Department	School of Business
Activity	Seminar on “Digital Etiquette and Career Development Planning”
Date	6 th February 2024
Duration	1 day
Semester	4 th Semester BBA & MBA
Expert Details	
Faculty Details	1. Dr. Sourbhi Chaturvedi 2. Dr. Varsha Patel 3. Ms. Archana Vijayvargiya 4. Mr. Paras Parmar
Number of Participants	82 Students

Summary: The Seminar started with welcome speech by Director, HoD and faculty members. The expert started briefing about career path for the students. Students were informed about decisions about their career and develop a plan to achieve their goals in their life and

mentioned that which kind of activity to be prioritized. After the session is over, the Q&A session was started in which student asked many questions and solved their doubts.

Aim: To aware students about Career counseling because it is essential for students to make informed decisions about their future. A well-structured career counseling plan helps students explore their interests, abilities, and values to choose a suitable career path.

Significance/Outcome: The significance/outcomes are as below:

- This session helped students identify their strengths and interests.
- Students came to know the guidance on career options and career pathways.
- This will be helpful in developing a plan to achieve their career objectives.
- The major objective behind organizing such seminar is to encourage young minds to develop an interest in all sorts of enterprises, and to encourage them to dream big in life.
- This would be helpful for them understand their own potential and get motivated to work towards the same.

Conclusion: This seminar was truly professional and well managed till the end. The staff and students were thankful to the Expert and **Swarnim Startup and Innovation University's** management for granting the permission for this seminar.

Objective of the event:

The primary objectives of the "Digital Dreams 2023-24" event were:

1. To educate students about the diverse career opportunities available in the tech industry.
2. To update students on the latest trends and technologies shaping the IT sector.
3. To offer personalized career advice through interactions with industry professionals.
4. To assist students in creating strategic career development plans.
5. To facilitate networking between students and industry experts.

Flow of Event:

•Inauguration and Welcome Address

- The event began with a welcome address by the college principal, emphasizing the significance of career planning and the role of the event in helping students achieve their professional goals.

•Keynote Session

- A distinguished industry expert delivered the keynote session, focusing on the future of technology and the importance of staying updated with emerging trends. The speaker highlighted the need for continuous learning and adaptability.

•Panel Discussion

- A panel of seasoned professionals from various tech sectors, including software development, cybersecurity, data science, and IT management, shared their career experiences and insights. They discussed the skills and qualities needed to succeed in their respective fields.

•Breakout Sessions

- Specialized breakout sessions addressed the specific interests of BCA, BScIT, and MCA students. Topics included:
 - Career paths in software development
 - Advances in artificial intelligence and machine learning

28

- The evolving field of cybersecurity
- Opportunities in data analytics and big data
- Leadership and management roles in IT

•Interactive Workshops

- Practical workshops were conducted to help students enhance their technical and soft skills. Workshops included:
 - Coding bootcamps for various programming languages
 - Resume building and interview preparation
 - Networking and personal branding strategies
 - Developing effective communication and teamwork skills

•Q&A and Career Guidance Sessions

- Students participated in Q&A sessions with industry experts, seeking personalized advice and clarifications. Career counselors were available for one-on-one sessions to provide tailored career planning assistance.

•Networking Lunch

- A networking lunch allowed students to interact informally with industry professionals and faculty members, fostering connections and discussions about career opportunities.

Significance/Outcome:

The "Digital Dreams 2023-24" event had a significant impact on the participating students:

1. Increased Career Awareness

- Students gained a comprehensive understanding of the various career options available in the tech industry, helping them make informed decisions about their futures.

2. Skill Enhancement

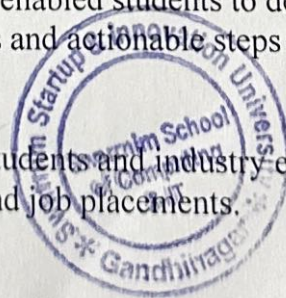

- The workshops and breakout sessions equipped students with practical skills and knowledge, preparing them for the demands of the industry.

3. Personalized Career Guidance

- One-on-one sessions with career counselors enabled students to develop personalized career plans, setting clear goals and actionable steps for their professional growth.

4. Networking Opportunities

- The event facilitated connections between students and industry experts, creating opportunities for mentorship, internships, and job placements.

5. Boosted Confidence and Motivation

- Exposure to success stories and direct interaction with professionals increased students' confidence and motivation to pursue their career aspirations with determination.

Attend a seminar on

Career Prospects in clinical Research with

Dr. Anokhi Shah
Mr. Jay Soni

Organizer:

**Swarnnim
Science College**

15th March 2024

10 AM TO 12 PM

Venue: Swarnnim Startup and Innovation University, Adalaj, Gandhinagar

Guest Faculty Lecture

Name of event	Guest Faculty Lecture
Date of event	15-03-2024
Coordinator	Darshika Savalia & Niral Thummar
Organized by	Swarnnim Science College
Time	10:00PM to 12:00PM
Venue	SSIU
Reporter's name	Dr.Priti Mahla, Sonal Panchal

Summary:

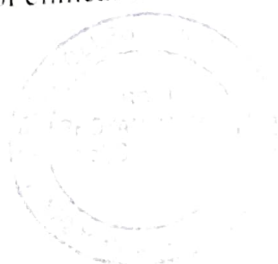

At Swarnnim Science College, a captivating external guest lecture was meticulously arranged, featuring esteemed professionals Mr. Jay Soni and Dr. Anokhi Shah. Dr. Shah, a luminary in the realm of clinical research and healthcare, boasts an impressive array of qualifications including BHMS, PGDHHM, PGDACR, and an MBA in healthcare management. With her extensive expertise, she delved deep into the intricate workings of clinical research, unraveling its operational mechanisms and shedding light on its pivotal role in advancing healthcare practices.

Complementing Dr. Shah's erudition was Mr. Jay Soni, an illustrious figure armed with an M.Sc. in Medical Technology, whose multifaceted roles as a trainer and business developer underscored his profound understanding of the field. He elucidated upon the noble endeavors of Cleantha Academy, an institution steadfastly committed to the pursuit of excellence in clinical research.

The event unfolded gracefully with a warm welcome from none other than the Academic Dean and Dr. Priti Mahla, radiating positivity and anticipation for the enlightening discourse ahead. As the lecture ensued, students were enraptured, hanging on to every word uttered by the distinguished speakers. The wealth of knowledge imparted by Dr. Shah and Mr. Soni resonated deeply with the audience, leaving an indelible impression and equipping them with invaluable insights into the nuances of clinical research and healthcare management.

As the curtains drew close on the enlightening session, an interactive quiz served as the perfect denouement, fostering active participation and consolidating the newfound knowledge acquired throughout the lecture. It was a fitting finale to an event brimming with intellectual stimulation and camaraderie.

In summation, the guest lecture proved to be an enriching odyssey for all in attendance, transcending mere academia to impart profound wisdom and ignite a passion for excellence in the realm of clinical research and healthcare management.

Ashang

Conclusions:

In essence, the event showcased the profound impact of collaborative learning, igniting a shared passion for excellence in clinical research and healthcare management among attendees. Through knowledge-sharing and camaraderie, participants were inspired to contribute meaningfully to the field. The transformative experience left them motivated and equipped with the necessary tools to embark on their own journeys towards advancing healthcare practices.

Introduction

Venus Institute of Physiotherapy is dedicated to the holistic development of its students. Recognizing the importance of competitive exams in shaping careers, we are organizing a comprehensive seminar on exam preparation. This initiative aims to equip students with effective strategies, study techniques, and the confidence to excel in their upcoming competitive exams.

Objectives

1. Enhance Exam Preparedness:

Provide students with practical tools and techniques to effectively prepare for competitive exams.

2. Build Confidence:

Help students build self-confidence through motivational talks and success stories.

3. Stress Management:

Teach methods to manage exam-related stress and maintain mental well-being.

4. Resource Sharing:

Offer valuable resources, study materials, and practice questions to aid in exam preparation.

Workshop Agenda

1. Welcome and Introduction (10 mins):

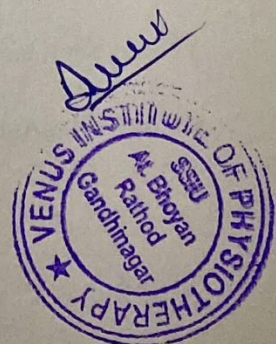

- Opening remarks by the Dean of Venus Institute of Physiotherapy
- Overview of the workshop objectives and agenda

2. Session 1: Effective Study Techniques (45 mins):

- Time management and study schedules
- Note-taking methods and revision strategies
- Interactive discussion on best practices

3. Break (10 mins)

✓
Checked Ok

Session 2: Subject-Specific Strategies (60 mins):

- Tips and strategies for major subjects covered in competitive exams
- Guest speaker: Mrs. Anuja
- Q&A session with the speaker

4. Lunch Break (30 mins)

5. Session 3: Practice Questions and Mock Tests (60 mins):

- Hands-on practice with sample questions
- Group activities and problem-solving sessions
- Tips on approaching different types of questions

6. Break (10 mins)

7. Session 4: Stress Management Techniques (45 mins):

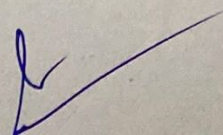

- Relaxation exercises and mindfulness practices
- Coping strategies for exam anxiety
- Interactive session with a mental health professional

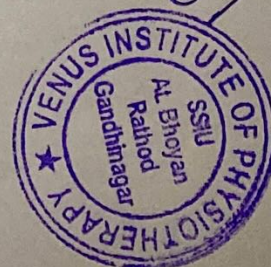

8. Feedback and Closing Remarks (20 mins):

- Collecting participant feedback
- Sharing additional resources and study materials
- Closing remarks by the organizing committee

Expected Outcomes

- **Improved Preparation:** Students will have a better understanding of how to effectively prepare for competitive exams.
- **Increased Confidence:** Enhanced self-confidence and reduced exam anxiety among participants.
- **Resource Accessibility:** Access to a variety of study materials and practice questions.

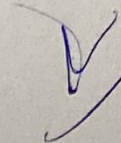

Checked Ok

- **Ongoing Support:** Creation of a supportive community for continuous interaction and support.

Conclusion

The Venus Institute of Physiotherapy is committed to supporting its students in all aspects of their academic and professional journeys. This seminar is a step towards ensuring that our students are well-prepared and confident as they approach their competitive exams. We believe that with the right guidance and resources, our students can achieve their highest potential and succeed in their future endeavors.

INDUSTRIAL VISIT AT MISSION HEALTH AND SCIENCE CITY

SOP of Program:

Planning and Coordination: The Venus Institute of Physiotherapy has planned and coordinate the industrial visit well in advance to ensure the availability of the industry, their consent to host the visit, and the scheduling of the visit.

Selection of Industry: The Institute has selected Industry centers e.i. Mission Health and Science city that is relevant to the course curriculum and offers practical exposure to students.

Invitation and Confirmation: The Institute has sent an invitation to the Mission Health and Science city and seek their confirmation regarding the visit date, time, and other logistical details.

Information and Guidelines: The Institute has provided the students with all the necessary information about the industrial visit, including the date, time, venue, dress code, behavior, and conduct guidelines.

Registration and Permissions: The Institute has collected the registration in the form of entry fees from interested students and ensure that they gained the necessary permissions from their parents or guardians.

Transportation and Logistics: The Institute has arranged transportation and other logistical support for the students who needed it during the visit.

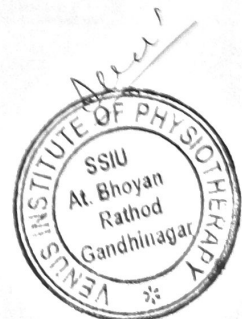

Pre-Visit Briefing: The Institute has conducted a pre-visit briefing for the students to educate them about the industry, its products or services, and the various processes involved.

Visit and Observations: The students visited the Mission Health and Science city and observe the various processes and operations involved in the production or service delivery.

Post-Visit Debriefing: The Institute has conduct a post-visit debriefing to discuss the observations, clarify doubts, and analyze the insights gained from the visit.

Checked Ok

class

Flow of Program:

The planning of Industrial visit has been planned by having a meeting between Principal sir and Faculties on 27th March, 2023

Mission health and Science city has been decided for an educational purpose tour later

Institutional letter for seeking a confirmation regarding an educational visit to Mission health Physiotherapy centre and Science city

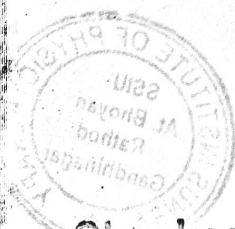

After receiving confirmation from both centres, token fees has been collected from the students in regards of transportation (from those who needed) and entry fees

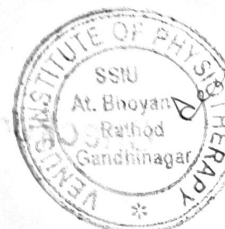

The Pre-visit briefing has been conducted for students that included all instruction in regards of attendance, behaviour and time of the visit

The visit has been executed on 7th April, 2023 under the co-ordination of Dr. Jaynesh Vandra followed by the follow up

Report:

Date of event: 07/04/2023	Coordinator	Dr. Arvind Kumar Dr. Jaynesh Vandra
---------------------------	-------------	--

Name and Type of Event/Activity	Educational visit at Mission health and Science city
Organized by:	Swarnim Start Up & Innovation University
Department	Venus institute of Physiotherapy
No of Attender	70
No. Of Days	01 day

Brief outline addressed in the event:

On 7th April, 2023, Students of BPT were assigned to go for an educational visit of Mission health and Science city. They reached to the Mission health before 9:30 AM. The guide from the Mission health were there to orient the student. They enjoyed there visiting Orthopaedic, Neurological and Gymnastic department on ground floor. Apart from that, Students gained innovative knowledge from Robotics department and hi-tech rooms for Pneumatic compression, LASER therapy room and Treadmill training with Body weight support. Student had so much fun with learning in Mission health center.

On 12:00 PM, they all had lunch and went for visiting Science city. They all were so much emmused by the vast area occupied by the city. Firstly the visited to the Aquatic gallery, where the saw different kind of speaces of fishes. Robotic gallery had hi-tech rooms for robotic and Artificial Intelligence equipment. Nature park was full of greenery. They enjoyed watching clips in 5D cinema and under Virtual reality effects. At last, everyone gathered near the main gate and discussed their experience of the day. They disperse around 5:00 PM after taking group photos.

Checked Ok
[Signature]

Outcome for Students:

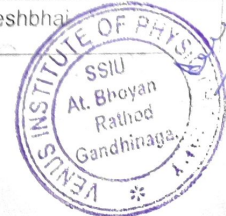

As the Mission health centre was the great example of Innovative Physiotherapy care, all students learnt about the creative ways to cure patients by our profession. Science city was a great example of man-made City of fun and knowledge. The moderator taught the students about how aquatic therapy helps the patients and how hydrotherapy works. They also shared their knowledge about the role of Virtual therapy in neurological conditions like paralysis. They also highlighted the role of robotic training in our profession.

All student were pleased by knowing those innovative ideas used in physiotherapy and this trip helped the students to enhance their communication skills, team work and networking skills in professional field

Date: 12/07/2023

Time: 9:30 AM to 12:30 PM

Number of Participants: 40

Venue: Seminar Hall, Swarnnim Startup and Innovation University

Expert: Mr. Vijayant Kumar(Placement department , Swarnnim university)

Introduction

Venus Institute of Physiotherapy is dedicated to the holistic development of its students. Recognizing the importance of competitive exams in shaping careers, we are organizing a comprehensive workshop on exam preparation. This initiative aims to equip students with effective strategies, study techniques, and the confidence to excel in their upcoming competitive exams.

Objectives

1. **Enhance Exam Preparedness:** Provide students with practical tools and techniques to effectively prepare for competitive exams.
2. **Build Confidence:** Help students build self-confidence through motivational talks and success stories.
3. **Stress Management:** Teach methods to manage exam-related stress and maintain mental well-being.
4. **Resource Sharing:** Offer valuable resources, study materials, and practice questions to aid in exam preparation.

Workshop Agenda

1. **Welcome and Introduction (10 mins):**
 - Opening remarks by the Dean of Venus Institute of Physiotherapy and welcome our speaker Mr. Vijayant Kumar
 - Overview of the workshop objectives and agenda
2. **Session 1: Effective Study Techniques (45 mins):**
 - Time management and study schedules
 - Note-taking methods and revision strategies

Checked Ok

- Interactive discussion on best practices

3. Break (10 mins)

Session 2: Subject-Specific Strategies (60 mins):

- Tips and strategies for major subjects covered in competitive exams
- Guest speaker:
- Q&A session with the speaker

4. Lunch Break (30 mins)

5. Session 3: Practice Questions and Mock Tests (60 mins):

- Hands-on practice with sample questions
- Group activities and problem-solving sessions
- Tips on approaching different types of questions

6. Break (10 mins)

7. Session 4: Stress Management Techniques (45 mins):

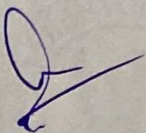

- Relaxation exercises and mindfulness practices
- Coping strategies for exam anxiety
- Interactive session with a mental health professional

8. Feedback and Closing Remarks (20 mins):

- Collecting participant feedback
- Sharing additional resources and study materials
- Closing remarks by the organizing committee

Expected Outcomes

- **Improved Preparation:** Students will have a better understanding of how to effectively prepare for competitive exams.
- **Increased Confidence:** Enhanced self-confidence and reduced exam anxiety among participants.

Checked Ok

- **Resource Accessibility:** Access to a variety of study materials and practice questions.
- **Ongoing Support:** Creation of a supportive community for continuous interaction and support.

Conclusion

The Venus Institute of Physiotherapy is committed to supporting its students in all aspects of their academic and professional journeys. This workshop is a step towards ensuring that our students are well-prepared and confident as they approach their competitive exams. We believe that with the right guidance and resources, our students can achieve their highest potential and succeed in their future endeavors.

Details about the activity:

These programme is been highlighted for the Students of 3rd and 4th year for better understanding about the IELTS preparation. These are the steps and some tips the expert has shared.

Preparing for the International English Language Testing System (IELTS) requires a strategic approach to enhance your language skills and perform well in all four test sections: Listening, Reading, Writing, and Speaking. Here's a concise summary for students:

1. **Understand the Test Format:** Familiarize yourself with the IELTS test format, including the types of questions and the scoring criteria for each section. This knowledge is crucial for effective preparation.
2. **Assess Your Current Level:** Take an initial practice test to identify your strengths and weaknesses. This will help you focus on areas that need improvement.
3. **Create a Study Plan:** Develop a structured study plan that covers all four sections of the test. Allocate time for each section based on your initial assessment and stick to your schedule.
4. **Enhance Language Skills:** Improve your vocabulary, grammar, and overall language proficiency. Engage in regular reading, listening to English audio materials, writing essays, and speaking in English to boost your skills.
5. **Practice Listening and Reading:** Use IELTS practice materials to simulate test conditions. Listen to various English accents and read diverse texts to improve your comprehension and speed.
6. **Develop Writing Skills:** Practice writing essays and reports within the given time limits. Focus on clarity, coherence, and proper structuring of your responses.
7. **Improve Speaking Ability:** Engage in English conversations, record yourself speaking, and practice with a partner or coach to enhance your fluency and pronunciation.
8. **Take Mock Tests:** Regularly take full-length mock tests under timed conditions to build stamina and get accustomed to the test format. Review your answers and learn from your mistakes.
9. **Seek Feedback and Guidance:** Consider enrolling in an IELTS preparation course or seeking feedback from a tutor to fine-tune your preparation.

By following these steps diligently, students can improve their English language proficiency and increase their chances of achieving a high score on the IELTS exam, paving the way for opportunities in education and career advancements globally.

Carrier Counselling Report

(A Pathway to Software Engineering)

Event Details

Title: A Pathway to Software Engineering

Date: August 7, 2023

Time: 10:30 AM to 12:15 PM

Presenter: Prof. Kalpesh Patel

Location: Seminar Hall, Swarnnim Startup & Innovation University, Gandhinagar

Target Audience: 1st Year B. Tech Students

Overview

The seminar titled "A Pathway to Software Engineering" was conducted by Prof. Kalpesh Patel on August 7, 2023. The session aimed to provide first-year B.Tech students with insights and guidance on pursuing a career in software engineering.

Objectives

1. To introduce students to the field of software engineering.
2. To provide a roadmap for the skills and qualifications required for a successful career in software engineering.
3. To discuss the various opportunities and challenges in the software engineering field.
4. To motivate and inspire students to pursue their interests in software engineering.

Summary of the Event

Introduction

Prof. Kalpesh Patel began the seminar by welcoming the students and providing an overview of the agenda. He highlighted the importance of software engineering in today's technology-driven world and how it impacts various industries.

Software Engineering Overview

Prof. Patel explained the fundamentals of software engineering, including its definition, key principles, and the role of software engineers in developing, testing, and maintaining software systems. He discussed the importance of problem-solving skills, logical thinking, and creativity in this field.

Educational Pathway

Prof. Patel outlined the educational pathway to becoming a software engineer. He emphasized the importance of a strong foundation in computer science and mathematics. The key subjects and courses that students should focus on during their B.Tech program were discussed, including programming languages, data structures, algorithms, databases, and software development methodologies.

Skills and Qualifications

The seminar covered the essential skills and qualifications required for a career in software engineering. Prof. Patel emphasized the need for continuous learning and staying updated with the latest technologies and trends. Key skills discussed included:

- Proficiency in programming languages (e.g., Python, Java, C++)
- Understanding of software development methodologies (e.g., Agile, Scrum)
- Knowledge of databases and data management
- Problem-solving and analytical skills
- Communication and teamwork skills

Career Opportunities

Prof. Patel provided an overview of the various career opportunities available in the field of software engineering. He discussed different roles such as software developer, software tester, systems analyst, and project manager. The potential for career growth and the demand for software engineers in different industries, including IT, finance, healthcare, and entertainment, were highlighted.

Challenges and Solutions

The seminar also addressed the challenges faced by software engineers, such as keeping up with rapid technological advancements, managing complex projects, and ensuring software quality and security. Prof. Patel shared strategies to overcome these challenges, including continuous learning, effective project management, and adopting best practices in software development.

Q&A Session

The seminar concluded with a Q&A session, where students had the opportunity to ask Prof. Patel questions related to their career aspirations, educational choices, and the software engineering field. Prof. Patel provided valuable insights and advice, encouraging students to pursue their interests with dedication and passion.

Conclusion

The seminar "A Pathway to Software Engineering" provided first-year B.Tech students with a comprehensive understanding of the field and the steps needed to pursue a successful career in software engineering. Prof. Kalpesh Patel's expertise and guidance were instrumental in motivating and inspiring the students. The event was well-received, and students left with a clearer vision of their future career paths.

Recommendations

Based on the feedback from the seminar, the following recommendations are made for future events:

1. Conduct similar seminars for other engineering disciplines to provide students with a broader understanding of various career opportunities.
2. Organize hands-on workshops and coding bootcamps to help students develop practical skills in software engineering.
3. Establish mentorship programs where students can connect with industry professionals for guidance and support.
4. Provide resources and materials for continuous learning and staying updated with the latest trends and technologies in software engineering.

Attendance Report of Seminar on "A Pathway to Software Engineering"

Date:- 7th August 2023

Department:- SIT (All Branch)

Semester:- 1st Year B. Tech Students

Presenter: Prof. Kalpesh Patel

Swarnim Startup & Innovation University Activity Report 2022-2023

Activity Report

Department	School of Business
Activity	Workshop on “Personality Development and Career Enhancement”
Date	19 th January 2023
Duration	1 day
Semester	4 th Semester BBA & MBA
Expert Details	
Faculty Details	1. Dr. Parul Shah 2. Mihir Shah 3. Komal Patel
Number of Participants	70 Students

Summary: The Seminar started with welcome speech by HoD Sir. The expert started briefing about career path for the students. Students were informed about decisions about their career and develop a plan to achieve their goals in their life and mentioned that which kind of activity

to be prioritized. After the session is over, the Q&A session was started in which student asked many questions and solved their doubts.

Aim: To aware students about Personality Development and Career Enhancement as it is essential for students to make informed decisions about their future. A well-structured career counseling plan helps students explore their interests, abilities, and values to choose a suitable career path.

Significance/Outcome: The significance/outcomes are as below:

- This session helped students identify their strengths and interests.
- Students came to know the guidance on career options and career pathways.
- This will be helpful in developing a plan to achieve their career objectives.
- The major objective behind organizing such seminar is to encourage young minds to develop an interest in all sorts of enterprises, and to encourage them to dream big in life.
- This would be helpful for them understand their own potential and get motivated to work towards the same.

Conclusion: This workshop was truly professional and well managed till the end. The staff and students were thankful to the Expert and **Swarnim Startup and Innovation University's** management for granting the permission for this seminar.

Introduction about the activity:

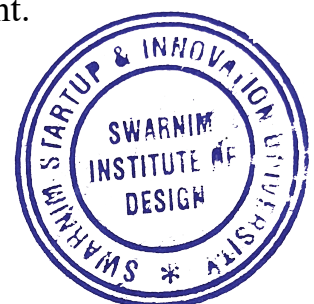

The seminar on “Career Counseling for Dream Jobs” aimed to assist participants in identifying and pursuing their ideal career paths. It provided insights into various industries, essential skills and qualifications, effective job search strategies, and practical advice for achieving career aspirations.

Session Highlights:

- **Welcome and Opening Remarks:** The seminar began with welcoming remarks from Ar. Jagat Joshi, outlining the objectives and agenda for the day.
- **Defining Dream Careers:** Ar. Jagat Joshi led a session on identifying and defining dream careers. This included exercises to help participants articulate their career aspirations and understand the steps required to achieve them.

- **Essential Skills and Qualifications:** A presentation on essential skills and qualifications for dream jobs was delivered by Ar. Jagat Joshi. Topics covered technical skills, soft skills, and industry-specific competencies necessary for success.
- **Mapping Career Paths:** Participants engaged in activities to map out potential career paths leading to their dream jobs. Facilitators provided guidance on setting short-term and long-term goals, acquiring relevant experiences, and building professional networks.
- **Job Search Strategies:** Practical strategies for effective job searching were discussed, including utilizing job boards, networking strategies, and leveraging social media for career advancement.
- **Professional Development:** Sessions focused on continuous professional development and lifelong learning opportunities. Speakers highlighted the importance of staying updated with industry trends and acquiring new skills to remain competitive.
- **Panel Discussion:** A panel of professionals shared personal stories and insights into achieving their dream careers. They discussed challenges faced, strategies employed, and advice for aspiring professionals.
- **Interactive Workshops:** Interactive workshops allowed participants to refine resumes, practice interview techniques, and receive personalized feedback from industry experts.
- **Closing Remarks and Feedback:** The seminar concluded with closing remarks from Ar. Jagat Joshi, thanking participants, speakers, and organizers. Attendees were encouraged to provide feedback to improve future events.

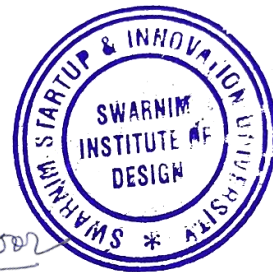

The seminar on “Career Counseling for Dream Jobs” successfully empowered participants with practical knowledge and inspiration to pursue their career aspirations. Feedback indicated high satisfaction with the content and delivery, affirming the seminar's impact on career planning and development.

Report on Session: Building Self-Confidence

Objective:

The session aimed to enhance self-confidence among nursing students, focusing on strategies to build and sustain confidence in their clinical and academic roles.

Details about the activity:

- A one day session for the students of 2nd year B.Sc nursing students was arranged on 15 July 2023. The session was conducted in classroom. The session started with a brief explanation about Building self confidence, and importance of professional development for students which help students to develop personal interests, strengths, and values, exploring potential career paths, setting goals, and developing strategies to achieve them. This whole session conducted by Ms. Nidhi Chatbar, soft skill trainer from placement department, Gandhinagar

Summary:

The session addressed the following key areas:

- Understanding Self-Confidence:** Definition and importance of self-confidence in nursing practice.
- Identifying Barriers:** Common obstacles to self-confidence, such as self-doubt and fear of making mistakes.
- Building Confidence:** Practical strategies included:

[Signature]
Principal
Aarihant Institute of Nursing
Bhojan Rathod, Gandhinagar.

- **Positive Self-Talk:** Techniques for replacing negative thoughts with affirming statements.
- **Skill Development:** The role of continued learning and practice in boosting confidence.
- **Setting Achievable Goals:** Creating and achieving small, manageable goals to build a sense of accomplishment.

Participants engaged in group discussions, role-playing exercises, and self-reflection activities to practice these strategies.

Key Insights:

- **Increased Self-Awareness:** Participants gained insights into their confidence levels and learned methods to improve them.
- **Practical Techniques:** Tools such as positive self-talk and goal-setting were seen as valuable for both personal and professional growth.
- **Enhanced Resilience:** Building confidence helps in managing stress and adapting to the demands of nursing.

Feedback:

Students found the session practical and motivating. They appreciated the interactive approach and suggested incorporating more real-life nursing scenarios for future sessions.

Conclusion:

The session effectively provided nursing students with strategies to build self-confidence, which is crucial for their success in both clinical and academic settings.

Report on Session: Layers of Personality

Objective:

The session aimed to help nursing students understand the layers of personality and how these layers can influence patient interactions and self-awareness in a clinical setting.

Details about the activity:

- A one day session for the students of year B.Sc nursing students was arranged on 12 december 2023. The session was conducted in class . The session started with a brief explanation about what is **layer of personalities**, and importance of professional development for students which help students to develop personal interests, strengths, and values, exploring potential career paths, setting goals, and developing strategies to achieve them. This whole session conducted by Ms. Rachana Mehata , soft skill trainer Gandhinagar

Summary:

The session provided an overview of personality, focusing on its multi-layered nature:

- Core Self: Fundamental beliefs and values that form the basis of an individual's identity.
- Personality Traits: Consistent characteristics, such as empathy or assertiveness, that affect behavior and patient care.
- Behavioral Patterns: Actions and reactions that emerge from deeper personality traits.

(Signature)
Aarihant Institute of Nursing
Bhayan Rathod, Gandhinagar.

- **Situational Influences:** External factors that can impact behavior and interactions with patients.

Interactive activities included self-assessments and role-playing scenarios to apply these concepts to nursing practice.

Key Insights:

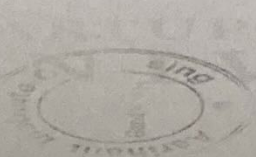

- **Enhanced Empathy:** Understanding different personality layers can improve empathy and patient care.
- **Self-Awareness:** Increased awareness of one's own personality traits can enhance communication and stress management.
- **Adaptability:** Recognizing situational influences helps in adapting approaches to different patient needs.

Feedback:

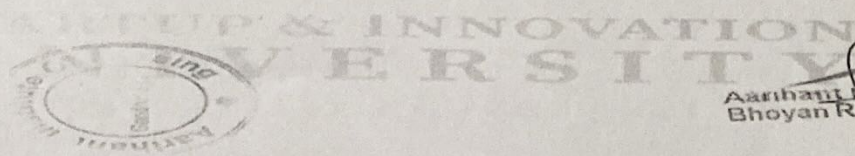

Students appreciated the practical approach and interactive components. Suggestions included more case studies relevant to nursing scenarios.

Conclusion:

The session successfully highlighted how understanding personality layers can enhance nursing practice and improve patient interactions.

Activity Report 2024

Institute / Department	Swarnnim School Of Business (B.C.A. / B.SCIT / M.C.A)
Activity / Event Name	Code Your Career 2023-24
Date of the event	27-10-23
Duration	10:30 -3:00 pm
Location	Seminar Hall
Participant's Branch/Institutes	B.C.A, B.SCIT, M.C.A.
Total Number of Participants	39
Full Name of Mentor/Principal with designation	Vikas Chandra Sharma (H.O.D and Associate Professor)
Full Name of Speaker / Guest with designation	N/A
Faculty Coordinator Details (Name, Designation, Contact Details)	DeeptiPriyadarshini (Assistant Professor) 9870037361 Deepti.it@swarnnim.edu.in
Student Coordinator Details (If any)	VinitBasantani

Contd...

Objective of the event:

The primary objectives of the "Code Your Career" event were:

1. To educate students about the diverse career opportunities in the tech industry.
2. To update students on the latest trends and technologies shaping the IT sector.
3. To offer personalized career advice through interactions with industry professionals.
4. To assist students in creating strategic career development plans.
5. To facilitate networking between students and industry experts.

Flow of Event:

•Inauguration and Welcome Address

- The event began with a welcome address by the college principal, emphasizing the significance of career planning and the role of the event in helping students achieve their professional goals.

•Keynote Session

- A distinguished industry expert delivered the keynote session, focusing on the future of technology and the importance of staying updated with emerging trends. The speaker highlighted the need for continuous learning and adaptability.

•Panel Discussion

- A panel of seasoned professionals from various tech sectors, including software development, cybersecurity, data science, and IT management, shared their career experiences and insights. They discussed the skills and qualities needed to succeed in their respective fields.

•Breakout Sessions

- Specialized breakout sessions addressed the specific interests of BCA, BScIT, and MCA students. Topics included:
 - Career paths in software development
 - Advances in artificial intelligence and machine learning
 - The evolving field of cybersecurity
 - Opportunities in data analytics and big data
 - Leadership and management roles in IT

•Interactive Workshops

- Practical workshops were conducted to help students enhance their technical and soft skills. Workshops included:
 - Coding bootcamps for various programming languages
 - Resume building and interview preparation
 - Networking and personal branding strategies
 - Developing effective communication and teamwork skills

•Q&A and Career Guidance Sessions

- Students participated in Q&A sessions with industry experts, seeking personalized advice and clarifications. Career counselors were available for one-on-one sessions to provide tailored career planning assistance.

•Networking Lunch

- A networking lunch allowed students to interact informally with industry professionals and faculty members, fostering connections and discussions about career opportunities.

Significance/Outcome:

The "Code Your Career" event had a significant impact on the participating students:

1. Increased Career Awareness

- Students gained a comprehensive understanding of the various career options available in the tech industry, helping them make informed decisions about their futures.

2. Skill Enhancement

- The workshops and breakout sessions equipped students with practical skills and knowledge, preparing them for the demands of the industry.

3. Personalized Career Guidance

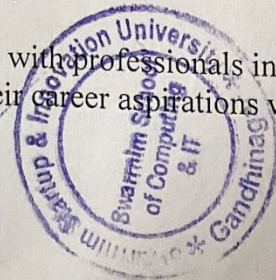

- One-on-one sessions with career counselors enabled students to develop personalized career plans, setting clear goals and actionable steps for their professional growth.

4. Networking Opportunities

- The event facilitated connections between students and industry experts, creating opportunities for mentorship, internships, and job placements.

5. Boosted Confidence and Motivation

- Exposure to success stories and direct interaction with professionals increased students' confidence and motivation to pursue their career aspirations with determination.

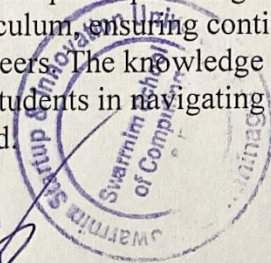

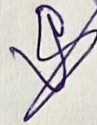

Quote / Comment

- N/A

Conclusion

The "Code Your Career" career counseling event was a tremendous success, achieving its objective of guiding and empowering BCA, BScIT, and MCA students. The event provided valuable insights into the tech industry's landscape, enhanced students' skills, and fostered a network of professionals and peers. The positive feedback from participants highlighted the need for such initiatives to be a regular part of the academic curriculum, ensuring continuous support and guidance for students as they prepare for their future careers. The knowledge and connections gained from this event will undoubtedly assist students in navigating their career paths and achieving their professional goals in the tech world.

SEMINAR ON PCR

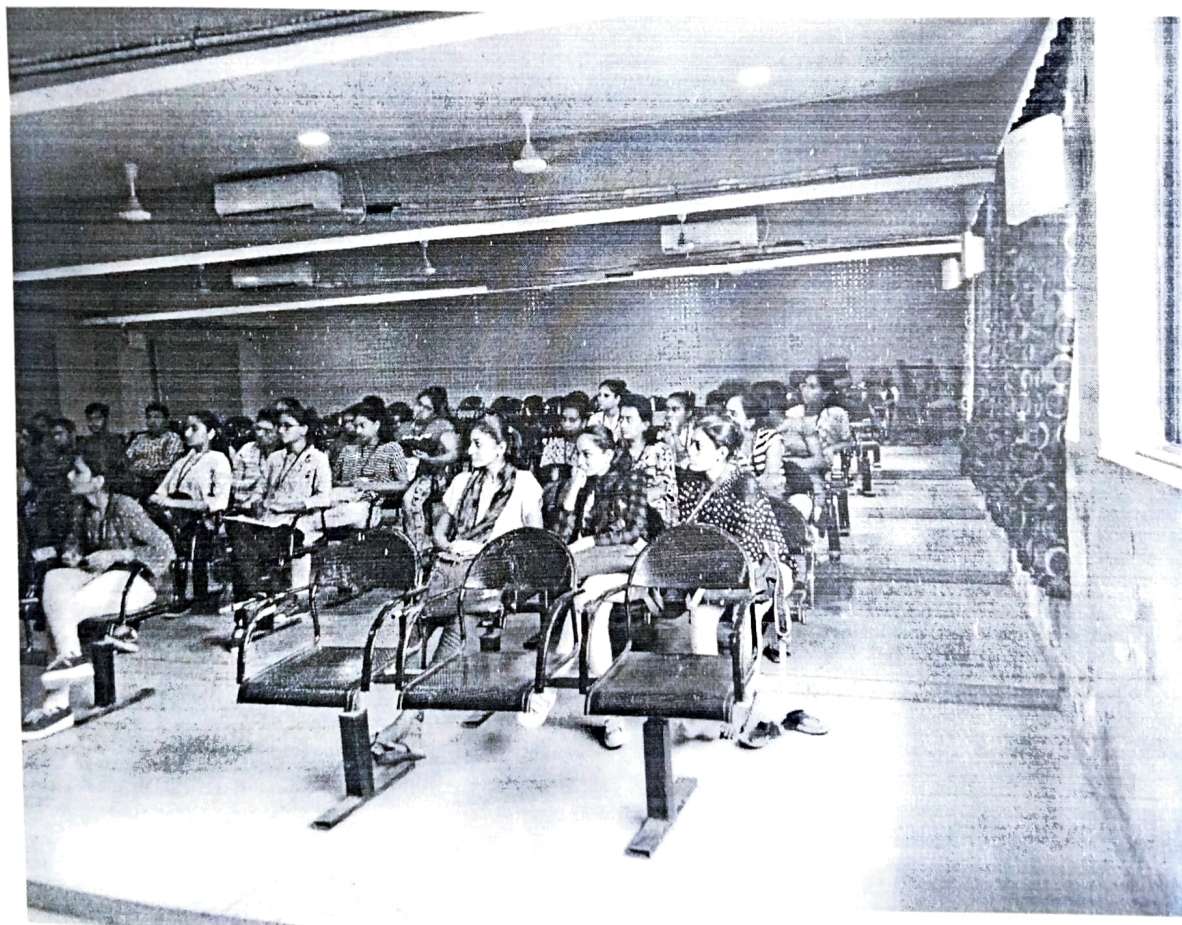

Name of event	PCR
Date of event	01/01/2023
Coordinator	Darshika Savalia
Organised by	Swarnnim Science College
Time	10:00AM to 12:00PM
Venue	Swarnnim Start Up And Innovation University
Reporter's name	Dr. Priti Mahla, Sonal Panchal

Summary

We had conducted a seminar on basic knowledge of Scope and application of PCR Polymerase Chain Reaction, wherein our guest speaker **Dr. Ragin Shah** very clearly explained the PCR materials, methods and processes and its uses in detail. He also explained how PCR is been used in the medical field, forensic labs and all research laboratories. It was an educational as well career oriented seminar. All the semester students participated in the seminar. Dr Ragin Shah also gave an opportunity to join his on-hand PCR coaching at minimum cost. It was useful for all the students to learn such a career oriented course at ease. We all were thankful to him for sharing with us such an educational knowledge.

Swarnim Startup & Innovation University
Swarnim Science College
Career Counselling 2022-23

Activity Report

School	Swarnim Science College		
Activity Type/Title	Career Counseling : Quality Assurance career Advisor		
Date	06/02/2023	Duration	1 day
Semester	BSc/MSc	No. of Students	82
Name with Designation	Patel Maulik Sr. Executive		
Name of Organization	Stivaph Health Care Pvt Ltd		
Faculty Coordinator	Vipul Sadava		
Faculty contact details	+91- 9016931688		
Sponsoring authority	Principal/Registrar		

Details about the activity:

1. Industry Tours

- Organize visits to local manufacturing plants or industrial sites. This hands-on exposure helps students understand different roles and the work environment.

2. Guest Speakers

- Invite professionals from various sectors to share their career journeys, challenges, and successes. This can inspire students by providing real-world insights.

3. Skill Workshops

- Conduct workshops on essential skills such as teamwork, problem-solving, and technical skills relevant to industrial careers. Use practical activities to reinforce learning.

4. Career Assessments

- Provide tools and assessments to help students identify their strengths and interests. Discuss how these can align with various industrial careers.

5. Job Shadowing

Arjun

- Facilitate job shadowing opportunities where students can observe professionals in their daily tasks, helping them visualize potential career paths.

6. Internship Programs

- Collaborate with local industries to create internship opportunities for students. This real-world experience can significantly boost their confidence and employability.

7. Networking Events

- Organize events where students can meet industry professionals and peers. Encourage them to build relationships and learn about different career opportunities.

8. Career Path Mapping

- Help students create visual career maps, outlining potential paths and the steps needed to achieve their goals. This can clarify their direction.

9. Soft Skills Development

- Offer training in soft skills such as communication, leadership, and adaptability, which are crucial for success in any industrial role.

10. Personal Development Plans

- Guide students in creating personalized development plans that include short-term and long-term goals, as well as actionable steps to achieve them.

By engaging students in these activities, you can motivate them to pursue careers in the industrial sector with a clearer understanding of their options and the skills needed for success.

Guest Faculty Lecture

Name of event	Guest Faculty Lecture
Date of event	11/8/2023
Coordinator	Darshika Savalia, Khushi Singh
Organised by	Swarnnim Science College
Time	10:00AM to 12:00PM
Venue	SSIU
Reporter's name	Dr. Priti Mahla, Dr. Visha Rathod

Summary :

On August 11, 2023, Swarnnim Science College organized a lecture featuring two distinguished guest faculty members, **Dr. Manju Shri** and **Dr. Kshipra Chauhan**. The first speaker, **Dr. Manju Shri**, delved into the fascinating realm of **CRISPR-Cas9 technology in agriculture**. The topic sparked considerable interest among the students, as it is a cutting edge and highly relevant field with immense potential for revolutionizing agricultural practices. Dr. Manju Shri likely provided insights into how CRISPR-Cas9 can be applied in agriculture, offering solutions and advancements that could contribute to sustainable and enhanced crop production. The second guest speaker, **Dr. Kshipra Chauhan**, shared her expertise on **immunoinformatics**. This field, at the intersection of immunology and bioinformatics, is crucial for understanding and developing strategies related to the immune system. Dr. Chauhan's lecture would have explored the significance of immunoinformatics, its applications in various domains, and possibly highlighted recent developments in the field. This topic is particularly relevant in the context of advancing healthcare and biomedical research. The students were fortunate to receive valuable and insightful information from both guest faculty members. The lectures were not only enriching but also served as a platform for students to broaden their knowledge and perspective on these scientific topics. The event provided a unique opportunity for students to engage with experts in the respective fields, gaining a deeper understanding of CRISPR-Cas9 technology in agriculture and the intricacies of immunoinformatics. In summary, the external guest faculty lecture at Swarnnim Science College on August 11, 2023, was a highly informative and engaging event, offering students valuable insights into the applications of CRISPR-Cas9 in agriculture and the significance of immunoinformatics in the field of science and medicine Semester 2,4,6 Students present in this lecture.

Conclusions:

Swarnim Science College arranged lecture on August 11, 2023, featuring guest faculty Dr. Manju Shri on CRISPR-Cas9 in agriculture and Dr. Kshipra Chauhan on immunoinformatics, cutting-edge scientific topics, offering students a unique opportunity to broaden their knowledge. The event showcased the college commitment to exposing students to relevant advancements in science and technology.

A handwritten signature in blue ink, appearing to read "Kshipra Chauhan".
