Objective of the event:

Every year, World Environment Day is observed globally on **June 5**. It is celebrated to mark the importance of nature and the environment and it also gives out a message to the global population that nature should not be undervalued and it should not be taken for granted at any cost.

The theme for World Environment Day 2023 is focus on solutions to plastic pollution under the campaign **#BeatPlasticPollution**.

Flow of the event:

. On the occasion of world environment day every member of SSIU university had taken oath for beat plastic pollution. Environment Awareness Rally was started at 10:00am from Aarihant General Hospital. After completion of rally tree plantation at herbal garden area was completed. *Aaragvadha, Karvira, Aamalaki, Tulsi, Neem* and other ornamentals plants were planted by students of 1st Year (New & Old), 3rd Year and 4th BAMS, Teaching Staff, Non-Teaching staff, Admin staff.

Significance / Outcome:

20+ plants were planted in garden, more than 250 students had participated and around 30 members of AAMC & RI were also actively participated.

Objective of the event:

Cardiac arrest (CA) is almost always associated with loss of consciousness. Consciousness during CA and cardiopulmonary resuscitation (CPR) is rare, but it is most likely with high-quality CPR with few interruptions, adequate depth of chest compression, and use of mechanical devices for chest compression.

That's why awareness programme was arranged for students of Aarihant Ayurvedic Medical College and Research Institute by Kayachikitsa Department.

Flow of the event:

Awareness Programme was started with Dhanvantari Poojan by staff & students. After that introduction of cardiac arrest, symptoms, complications, what is CPR? , emergency first aid treatment for cardiac patients was given by Dr. Tushar Punse (Associate Professor, Dept. KC). Dr. Jaimin Vaghela gave assistance support for performing CPR on dummy, and also teaches students how to give CPR. All 1st Year (New & Old), 3rd Year and 4th BAMS, Teaching Staff, Non-Teaching staff, Admin staff had taken actively part in this awareness programme.

Significance / Outcome:

200 students, teaching, non-teaching and hospital staff had actively participated.

Objective of the event:

The International Day of Yoga has been celebrated annually on 21 June since 2015; following its inception in the United Nations General Assembly in 2014. Yoga is a physical, mental and spiritual practice which originated in India. The Indian Prime Minister, Narendra Modi, in his UN address in 2014, had suggested the date of 21st June, as it is the longest day of the year in the Northern Hemisphere and shares a special significance in many parts of the world.

Yoga is an invaluable gift of India's ancient tradition. It embodies unity of mind and body; thought and action; restraint and fulfillment; harmony between man and nature; a holistic approach to health and well-being. It is not about exercise but to discover the sense of oneness with yourself, the world and the nature. By changing our lifestyle and creating consciousness, it can help in well-being. Let us work towards adopting an International Yoga Day.

9th International Day of Yoga celebration was organized by Department of Swasthavritta & Yoga, Aarohant Ayurvedic Medical College & Research Institute, which is constitute of Swarnim Startup and Innovation University.

Artificial intelligence (AI)

Artificial intelligence is a field of science concerned with building computers and machines that can reason, learn, and act in such a way that would normally require human intelligence or that involves data whose logic exceeds what humans can analyze.

Four stages of AI development

1. Reactive machines
2. Limited memory
3. Theory of mind
4. Self-aware

Objective of the event:

Organ donation is the process when a person allows an organ of their own to be removed and transplanted to another person, legally, either by consent while the donor is alive or dead with the assent of the next of kin. Donation may be for research or, more commonly, healthy transplantable organs and tissues may be donated to be transplanted into another person. To increase the number of organ donors, especially among underrepresented populations, current approaches include the use of optimized social network interventions, exposing tailored educational content about organ donation to target social media users. Every year August 13 is observed as **World Organ Donation Day** to raising awareness about the importance of organ donation. So, for the awareness, seminar and rally were organized by Aarivant Ayurvedic Medical College & Research Institute, Swarnim Startup and Innovation University.

Flow of the event:

The event was started around 9.30 am on 11/08/2023. Students and faculties were reached by bus at Kalol. After that rally was started. Students had prepared various slogans and posters for awareness. Seminar was started around 2.00 pm. Dr. Akhil Paul had given very informative speech on awareness of organ donation. Dr. Navin Banarase had felicitate with certificate. On 17/08/2023 Anatomy department had arranged “An organ informative based ramp walk competition. 1st year BAMS students actively participated in this competition Each body organs & small parts of each system of human body were well explained by students. Dr.Manik Godbole & Dr.Daivdhala ma'am judged the students and gave them rank. Dr. Rakesh Salve sir (Academic Director) had also given us very important information about organ donation.

Significance / Outcome:

Approximately 150 students and faculties had taken benefit of this rally & seminar.

Brief outline addressed in the event:

On the occasion of World Physiotherapy day, The Venus Institute of Physiotherapy has organized Community outreach or Survey of Arthritis and Arthritic related features in the nearby village named Dhanot on the date of 5th September, 2023. It was greatly co-ordinated by all faculty members of Venus Institute of Physiotherapy. As the theme given by WCPT of this year's Physiotherapy day was "Arthritis", the outreach survey was totally oriented towards the Arthritic problems of Layman community.

The prior instruction was given to all students to be present in ground area for common instruction on sharp 9:15 AM, everyone gathered on same note. One photography session was conducted by the Photography committee to have memory of this great NSS work done by the Institute. After the photography session, everyone went for taking seats in the bus. After being seated in the bus, everyone went for the village.

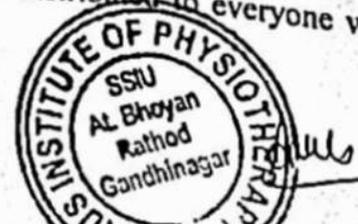

In the Dhanot village, all members of panchayat gathered at one place to welcome us. Panchayat members informed all villagers about the survey thus the event was very supportive from their end. As a part of the preparation of community reach, all faculty members divided the students into 5 groups that contained 4 students of final year, 3 students of 3rd year and 2 year. The assessment forms/survey forms were distributed to everyone with

It was instructed to everyone to go various places of the village and take a quick survey about the features and difficulties they all were facing due to arthritis. All villagers were very supportive to be participated in the survey. The survey for contained the basic demographic data, pain assessment and WOAMC scale that shows difficulty facing in ADLs (Activities of Daily Living). After taking the quick survey, the home based exercise programs were also adviced by the students to the villagers. More than 90 survey data were taken by the students in that community outreach survey. Around 2 PM, everyone gathered around the bus and had question answer session.

After taking so many educational memories and knowledge of how to have an interaction with true problem facing people, they reached to the University ground. After having lunch break, principal sir took follow up of the survey form and gave thank you speech as a token of appreciation to all students. Day ended on the good note.

Objective of the event:

- 1) **World AIDS Day**, designated on 1 December every year since 1988, is an international day dedicated to raising awareness of the AIDS pandemic caused by the spread of HIV infection and mourning those who have died of the disease. The acquired immunodeficiency syndrome (AIDS) is a life-threatening condition caused by the human immunodeficiency virus (HIV). The HIV virus attacks the immune system of the patient and reduces its resistance to other 'diseases'. Government and health officials, non-governmental organizations, and individuals around the world observe the day, often with education on AIDS prevention and control. World AIDS Day is one of the eleven official global public health campaigns marked by the World Health Organization (WHO). So as a part of medical education many students were aware about this pandemic disease thus they can spread awareness regarding prevention of AIDS amongst the society. **Basic Aim of this event to spread awareness about AIDS disease amongst Village people.**
- 2) To spread awareness regarding this year theme- **“ LET COMMUNITIES LEAD”**.
- 3) This event was organized to encourage students to participate in such activity so their communication skill would develop and in future they will become good Health Workers to serve better in Mankind.

Flow of the event: mention the flow / schedule of the event in detail

- 1) **At 10.00 all students and faculties gathered at college and started our awareness campaign from college people .**
- 2) **We reached at Tintoda village at 10:30 am and started our rally .**
- 3) **After rally Intern students performed Nukkad Natak.**
- 4) **At 12.30 rally completed.**
- 5) **At 1 pm all student and faculties returned to college.**

Significance/Outcome:

Students become active member of our health delivery system and participant of noble work. They understand the field work done by a doctor related to promotion, awareness, prevention apart from treatment.. Student’s communication skills and confidence developed due to such event.

Conclusion:

ON 01/12/2023 on the occasion of World AIDS day AARIHANT HOMOEOPATHIC MEDICAL COLLEGE AND RESEARCH INSTITUTE organized AIDS prevention Rally and Nukkad Natak at Tintoda Village. Basic Aim of this event to spread awareness about AIDS disease amongst Village people and also this year theme- ‘LET COMMUNITIES LEAD’. It also encourage students to participate in such activity so their communication skill would develop and in future they will become good Health Workers to serve better in Mankind. 130 students and 10 faculties were participated in this Awareness Program.

Objective of the event:

World Breastfeeding Week Awareness Campaign objective is to promote and support breastfeeding practices. Objective of awareness campaign at Uvarsad was to-

1. To create awareness about this year theme - **Closing the gap: Breastfeeding support for all.**
2. **Increase Awareness:** Educate the public about the benefits of breastfeeding for both infants and mothers. This includes emphasizing its role in improving health outcomes and supporting maternal well-being.
3. **Advocating for Supportive Environments:** Educating family members to provide healthy environment in support of breastfeeding.
4. **Promoting Breastfeeding Education:** Enhance knowledge about breastfeeding techniques, the importance of early initiation, and the value of exclusive breastfeeding for the first six months.
5. **Addressing Barriers:** Identify and address common challenges and barriers to breastfeeding, including social, economic, and healthcare-related obstacles.
6. **Celebrating Success Stories:** Highlight and share positive breastfeeding stories and practices from different communities to inspire and encourage others.

Flow of Event:

- At 10 am departed from college.
- At 10:15 am started our door to door awareness campaign at Uvarsad Village.
- At 12 pm departed from village.

Significance/Outcome:

- **Personalized Engagement:** Direct interaction allows for personalized conversations which helps to address specific concerns or questions individuals may have about breastfeeding, making the advice more relevant and impactful.
- **Overcoming Barriers:** Many people face barriers to accessing information, such as lack of transportation, work commitments, or geographic isolation. Door-to-door outreach can reach those who might not otherwise receive breastfeeding education and support.
- **Encouraging Action:** Personal visits has prompt immediate action and provide practical assistance, such as connecting families.
- **Gathering Feedback:** Direct interactions provide an opportunity to collect feedback from the community about their needs and challenges related to breastfeeding. This feedback can help tailor future initiatives and support services.

Overall, door-to-door awareness efforts can effectively bridge gaps in knowledge and support, ultimately contributing to better breastfeeding practices and improved health outcomes for both mothers and infants.

Quote / Comment

Conclusion

The door-to-door awareness campaign during World Breastfeeding Week 1st – 7th August organized on 5th August at Uvarsad Village proved essential for fostering a supportive environment for breastfeeding. By delivering personalized information and addressing specific community needs, this approach effectively overcomes barriers to accessing vital breastfeeding support. It builds up trust, promotes immediate action, and encourages the local support networks. Additionally, it provides valuable feedback to refine future initiatives. Ultimately, such grassroots efforts empower families with knowledge and resources, significantly enhancing breastfeeding practices and health outcomes for mothers and infants alike.

Objective of the event:

The objective of an awareness rally on Dengue & Chandipura Virus was to educate the public about the virus, its transmission, symptoms, and prevention measures.

The rally aimed to:

1. Raise awareness among community about the dengue & chandipura virus, including its health impacts and risk factors.
2. Promote prevention & encourage practices and strategies to avoid infection, such as avoiding mosquito & Sand fly bites and maintaining sanitation.
3. Engage the Community and Involve local people support network for disease prevention.
4. Highlight Treatment Options: Educate about available medical treatments and where to seek help if symptoms appear.

Flow of Event:

At 10 am we departed from college and reach there at 10:10 am.

At 10:10 AM to 12 PM we explained locals and school students about dengue & chandipura virus outbreak

Significance/Outcome:

Awareness campaign for the Dengue & Chandipura Virus holds significant importance for several reasons.

- 200 students & locals were educated regarding the same.
- We educated the public about the virus's transmission routes and preventive measures that helps to reduce the spread of the disease.
- These information will help them in early detection of disease and to start the treatment at right time.
- It will improve the community preparedness and response to outbreaks.

Conclusion

The awareness campaign on Dengue & Chandipura Virus successfully educated the community on prevention, symptoms, and treatment. By disseminating crucial information and engaging local people, it empowered individuals to take proactive measures, enhancing public health readiness and fostering a united effort to combat the virus effectively.

Objective of the event:

World Tuberculosis Day, observed on 24 March each year, is designed to build public awareness about the global epidemic of tuberculosis (TB) and efforts to eliminate the disease. In 2018, 10 million people fell ill with TB, and 1.5 million died from the disease, mostly in low and middle-income countries. This also makes it the leading cause of death from an infectious disease. On occasion of World Tuberculosis Day, Department of Kayachikitsa, AAMCRI had organised screening camp and awareness programme at Dhamasana.

Flow of the event:

Camp was started at 10:00am by Dr.Binal Gondalia and Dr.Tushar Punse. Students of 4th year have done survey of the TB case. They had given informative & knowledgeable speech on Programmes & Policies of Tuberculosis.

Significance/Outcome:

55 plus patients had taken benefit of this camp.

Brief outline addressed in the event:

The health care sector of Swarnnim start-up and innovation university had organised the free camp of health care at the village named Bileshwarpura near Chhatral on 28th December, 2022. The camp gave the benefit of all departments of health care sector that included Physiotherapy, Homoeopathy and Ayurveda.

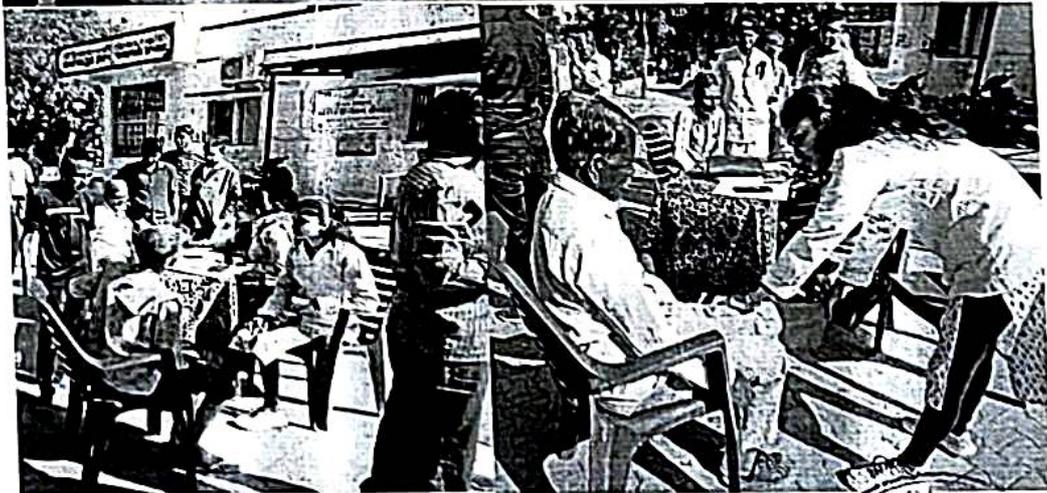

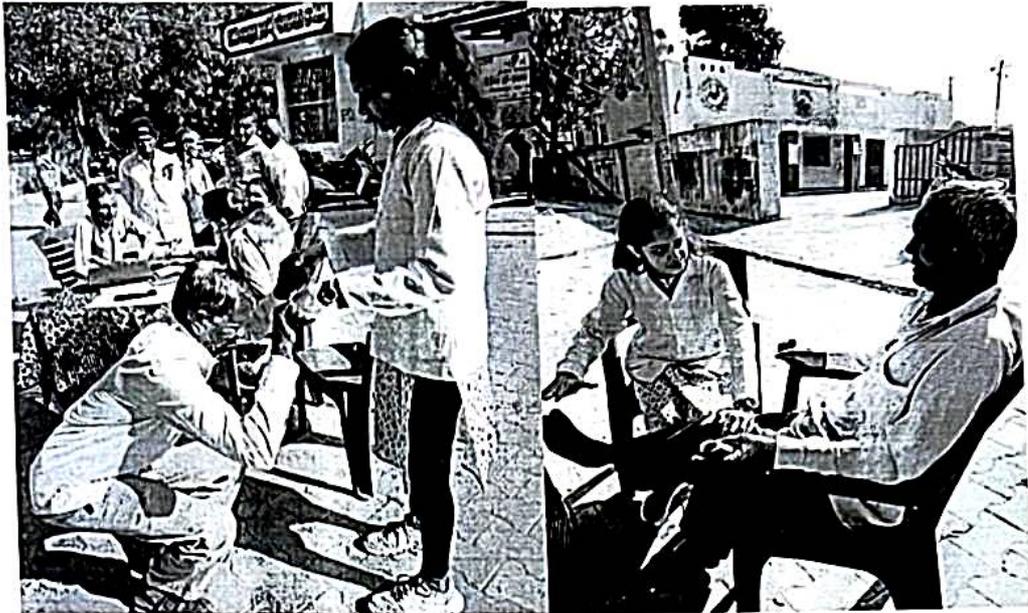

The camp held at the gram-panchayat bhavan of Bileshwarpura village. All selected faculties went there in the college van along with some needed things on 10:30 AM. The announcements about the camp were made to allow all the needy people to come and get the needful treatment they wanted. The small awareness program were also conducted by various faculties to make the villagers aware about the treatment they are about to be received, general age related problems and their preventive measures. Dr. Chinmayi Gohel and Ajay Khant (Intern) went there to represent the Venus institute of physiotherapy. Patients with various conditions like Osteoarthritis of knee, Bell's palsy, Hemiplegia, Ulnar nerve radiculopathy, Cervical spondylosis, Lumbar spondylosis, sciatica etc. were treated there. The incidence of pathology in weight bearing joints were more in that village because there were more geriatric population than younger one. Incidence of trauma and optical problems were also more prominent there.

More than 50 patients were treated there for various conditions by physiotherapy department. The camp was ended on 12:30 PM on a great note. Many patients wanted to visit the Healthcare sector held in Bhojan to get further treatment. Faculties of various department of healthcare sector had a great experience and learnt a lot by the camp and it was a great chance for student of getting exposed to this kind of various conditions to gain practical knowledge.

Brief outline addressed in the event:

The physiotherapy department of healthcare sector of Swarnim start-up and innovation university had organised the Community awareness survey at the village named Moti Adaraj on 20th January, 2023. The Awareness camp was intended to spread the information about physiotherapy field.

All students prepared the paper charts on regards of awareness of physiotherapy. The day of survey was started at morning 9:30 A.M at the campus of Venus institute of physiotherapy, where displaying of all charts were done. The work of survey was divided among students. They all were guided by Dr. Nehansi Chauhan, Dr. Kosha Gor and Dr. Honey Panchal. Students of 1st and 2nd year were intended to spread awareness about physiotherapy and ergonomically correct treatments and students of 3rd year were suppose to do survey of what kind of pain and difficulties the villagers are facing. The proforma was filled out by the students based on the complains of villagers that included demographic details and pain assessment via body chart along with Numerical Pain Rating Scale (NPRS). Provisional diagnosis was done based on the brief assessment of patients. Approximate 100 numbers of proformas were filled up during the survey and huge amount of awareness were spread during the day. All villagers got an ergonomically correct advice and home-based exercise program.

At the end of the survey, we were being concluded that villagers were facing more occupation-based problems and pain in weight bearing joints as compare to others. Students enjoyed the survey and day ended on great note.

स्वच्छता शपथ

महात्मा गांधी ने जिस भारत का सपना देखा था उसमें सिर्फ राजनैतिक आजादी ही नहीं थी, बल्कि एक स्वच्छ एवं विकसित देश की कल्पना भी थी।

महात्मा गांधी ने गुलामी की जंजीरों को तोड़कर माँ भारती को आज़ाद कराया।

अब हमारा कर्तव्य है कि गंदगी को दूर करके भारत माता की सेवा करें।

मैं शपथ लेता हूँ कि मैं स्वयं स्वच्छता के प्रति सजग रहूँगा और उसके लिए समय दूँगा।

हर वर्ष 100 घंटे यानी हर सप्ताह 2 घंटे श्रमदान करके स्वच्छता के इस संकल्प को चरितार्थ करूँगा।

मैं न गंदगी करूँगा न किसी और को करने दूँगा।

सबसे पहले मैं स्वयं से, मेरे परिवार से, मेरे मुहल्ले से, मेरे गांव से एवं मेरे कार्यस्थल से शुरुआत करूँगा।

मैं यह मानता हूँ कि दुनिया के जो भी देश स्वच्छ दिखते हैं उसका कारण यह है कि वहाँ के नागरिक गंदगी नहीं करते और न ही होने देते हैं।

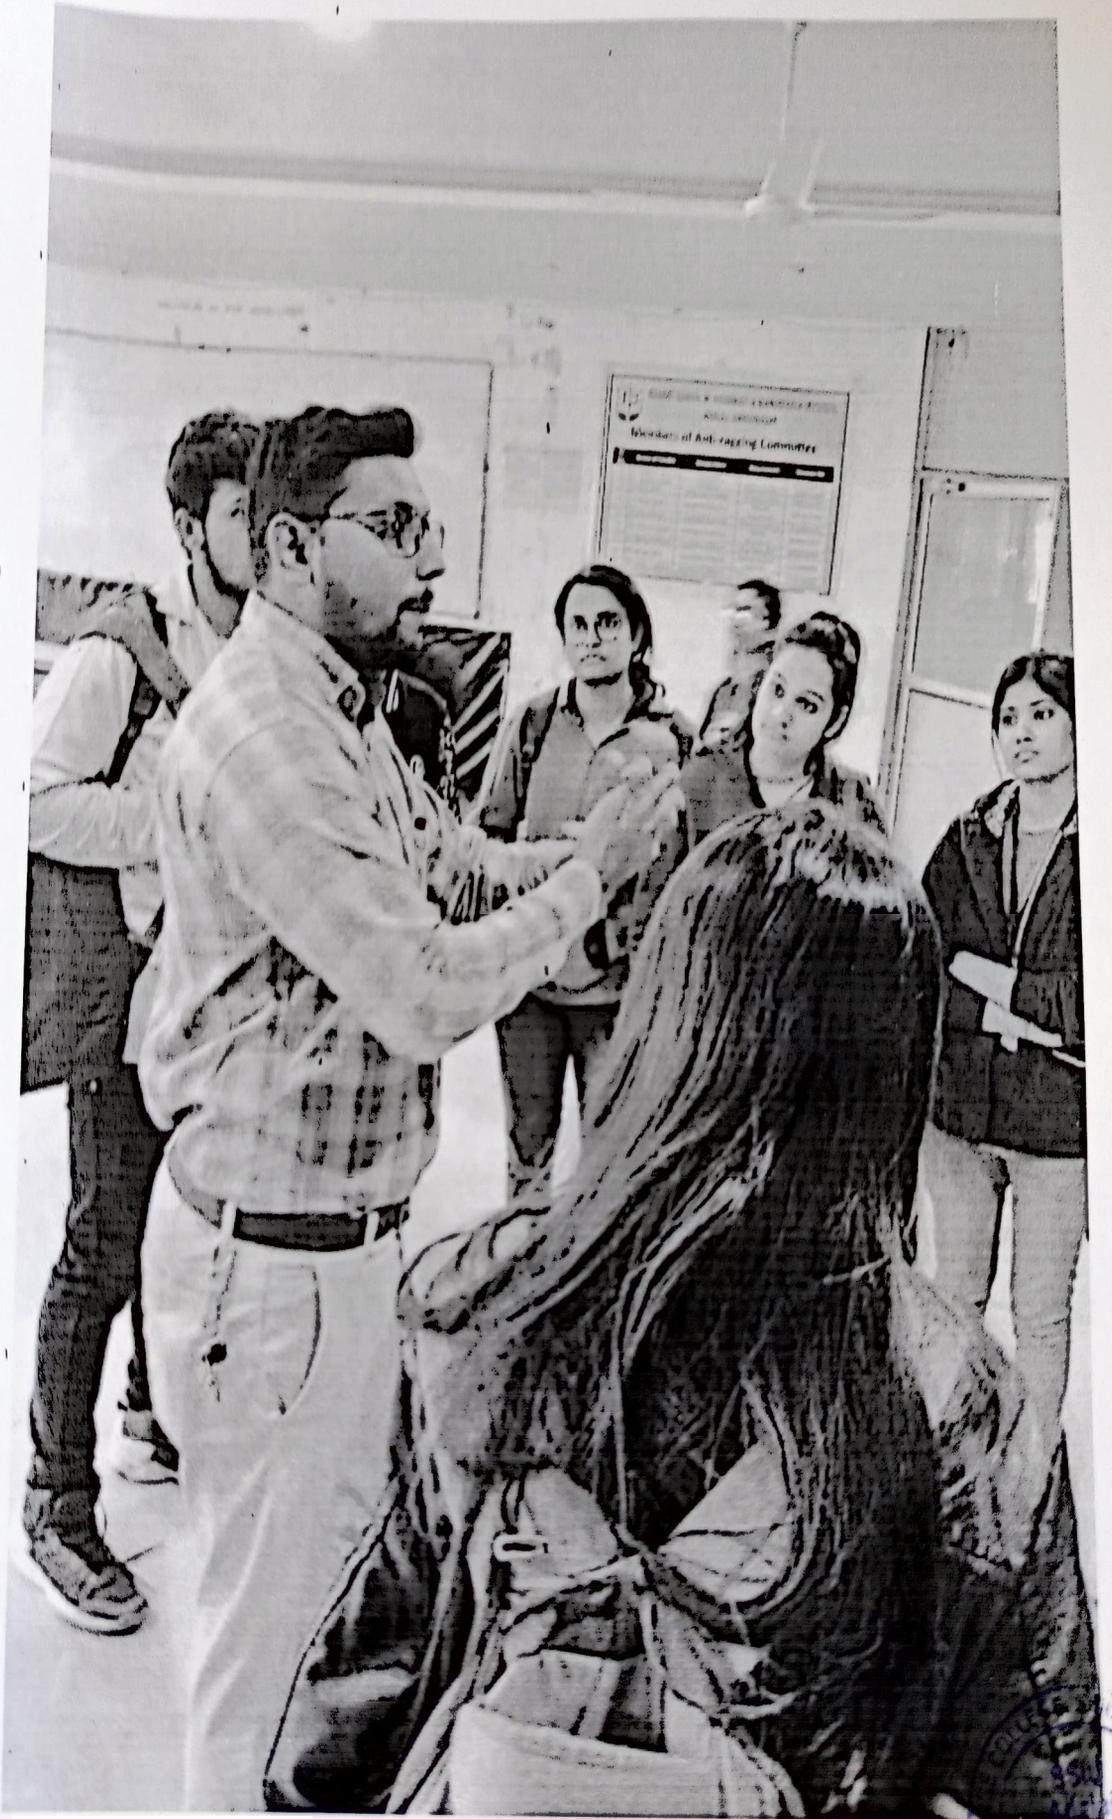

इस विचार के साथ मैं गांव-गांव और गली-गली स्वच्छ भारत मिशन का प्रचार करूँगा।

मैं आज जो शपथ ले रहा हूँ, वह अन्य 100 व्यक्तियों से भी करवाऊँगा।

वे भी मेरी तरह स्वच्छता के लिए 100 घंटे दें, इसके लिए प्रयास करूँगा।

मुझे मालूम है कि स्वच्छता की तरफ बढ़ाया गया मेरा एक कदम पूरे भारत देश को स्वच्छ बनाने में मदद करेगा।

Aarihant Homoeopathic Medical College & Research Institute

Bhoyan Rathod, Gandhinagar

National Doctor's Day- 1st July 2021

National Doctors' Day is celebrated on **July 1**, in India, to mark the birth and honour the contributions of renowned physician and former West Bengal chief minister **Dr Bidhan Chandra Roy**. The first National Doctors' Day was celebrated in the year 1991.

On this day, Aarihant Homoeopathic Medical College & Research Institute organized a Homoeopathic Health Checkup Camp in the nearby village **Tintora**, along with a Door-to-door awareness visit under Community Medicine Department of the College in first half time slot of College.

In the camp, 66 Students of 4th Year, along with 6 faculties, 3 Medical Officers and 4 Auxiliary Hospital Staff were present. Approx 150+ patients were attended and given medicines. Also, door-to-door awareness and health survey was done by students under the Guidance of Faculties of Community Medicine department of the College.

In other half time slot, College organized an event celebration of National Doctors day. The Event was inaugurated by The Principal and HODs' of the College by their speeches to encourage the students to succeed in their life and responsibilities of a doctor. 2nd and 3rd Year students performed group dance and solo and group singing performance in the event.

INTERNARIONAL NURSES DAY

12TH MAY 2020

- International Nurses Day, annual observance held on May 12 that commemorates the birth in 1820 of Florence Nightingale, the foundational philosopher of modern nursing. The event, established in 1974 by the International Council of Nurses (ICN), also serves to highlight the important role nurses fulfill in health care.

Why do we celebrate nurses?

- Nurses are the bedrock of the medical field, and National Nurses Day is a time to honor their dedication to serving our patients and communities. Nurses always have been and always will be a critical foundation of the healthcare system

THEME: NURSES A VOICE TO LEAD "INVEST IN NURSING AND RESPECT RIGHT TO SECURE GLOBAL HEALTH"

❖ **Brief outline addressed in the event:**

Today as the world is celebrating the world Diabetes day our college Venus Institute of Physiotherapy has organised a free health check-up camp in the Swarnim health science premises. Prior to free health check up the college arranged a physiotherapy awareness rally in various village, where they were taught and made aware of the uses and benefit of Physiotherapy. The people in the village were quite happy and excited and on the day they came in a huge number for the treatment. The camp was led by the expert Dr. Heenabanu shekh where she pro-actively worked with all the volunteered students and treated more than 112 patients in a day. The free health check up camp was inaugurated by the academic director Dr. Hiren Kadikar and the principal of Venus institute of Physiotherapy Dr. Arvind Chauhan.

On the day Dr. Arvind Chauhan was very happy by the influx of patient and addressed the student that "People were very happy with the physiotherapy treatment and they promised to send more people to the college clinic." He added further "we still need to make people aware about the Physiotherapy treatment as still there is a huge number of people in a village they don't know much about the treatment. As this camp was successful we will organise more camp like this to make people aware and treat."

The feedbacks were taken by the patients and they were all happy and some has also blessed the students and the college management as well for this noble cause.

❖ **Brief outline addressed in the event:**

There is a common saying in hindi "Rakt dan Maha Dan". Why is it said so? Because there are so many individual in India who die because of not getting the proper blood during the emergency situation and donating a blood is considered as a nobel cause. Venus Institute of Physiotherapy in collaboration with Red cross had organised a blood donation camp on in the premises of Swarnim Health sciences. The event was coordinated by Dr. Hiren Damor and Dr. Ankit Sinha, assistant professor of Venus institute of Physiotherapy. The event was inaugurated by Provost of the University Dr. Bala Sir, academic director Mr. Hiren Kadikar and the principal of the college Dr. Arvind Chauhan.

Dr. Arvind Chauhan (Principal, Venus Institute of Physiotherapy) encouraged the student and ask them to participate in a huge number. To motivate them he decided to donate the blood first after which there was a huge number of student turned up to donate the blood voluntarily and was even very happy and excited about it. They were also given the certificate and donor card and free coffee mug. After donating the blood they have been provided the juice and biscuit as well. The event was a grand success and at the end of the event Dr.Arvind Chauhan thanked the students and appreciated their effort to donate the blood voluntarily.

Summary:

Swarnnim Institute of Health Science organized a "Diabetic day program" on 14/11/19 at 10am in Swarnnim Institute of Health Science Block.

The Chief Guest for the Diabetic Day program was Prof. Hiren Kadikar, Academic Director, Swarnnim Institute of Health Science. As a part of diabetic day program a rally on diabetic day was conducted by the students of Swarnnim Institute of Health Science (Dept. of Nursing, Dept. of Physiotherapy, Dept. of Homeopathy & Dept. of Ayurveda) to the villages such as Sertha, Tintoda, Saij and Bhoyan Rathod on 11/11/19 to 13/11/19. During the awareness rally the students also distributed the notice for the medical camp which was organized by the Swarnnim Institute of Health Science. On 14/11/19 at 9am the Rangoli making competition was started. After that poster making and talk show competition were conducted. On the same day a medical camp was arranged for the rural people and all the faculty and students of Swarnnim Institute of Health Science were together worked for the camp. The event was winded up at 2pm.

Objective of the event:

- Raise awareness of the impact that diabetes has on the family and support network of those affected.
- Promote the role of the family in the management, care, prevention and education of diabetes.

Significance/ outcome:

The theme for World Diabetes Day 2019 is 'Family and Diabetes'. The purpose of the theme is to spread awareness of how diabetes creates an impact and emotional distress on families. Topics related to the prevention, management, and care of this disease are also covered and the diabetic awareness campaign will be encompassing the education and awareness of this disease.

Conclusion:

According to the World Health Organization (WHO) report, India today heads the world with over 32 million diabetic patients and this number is projected to increase to 79.4 million by the year 2030. Recent surveys indicate that diabetes now affects a staggering 10-16% of urban population and (5-8%) of rural population in India. Swarnnim Institute of Health Science put an initiative to reduce the incidence of diabetes mellitus among the rural area.
