

Swarnim Startup & Innovation University Activity Report 2023-2024

Activity Report

Department	School of Business
Activity	Seminar on “Digital Etiquette and Career Development Planning”
Date	6 th February 2024
Duration	1 day
Semester	4 th Semester BBA & MBA
Expert Details	
Faculty Details	<ol style="list-style-type: none"> 1. Dr. Sourbhi Chaturvedi 2. Dr. Varsha Patel 3. Ms. Archana Vijayvargiya 4. Mr. Paras Parmar
Number of Participants	82 Students

Summary: The Seminar started with welcome speech by Director, HoD and faculty members. The expert started briefing about career path for the students. Students were informed about decisions about their career and develop a plan to achieve their goals in their life and

Aim: To aware students about Career counseling because it is essential for students to make informed decisions about their future. A well-structured career counseling plan helps students explore their interests, abilities, and values to choose a suitable career path.

- This session helped students identify their strengths and interests.
- Students came to know the guidance on career options and career pathways.
- This will be helpful in developing a plan to achieve their career objectives.
- The major objective behind organizing such seminar is to encourage young minds to develop an interest in all sorts of enterprises, and to encourage them to dream big in life.
- This would be helpful for them understand their own potential and get motivated to work towards the same.

Contd...

The primary objectives of the "Digital Dreams 2023-24" event were:

1. To educate students about the diverse career opportunities available in the tech industry.
2. To update students on the latest trends and technologies shaping the IT sector.
3. To offer personalized career advice through interactions with industry professionals.
4. To assist students in creating strategic career development plans.
5. To facilitate networking between students and industry experts.

•Inauguration and Welcome Address

- The event began with a welcome address by the college principal, emphasizing the significance of career planning and the role of the event in helping students achieve their professional goals.

•Keynote Session

- A distinguished industry expert delivered the keynote session, focusing on the future of technology and the importance of staying updated with emerging trends. The speaker highlighted the need for continuous learning and adaptability.

•Panel Discussion

- A panel of seasoned professionals from various tech sectors, including software development, cybersecurity, data science, and IT management, shared their career experiences and insights. They discussed the skills and qualities needed to succeed in their respective fields.

•Breakout Sessions

- Specialized breakout sessions addressed the specific interests of BCA, BScIT, and MCA students. Topics included:
 - Career paths in software development
 - Advances in artificial intelligence and machine learning

5. Boosted Confidence and Motivation

- Exposure to success stories and direct interaction with professionals increased students' confidence and motivation to pursue their career aspirations with determination.

Quote / Comment

- N/A

Conclusion

The "Digital Dreams 2023-24" career counseling event was a tremendous success, achieving its objective of guiding and empowering BCA, BScIT, and MCA students. The event provided valuable insights into the tech industry's landscape, enhanced students' skills, and fostered a network of professionals and peers. The positive feedback from participants highlighted the need for such initiatives to be a regular part of the academic curriculum, ensuring continuous support and guidance for students as they prepare for their future careers. The knowledge and connections gained from this event will undoubtedly assist students in navigating their career paths and achieving their professional goals in the tech world.

Photographs:

- The evolving field of cybersecurity
- Opportunities in data analytics and big data
- Leadership and management roles in IT

•Interactive Workshops

- Practical workshops were conducted to help students enhance their technical and soft skills. Workshops included:
 - Coding bootcamps for various programming languages
 - Resume building and interview preparation
 - Networking and personal branding strategies
 - Developing effective communication and teamwork skills

•Q&A and Career Guidance Sessions

- Students participated in Q&A sessions with industry experts, seeking personalized advice and clarifications. Career counselors were available for one-on-one sessions to provide tailored career planning assistance.

•Networking Lunch

- A networking lunch allowed students to interact informally with industry professionals and faculty members, fostering connections and discussions about career opportunities.

Significance/Outcome:

The "Digital Dreams 2023-24" event had a significant impact on the participating students:

1. **Increased Career Awareness**
 - Students gained a comprehensive understanding of the various career options available in the tech industry, helping them make informed decisions about their futures.
2. **Skill Enhancement**
 - The workshops and breakout sessions equipped students with practical skills and knowledge, preparing them for the demands of the industry.
3. **Personalized Career Guidance**
 - One-on-one sessions with career counselors enabled students to develop personalized career plans, setting clear goals and actionable steps for their professional growth.
4. **Networking Opportunities**
 - The event facilitated connections between students and industry experts, creating opportunities for mentorship, internships, and job placements.

Venue: Swarnnim Startup and Innovation University, Adalaj, Gandhinagar

Guest Faculty Lecture

Name of event	Guest Faculty Lecture
Date of event	15-03-2024
Coordinator	Darshika Savalia & Niral Thummar
Organized by	Swarnnim Science College
Time	10:00PM to 12:00PM
Venue	SSIU
Reporter's name	Dr.Priti Mahla, Sonal Panchal

Summary:

At Swarnnim Science College, a captivating external guest lecture was meticulously arranged, featuring esteemed professionals Mr. Jay Soni and Dr. Anokhi Shah. Dr. Shah, a luminary in the realm of clinical research and healthcare, boasts an impressive array of qualifications including BHMS, PGDHHM, PGDACR, and an MBA in healthcare management. With her extensive expertise, she delved deep into the intricate workings of clinical research, unraveling its operational mechanisms and shedding light on its pivotal role in advancing healthcare practices.

Complementing Dr. Shah's erudition was Mr. Jay Soni, an illustrious figure armed with an M.Sc. in Medical Technology, whose multifaceted roles as a trainer and business developer underscored his profound understanding of the field. He elucidated upon the noble endeavors of Cleantha Academy, an institution steadfastly committed to the pursuit of excellence in clinical research.

The event unfolded gracefully with a warm welcome from none other than the Academic Dean and Dr. Priti Mahla, radiating positivity and anticipation for the enlightening discourse ahead. As the lecture ensued, students were enraptured, hanging on to every word uttered by the distinguished speakers. The wealth of knowledge imparted by Dr. Shah and Mr. Soni resonated deeply with the audience, leaving an indelible impression and equipping them with invaluable insights into the nuances of clinical research and healthcare management.

As the curtains drew close on the enlightening session, an interactive quiz served as the perfect denouement, fostering active participation and consolidating the newfound knowledge acquired throughout the lecture. It was a fitting finale to an event brimming with intellectual stimulation and camaraderie.

In summation, the guest lecture proved to be an enriching odyssey for all in attendance, transcending mere academia to impart profound wisdom and ignite a passion for excellence in the realm of clinical research and healthcare management.

Ashang

Conclusions:

In essence, the event showcased the profound impact of collaborative learning, igniting a shared passion for excellence in clinical research and healthcare management among attendees. Through knowledge-sharing and camaraderie, participants were inspired to contribute meaningfully to the field. The transformative experience left them motivated and equipped with the necessary tools to embark on their own journeys towards advancing healthcare practices.

Introduction

Venus Institute of Physiotherapy is dedicated to the holistic development of its students. Recognizing the importance of competitive exams in shaping careers, we are organizing a comprehensive seminar on exam preparation. This initiative aims to equip students with effective strategies, study techniques, and the confidence to excel in their upcoming competitive exams.

Objectives

1. Enhance Exam Preparedness:

Provide students with practical tools and techniques to effectively prepare for competitive exams.

2. Build Confidence:

Help students build self-confidence through motivational talks and success stories.

3. Stress Management:

Teach methods to manage exam-related stress and maintain mental well-being.

4. Resource Sharing:

Offer valuable resources, study materials, and practice questions to aid in exam preparation.

Workshop Agenda

1. Welcome and Introduction (10 mins):

- Opening remarks by the Dean of Venus Institute of Physiotherapy
- Overview of the workshop objectives and agenda

2. Session 1: Effective Study Techniques (45 mins):

- Time management and study schedules
- Note-taking methods and revision strategies
- Interactive discussion on best practices

3. Break (10 mins)

- ### Conclusion
- The Ve
- their

- h

Conclusion

The Venus Institute of Physiotherapy is committed to supporting its students in all aspects of their academic and professional journeys. This seminar is a step towards ensuring that our students are well-prepared and confident as they approach their competitive exams. We believe that with the right guidance and resources, our students can achieve their highest potential and succeed in their future endeavors.

1. Purpose.

Seminar on Competitive Exams organized by Venus Institute of Physiotherapy. It serves as a record for documentation and future reference.

2. Event Overview

- Event Title: Seminar on Competitive Exams
- Date: 24/4/2024
- Time: 9:30 AM to 12:30 PM
- Platform: Seminar hall
- Participants: 22 students
- Speaker: Mrs. Nidhi (Placement Department, Swarnnim University)
- Webinar Conducted By: Dr Pruti Sangani (Faculty Coordinator)

3. Agenda:

1. Introduction (9:30 AM - 9:45 AM)
 - Welcome Address
2. Session on Higher Education Options (9:45 AM - 10:45 AM)
 - Overview of Postgraduate Programs in Physiotherapy
 - Opportunities in Research and Academic Fields
3. Break (10:45 AM - 11:00 AM)
4. Competitive Exams Guidance (11:00 AM - 12:00 PM)
 - Importance of Competitive Exams in Physiotherapy
 - Preparation Strategies for Exams like NEET-PG, AIIMS-PG, etc.
5. Interactive Q&A Session (12:00 PM - 12:30 PM)
 - Open Floor for Questions
 - Closing Remarks

4. Pre-Webinar Preparations

- **Planning:**
 - Identify the need for the webinar based on student interest and academic requirements.
 - Schedule the seminar date and time.
- **Coordination:**
 - Assign Dr. Pruti Sangani as the faculty coordinator to oversee and conduct the event.
 - Send invitations to students and faculty members.
- **Technical Setup:**
 - Conduct a test run to check audio, video, and connectivity.

5. Webinar Execution

- **Introduction:**
 - Mrs. Nidhi will introduce the topic and the agenda.
- **Presentation:**
 - Mrs. Nidhi will provide a comprehensive presentation on various aspects of competitive exams, including preparation strategies, resources, and time management.
- **Q&A Session:**
 - Allocate time for participants to ask questions and engage in discussion.
- **Feedback Collection:**
 - Use a feedback form to gather participants' impressions and suggestions for future events.

6. Post-Webinar Actions

- **Documentation:**
 - Prepare a report summarizing the webinar, including participant feedback and suggestions for improvement.

7. Conclusion

This Seminar serves as a guideline for organizing seminar effectively, ensuring smooth execution, and documenting key information for continuous improvement in future events.

to be prioritized. After the session is over, the Q&A session was started in which student asked many questions and solved their doubts.

Aim: To aware students about Personality Development and Career Enhancement as it is essential for students to make informed decisions about their future. A well-structured career counseling plan helps students explore their interests, abilities, and values to choose a suitable career path.

Significance/Outcome: The significance/outcomes are as below:

- This session helped students identify their strengths and interests.
- Students came to know the guidance on career options and career pathways.
- This will be helpful in developing a plan to achieve their career objectives.
- The major objective behind organizing such seminar is to encourage young minds to develop an interest in all sorts of enterprises, and to encourage them to dream big in life.
- This would be helpful for them understand their own potential and get motivated to work towards the same.

Conclusion: This workshop was truly professional and well managed till the end. The staff and students were thankful to the Expert and **Swarnim Startup and Innovation University's** management for granting the permission for this seminar.

AARIHANT INSTITUTE OF NURSING

Activity Report

Institute	Arihant institute of nursing		
Department	Nursing		
Activity Type	One day session		
Date	12/12/2023	Duration	1 day
Semester	2nd P.B.B sc	No. of Students	34
Name with Designation	Ms. Rachana mehata , Soft skill trainner		
Expert contact details	Dr. Amit Vyas , Principal		
Faculty Coordinator	Mr. Deepak		
Sponsoring authority	Principal/Registrar	Sponsorship amount:	As per University Norms

Report on Session: Layers of Personality

Objective:

The session aimed to help nursing students understand the layers of personality and how these layers can influence patient interactions and self-awareness in a clinical setting.

Details about the activity:

- A one day session for the students of year B.Sc nursing students was arranged on 12 december 2023. The session was conducted in class . The session started with a brief explanation about what is **layer of personalities**, and importance of professional development for students which help students to develop personal interests, strengths, and values, exploring potential career paths, setting goals, and developing strategies to achieve them. This whole session conducted by Ms. Rachana Mehata , soft skill trainer Gandhinagar

Summary:

The session provided an overview of personality, focusing on its multi-layered nature:

- **Core Self:** Fundamental beliefs and values that form the basis of an individual's identity.
- **Personality Traits:** Consistent characteristics, such as empathy or assertiveness, that affect behavior and patient care.
- **Behavioral Patterns:** Actions and reactions that emerge from deeper personality traits.

- **Situational Influences:** External factors that can impact behavior and interactions with patients.

Interactive activities included self-assessments and role-playing scenarios to apply these concepts to nursing practice.

Key Insights:

- **Enhanced Empathy:** Understanding different personality layers can improve empathy and patient care.
- **Self-Awareness:** Increased awareness of one's own personality traits can enhance communication and stress management.
- **Adaptability:** Recognizing situational influences helps in adapting approaches to different patient needs.

Feedback:

Students appreciated the practical approach and interactive components. Suggestions included more case studies relevant to nursing scenarios.

Conclusion:

The session successfully highlighted how understanding personality layers can enhance nursing practice and improve patient interactions.

Conclusion

The "Code Your Career" career counseling event was a tremendous success, achieving its objective of guiding and empowering BCA, BScIT, and MCA students. The event provided valuable insights into the tech industry's landscape, enhanced students' skills, and fostered a network of professionals and peers. The positive feedback from participants highlighted the need for such initiatives to be a regular part of the academic curriculum, ensuring continuous support and guidance for students as they prepare for their future careers. The knowledge and connections gained from this event will undoubtedly assist students in navigating their career paths and achieving their professional goals in the tech world.

Photographs:

•Interactive Workshops

- Practical workshops were conducted to help students enhance their technical and soft skills. Workshops included:
 - Coding bootcamps for various programming languages
 - Resume building and interview preparation
 - Networking and personal branding strategies
 - Developing effective communication and teamwork skills

•Q&A and Career Guidance Sessions

- Students participated in Q&A sessions with industry experts, seeking personalized advice and clarifications. Career counselors were available for one-on-one sessions to provide tailored career planning assistance.

•Networking Lunch

- A networking lunch allowed students to interact informally with industry professionals and faculty members, fostering connections and discussions about career opportunities.

Significance/Outcome:

The "Code Your Career" event had a significant impact on the participating students:

1. Increased Career Awareness

- Students gained a comprehensive understanding of the various career options available in the tech industry, helping them make informed decisions about their futures.

2. Skill Enhancement

- The workshops and breakout sessions equipped students with practical skills and knowledge, preparing them for the demands of the industry.

3. Personalized Career Guidance

- One-on-one sessions with career counselors enabled students to develop personalized career plans, setting clear goals and actionable steps for their professional growth.

Networking Opportunities

- The event facilitated connections between students and industry experts, creating opportunities for mentorship, internships, and job placements.

Boosted Confidence and Motivation

- Exposure to success stories and direct interaction with professionals increased students' confidence and motivation to pursue their career aspirations with determination.

deep run

SEMINAR ON PCR

Name of event	PCR
Date of event	01/01/2023
Coordinator	Darshika Savalia
Organised by	Swarnnim Science College
Time	10:00AM to 12:00PM
Venue	Swarnnim Start Up And Innovation University
Reporter's name	Dr. Priti Mahla, Sonal Panchal

Summary

We had conducted a seminar on basic knowledge of Scope and application of PCR Polymerase Chain Reaction, wherein our guest speaker **Dr. Ragin Shah** very clearly explained the PCR materials, methods and processes and its uses in detail. He also explained how PCR is been used in the medical field, forensic labs and all research laboratories. It was an educational as well career oriented seminar. All the semester students participated in the seminar. Dr Ragin Shah also gave an opportunity to join his on-hand PCR coaching at minimum cost. It was useful for all the students to learn such a career oriented course at ease. We all were thankful to him for sharing with us such an educational knowledge.

Activity Report

School	Swarnnim Science College		
Activity Type/Title	Career Counseling : Quality Assurance career Advisor		
Date	06/02/2023	Duration	1 day
Semester	BSc/MSc	No. of Students	82
Name with Designation	Patel Maulik Sr. Executive		
Name of Organization	Stivaph Health Care Pvt Ltd		
Faculty Coordinator	Vipul Sadava		
Faculty contact details	+91- 9016931688		
Sponsoring authority	Principal/Registrar		

Details about the activity:

1. Industry Tours

1. Industry Tours

- Organize visits to local manufacturing plants or industrial sites. This hands-on exposure helps students understand different roles and the work environment.

2. Guest Speakers

- Invite professionals from various sectors to share their career journeys, challenges, and successes. This can inspire students by providing real-world insights.

3. Skill Workshops

- Conduct workshops on essential skills such as teamwork, problem-solving, and technical skills relevant to industrial careers. Use practical activities to reinforce learning.

4. Career Assessments

- Provide tools and assessments to help students identify their strengths and interests. Discuss how these can align with various industrial careers.

5. Job Shadowing

Arhan

- Facilitate job shadowing opportunities where students can observe professionals in their daily tasks, helping them visualize potential career paths.

6. Internship Programs

- Collaborate with local industries to create internship opportunities for students. This real-world experience can significantly boost their confidence and employability.

7. Networking Events

- Organize events where students can meet industry professionals and peers. Encourage them to build relationships and learn about different career opportunities.

8. Career Path Mapping

- Help students create visual career maps, outlining potential paths and the steps needed to achieve their goals. This can clarify their direction.

9. Soft Skills Development

- Offer training in soft skills such as communication, leadership, and adaptability, which are crucial for success in any industrial role.

10. Personal Development Plans

- Guide students in creating personalized development plans that include short-term and long-term goals, as well as actionable steps to achieve them.

By engaging students in these activities, you can motivate them to pursue careers in the industrial sector with a clearer understanding of their options and the skills needed for success.

Swarnim Science College arranged lecture on August 11, 2023, featuring guest faculty Dr. Manju Shri on CRISPR-Cas9 in agriculture and Dr. Kshipra Chauhan on immunoinformatics, was a highly informative and engaging event. The lectures provided valuable insights into cutting-edge scientific topics, offering students a unique opportunity to broaden their knowledge. The event showcased the college commitment to exposing students to relevant advancements in science and technology.

Ashu

SOP of Program:

Specify the importance of maintaining patient confidentiality, professionalism, and ethical conduct.

Mention any specific guidelines related to personal appearance, such as neat grooming, minimal use of jewelry, and appropriate footwear.

Provide guidelines regarding informing the supervising physiotherapist or relevant authorities in case of absence or any unavoidable delays.

Emphasize the importance of adhering to ethical principles, patient confidentiality, and informed consent.

Mention the importance of maintaining accurate and up-to-date patient records, including assessment findings, treatment plans, and progress notes.

Checked Ok

hai Shah

or / Remedial

Communication:

Highlight the significance of effective communication with patients, their families, and other healthcare professionals.

Provide guidelines on how to communicate clearly, empathetically, and respectfully with patients while ensuring they understand their condition, treatment, and progress.

Safety and Infection Control:

Discuss the importance of maintaining a safe and clean environment for patients and healthcare providers.

Provide guidelines on infection control measures, such as hand hygiene, proper use of personal protective equipment (PPE), and disposal of biohazardous waste.

Clinical Skills and Professional Development:

Outline the expectations regarding the development of clinical skills and continuous professional growth during the clinical posting.

Encourage students to seek guidance from supervising physiotherapists, actively participate in learning opportunities, and engage in self-reflection and evaluation.

Evaluation and Assessment:

Describe the assessment process for the clinical posting, including any required documentation, evaluations, or examinations.

Provide information on the criteria for successful completion of the clinical rotation and the consequences of not meeting the required standards.

Report:

Date of event: 22/05/23 to 21/06/23	Coordinator	Dr. Arvind Kumar
-------------------------------------	-------------	------------------

Name and Type of Event/Activity	Hospital Visit
Organized by:	Swarnim Start Up & Innovation University
Department	Venus institute of Physiotherapy
No of Attender	55
No. Of Days	30 days

Brief outline addressed in the event:

In the month of May and June, 2023, the students of 3rd year and 4th year B.P.T went for the clinical posting in the different hospitals of Ahmedabad and Gandhinagar that already has been collaborated with Venus Institute of Physiotherapy, Swarnim Start-up and Innovation University. After completing theory and practical classes of 3rd and Final year of BPT, students has to go through the clinical practice. Thus, the went for clinical posting via hospitals like Shelby hospital (S.G highway, Naroda branch, Galaxy and krishna), S.M.S Multi-speciality Hospital, Health 1 Hospital, ESIC Hospital and Hitech Hospital. The faculties of the Venus Institute has already been allotted their days of clinical posting so that the proper practical and clinical knowledge can be shared to the students by faculties. Well collaboration has already been established by the institute with the Doctors presented there to acknowledge the sharing of values and knowledge.

Time duration of 1 month has been decided for clinical posting. Thus, 22nd May to 22nd June, 2023 were selected so students can have good clinical practice before their university exams. Time duration of 8 hours per day has been decided for students where different kind of special practice like orthopaedic, neurology, cardiopulmonary, rehabilitation, gynecology have been expanded for students.

Come for Students:

As per exposure of different kind of conditions came to the hospitals for Physiotherapy bilitation, students got wide spectrum of good clinical practice. Patients from OPDs and were treated by our 3rd and Final year students as a part of academics. All students were cited to learn and explore different conditions. Thus clinical posting was good chance to and implant the knowledge that they have been acquired throughout the academic

INDUSTRIAL VISIT AT MISSION HEALTH AND SCIENCE CITY

SOP of Program:

Planning and Coordination: The Venus Institute of Physiotherapy has planned and coordinate the industrial visit well in advance to ensure the availability of the industry, their consent to host the visit, and the scheduling of the visit.

Selection of Industry: The Institute has selected Industry centers e.i. Mission Health and Science city that is relevant to the course curriculum and offers practical exposure to students.

Invitation and Confirmation: The Institute has sent an invitation to the Mission Health and Science city and seek their confirmation regarding the visit date, time, and other logistical details.

Information and Guidelines: The Institute has provided the students with all the necessary information about the industrial visit, including the date, time, venue, dress code, behavior, and conduct guidelines.

Registration and Permissions: The Institute has collected the registration in the form of entry fees from interested students and ensure that they gained the necessary permissions from their parents or guardians.

Transportation and Logistics: The Institute has arranged transportation and other logistical support for the students who needed it during the visit.

Pre-Visit Briefing: The Institute has conducted a pre-visit briefing for the students to educate them about the industry, its products or services, and the various processes involved.

Visit and Observations: The students visited the Mission Health and Science city and observe the various processes and operations involved in the production or service delivery.

Post-Visit Debriefing: The Institute has conduct a post-visit debriefing to discuss the observations, clarify doubts, and analyze the insights gained from the visit.

Name and Type of Event/Activity	Educational visit at Mission health and Science city
Organized by:	Swarnim Start Up & Innovation University
Department	Venus institute of Physiotherapy
No of Attender	70
No. Of Days	01 day

Brief outline addressed in the event:

On 7th April, 2023, Students of BPT were assigned to go for an educational visit of Mission health and Science city. They reached to the Mission health before 9:30 AM. The guide from the Mission health were there to orient the student. They enjoyed there visiting Orthopaedic, Neurological and Gymnastic department on ground floor. Apart from that, Students gained innovative knowledge from Robotics department and hi-tech rooms for Pneumatic compression, LASER therapy room and Treadmill training with Body weight support. Student had so much fun with learning in Mission health center.

On 12:00 PM, they all had lunch and went for visiting Science city. They all were so much emmused by the vast area occupied by the city. Firstly the visited to the Aquatic gallery, where the saw different kind of speaces of fishes. Robotic gallery had hi-tech rooms for robotic and Artificial Intellegence equipment. Nature park was full of greenery. They enjoyed watching clips in 5D cinema and under Virtual reality effects. At last, everyone gathered near the main gate and discussed their experience of the day. They disperse around 5:00 PM after taking group photos.

Outcome for Students:

As the Mission health centre was the great example of Innovative Physiotherapy care, all students learnt about the creative ways to cure patients by our profession. Science city was a great example of man-made City of fun and knowledge. The moderator taught the students about how aquatic therapy helps the patients and how hydrotherapy works. They also shared their knowledge about the role of Virtual therapy in neurological conditions like paralysis. They also highlighted the role of robotic training in our profession.

All student were pleased by knowing those innovative ideas used in physiotherapy and this trip helped the students to enhance their communication skills, team work and networking skills in professional field

Purpose:

Purpose:
The Training and Placement Counselling session aims to provide valuable insights and guidance to students regarding career opportunities in the field of physiotherapy. It is designed to equip participants with essential skills and knowledge necessary for their professional development and career advancement.

Agenda:

1. **Introduction: (9:30 AM - 9:45 AM)**
 - Welcome address and introduction of the speaker.
 - Overview of the session objectives and expected outcomes.
2. **Career Opportunities in Physiotherapy: (9:45 AM - 10:45 AM)**
 - Exploration of diverse career paths within the field.
 - Discussion on industry trends and job prospects.
3. **Skill Development: (10:45 AM - 11:00 AM)**
 - Identification of key skills required for success in physiotherapy careers.
 - Strategies for skill enhancement and professional growth.
4. **Placement Guidance: (11:00 AM - 12:00 PM)**
 - Insights into the placement process and tips for securing internships and job opportunities.
 - Guidance on resume building, interview preparation, and professional networking.
5. **Interactive Session: (12:00 PM - 12:30 PM)**
 - Q&A segment for participants to seek clarification and advice.
 - Interactive activities to engage participants and reinforce learning.
6. **Conclusion:**
 - Summary of key takeaways from the session.
 - Closing remarks and expressions of gratitude.

Logistics:

- **Venue:** Venus Institute of Physiotherapy.
- **Time:** 9:30 AM to 12:30 PM
- **Materials:** Presentation slides, handouts.

Roles and Responsibilities:

- **Speaker:** Mr. Shubham will lead the session and facilitate discussions.
- **Organizers:** Ensure logistics and materials are prepared and manage the session flow.

- Interactive discussion on best practices

3. Break (10 mins)

Session 2: Subject-Specific Strategies (60 mins):

- Tips and strategies for major subjects covered in competitive exams
- Guest speaker:
- Q&A session with the speaker

4. Lunch Break (30 mins)

5. Session 3: Practice Questions and Mock Tests (60 mins):

- Hands-on practice with sample questions
- Group activities and problem-solving sessions
- Tips on approaching different types of questions

6. Break (10 mins)

7. Session 4: Stress Management Techniques (45 mins):

- Relaxation exercises and mindfulness practices
- Coping strategies for exam anxiety
- Interactive session with a mental health professional

8. Feedback and Closing Remarks (20 mins):

- Collecting participant feedback
- Sharing additional resources and study materials
- Closing remarks by the organizing committee

Expected Outcomes

- **Improved Preparation:** Students will have a better understanding of how to effectively prepare for competitive exams.
- **Increased Confidence:** Enhanced self-confidence and reduced exam anxiety among participants.

- **Resource Accessibility:** Access to a variety of study materials and practice questions.
- **Ongoing Support:** Creation of a supportive community for continuous interaction and support.

Conclusion

The Venus Institute of Physiotherapy is committed to supporting its students in all aspects of their academic and professional journeys. This workshop is a step towards ensuring that our students are well-prepared and confident as they approach their competitive exams. We believe that with the right guidance and resources, our students can achieve their highest potential and succeed in their future endeavors.

Objectives

1. **Enhance Exam Preparedness:** Provide students with practical tools and techniques to effectively prepare for competitive exams.
2. **Build Confidence:** Help students build self-confidence through motivational talks and success stories.
3. **Stress Management:** Teach methods to manage exam-related stress and maintain mental well-being.
4. **Resource Sharing:** Offer valuable resources, study materials, and practice questions to aid in exam preparation.

Workshop Agenda

1. Welcome and Introduction (10 mins):

- Opening remarks by the Dean of Venus Institute of Physiotherapy and welcome of our guest Mr. Shrivastav.
- Overview of the workshop objectives and agenda

2. Session 1: Effective Study Techniques (45 mins):

- Time management and study schedules
- Note-taking methods and revision strategies
- Interactive discussion on best practices

3. Break (10 mins)

Session 2: Subject-Specific Strategies (60 mins):

- Tips and strategies for major subjects covered in competitive exams
- Guest speaker:
- Q&A session with the speaker

4. Lunch Break (30 mins)

5. Session 3: Practice Questions and Mock Tests (60 mins):

- Hands-on practice with sample questions

Date: 2024.10.10 10:45:46 +05'30'

- o Group activities and problem-solving sessions
- o Tips on approaching different types of questions

6. Break (10 mins)

7. Session 4: Stress Management Techniques (45 mins):

- o Relaxation exercises and mindfulness practices
- o Coping strategies for exam anxiety
- o Interactive session with a mental health professional

8. Feedback and Closing Remarks (20 mins):

- o Collecting participant feedback
- o Sharing additional resources and study materials
- o Closing remarks by the organizing committee

Expected Outcomes

- **Improved Preparation:** Students will have a better understanding of how to effectively prepare for competitive exams.
- **Increased Confidence:** Enhanced self-confidence and reduced exam anxiety among participants.
- **Resource Accessibility:** Access to a variety of study materials and practice questions.
- **Ongoing Support:** Creation of a supportive community for continuous interaction and support.

Conclusion

The Venus Institute of Physiotherapy is committed to supporting its students in all aspects of their academic and professional journeys. This workshop is a step towards ensuring that our students are well-prepared and confident as they approach their competitive exams. We believe that with the right guidance and resources, our students can achieve their highest potential and succeed in their future endeavors.

Activity Report

School	Swarnnim Institute of Technology		
Department	Chemical, Environment, Civil, Electrical, Mechanical, Automobile department		
Activity Type/Title	Carrier Counseling : A WAY TO ABRAOD		
Date	15/03/2023, Wednesday	Duration	1 day
Semester	6 th , 8 th B.tech	No. of Students	35
Name with Designation	Dr. Deepak Singh (Consultant)		
Name of Organization	Learn English, Ahmedabad		
Expert contact details	9567891222		
Faculty Coordinator	Dr Sayantani Basu, Dr Parwathi Pillai, Dr Savan Tank		
Faculty contact details	+91- 9016931688		
Sponsoring authority	Principal/Registrar	Sponsorship amount:	As per University Norms

Details about the activity:

These programme is been highlighted for the Students of 3rd and 4th year for better understanding about the IELTS preparation. These are the steps and some tips the expert has shared.

Preparing for the International English Language Testing System (IELTS) requires a strategic approach to enhance your language skills and perform well in all four test sections: Listening, Reading, Writing, and Speaking. Here's a concise summary for students:

1. **Understand the Test Format:** Familiarize yourself with the IELTS test format, including the types of questions and the scoring criteria for each section. This knowledge is crucial for effective preparation.
2. **Assess Your Current Level:** Take an initial practice test to identify your strengths and weaknesses. This will help you focus on areas that need improvement.
3. **Create a Study Plan:** Develop a structured study plan that covers all four sections of the test. Allocate time for each section based on your initial assessment and stick to your schedule.
4. **Enhance Language Skills:** Improve your vocabulary, grammar, and overall language proficiency. Engage in regular reading, listening to English audio materials, writing essays, and speaking in English to boost your skills.
5. **Practice Listening and Reading:** Use IELTS practice materials to simulate test conditions. Listen to various English accents and read diverse texts to improve your comprehension and speed.
6. **Develop Writing Skills:** Practice writing essays and reports within the given time limits. Focus on clarity, coherence, and proper structuring of your responses.
7. **Improve Speaking Ability:** Engage in English conversations, record yourself speaking, and practice with a partner or coach to enhance your fluency and pronunciation.
8. **Take Mock Tests:** Regularly take full-length mock tests under timed conditions to build stamina and get accustomed to the test format. Review your answers and learn from your mistakes.
9. **Seek Feedback and Guidance:** Consider enrolling in an IELTS preparation course or seeking feedback from a tutor to fine-tune your preparation.

By following these steps diligently, students can improve their English language proficiency and increase their chances of achieving a high score on the IELTS exam, paving the way for opportunities in education and career advancements globally.

Prof. Kalpesh Patel began the seminar by welcoming the students and providing an overview of the agenda. He highlighted the importance of software engineering in today's technology-driven world and how it impacts various industries.

Software Engineering Overview

Prof. Patel explained the fundamentals of software engineering, including its definition, key principles, and the role of software engineers in developing, testing, and maintaining software systems. He discussed the importance of problem-solving skills, logical thinking, and creativity in this field.

Educational Pathway

Prof. Patel outlined the educational pathway to becoming a software engineer. He emphasized the importance of a strong foundation in computer science and mathematics. The key subjects and courses that students should focus on during their B.Tech program were discussed, including programming languages, data structures, algorithms, databases, and software development methodologies.

Skills and Qualifications

The seminar covered the essential skills and qualifications required for a career in software engineering. Prof. Patel emphasized the need for continuous learning and staying updated with the latest technologies and trends. Key skills discussed included:

- Proficiency in programming languages (e.g., Python, Java, C++)
- Understanding of software development methodologies (e.g., Agile, Scrum)
- Knowledge of databases and data management
- Problem-solving and analytical skills
- Communication and teamwork skills

Career Opportunities

Prof. Patel provided an overview of the various career opportunities available in the field of software engineering. He discussed different roles such as software developer, software tester, systems analyst, and project manager. The potential for career growth and the demand for software engineers in different industries, including IT, finance, healthcare, and entertainment, were highlighted.

Challenges and Solutions

The seminar also addressed the challenges faced by software engineers, such as keeping up with rapid technological advancements, managing complex projects, and ensuring software quality and security. Prof. Patel shared strategies to overcome these challenges, including continuous learning, effective project management, and adopting best practices in software development.

Q&A Session

Conclusion

Recommendations

1. Conduct similar seminars for other engineering disciplines to provide students with a broader understanding of various career opportunities.
2. Organize hands-on workshops and coding bootcamps to help students develop practical skills in software engineering.
3. Establish mentorship programs where students can connect with industry professionals for guidance and support.
4. Provide resources and materials for continuous learning and staying updated with the latest trends and technologies in software engineering.
